

<b>The University of North Texas at Dallas Policy Manual</b>	Chapter 11.000
<b>11.004 Campus Master Plan</b>	<b>Facilities and Real Estate</b>

**Policy Statement.** It is the policy of the University of North Texas at Dallas to develop and maintain the University’s campus master plan in coordination with the University of North Texas System and as required by state law.

**Application of Policy.** This policy applies to the total university.

**Definition(s).**

**Campus Master Plan.** “Campus Master Plan” means a plan that sets out a development strategy and vision in support of the mission the University. The plan includes an open space and landscape framework, building site recommendations, architectural and landscape guidelines, circulation and parking recommendations and a general implementation strategy.

**Procedures and Responsibilities.**

1. The President or designee or committee shall participate in the development and maintenance of the campus master plan in coordination with the University of North Texas System. Any updates to the plan shall be submitted to the President for approval prior to submission to the Chancellor.

Responsible Party: President

2. The University shall maintain a current physical facilities campus master plan which will identify all facilities projects, including new construction, repair, renovation, and adaptive reuse. The list of projects, an inventory of all educational and general facilities, and an assessment of repairs, rehabilitations, and deferred maintenance shall be filed with the Texas Higher Education Coordinating Board each year.

Responsible Party: Facilities Department
