# Computer Peripherals

**Supplier:**       **SHI Government Solutions, Inc.**

**Products:**       **Computer peripheral products, third-party software and software licenses, accessories and related services. Distribution will be direct from SHI Government Solutions as an authorized reseller.**

**Contract No:**    **UT System Supply Chain Alliance 5514**

**Effective Dates:**    **07/01/2014 - 06/30/2019, 3 annual renewals remaining**

**Contact:**        **SHI GOVERNMENT SOLUTIONS**
                    **Adrienne Pubylski, Account Manager**
                    **ap@shi.com**
                    **512.751.4186 (Reference contract number UTSSCA5514)**

**Value to UNT System:**

**Current participating institutions will realize an additional savings of 2% above what is being paid today for Computer Peripherals products, software and related services. However, overall there is realized savings of 10%-15% when compared with current market pricing. All calculations are based upon the annual purchase of Computer Peripherals products, software and services across UT System and Participants from other Texas universities.**

**Actual savings will be relative to the level of participation by each institution.**

**Ordering:**       **Reference contract number UTSSCA5514 on requisitions to SHI to ensure that negotiated contract pricing is received.**

**HUB:**            **SHI is a Texas Certified HUB vendor.**
                    **UNTS will receive 100% HUB credit on every purchase.**

**Questions:**      **Contact your BSC Buyer for additional information.**
