UNT Dual Credit Enrollment- Denton ISD

Student Responsibilities

In applying for enrollment for the above course(s), the student understands that he/she must be accepted for special admission by the university and that he/she must abide by all applicable university guidelines and regulations. If approved, this application is valid only for the above designated course(s) and semester. A separate application is required each semester for which enrollment is sought. This application is incomplete without proper approval by secondary school and university personnel.

The student is responsible for the payment of all tuition, books, and fees. Enrollment at the university affords the student the same rights and privileges granted all students as stated by university policy. Dual Credit courses are counted as part of the student's daily high school schedule. The student is expected to abide by the rules and regulations of both institutions.

The student earns both high school and university credit for Dual Credit courses. While these courses earn university credit and are recorded on a formal transcript, decision regarding transferability of the courses to another college or university rests solely with the accepting institution. The student should consult the admissions office of the appropriate receiving institution(s) for information regarding the transfer of credits.

Texas Success Initiative

The State of Texas requires, through the Texas Success Initiative (TSI), that all undergraduate students take an assessment over reading, writing and mathematical skills prior to enrolling for college-level credit at Texas public institutions, unless the student meets the Texas Higher Education Coordinating Board's exemptions in accordance with Texas Administrative Code Title 19, Part I, Chapter 4, Subchapter C. By state law, failure to take the TSI assessment will prevent the student from completing the enrollment process if exemptions are not met. Students who have not passed all sections of the TSI test may not enroll in the equivalent college level courses. For additional TSI information, contact the Learning Center, Sage Hall, Suite 315, 940-369-7006. The TSI test cannot be used in admissions decisions but is necessary for adequate pre-registration advising.

** High school counselors may submit appropriate documentation of TSI exemption, i.e. transcript with qualifying STAAR EOC scores, ACT or SAT Reasoning Test scores, etc. non-exempt students must submit TSI exam results.*

Turnitin User Agreement

In taking UNT Dual Credit courses, students may be required to submit written homework assignments through a secure, web-based service known as Turnitin. Turnitin's formative feedback and originality checking services promote critical thinking, ensure academic integrity, and help students improve their practices for using and citing other people's written material and to provide students feedback electronically. Turnitin's User agreement requires parental permission for students between the ages of 14 to 17 to use this service. By signing below, you acknowledge that you have reviewed and understand the Turnitin User Agreement (<https://turnitin.com/agreement.asp>) and that you give permission for your child to use the Turnitin service. Once signed, this agreement will apply to all subsequent years unless the agreement is withdrawn in writing by the parent/guardian.
