UNT International welcomes the combined efforts of the Nominator, the Nominee and all supporters in providing sufficient information. The selection committee will only consider complete nominations.

The recommendation statement and letters of reference must describe the extraordinary and longstanding efforts undertaken professionally and personally by the nominee to positively enhance and expand internationalization at UNT. With the exception of the CV or resume, none of these documents are to be written by the nominee.

Examples of efforts:

- Spearheading and supporting effective curricular change in support of internationalization
- Encouraging global engagement by students, faculty or staff
- Enhancing the UNT research agenda by contributing to international competitive research projects
- Publications showing evidence of collaboration with institutions in other countries
- Serving in a professional capacity abroad on behalf of UNT
- Supporting campus internationalization through global themed events, programming or lectures
