Begin your journey with UNT here. In this section, you will find helpful information on UNT's admission requirements and deadlines. Whether you are currently enrolled in high school, a community college or another university, the facts you need to transition to UNT are on the next few pages. Even if you have not attended high school or college in a number of years, you can find information about starting a new period of your life with classes at UNT.

Application for Admission for New Undergraduate Students

The University of North Texas is a selective university and does not guarantee admission of all applicants. It is recommended that students apply well in advance of stated application deadlines.

The University of North Texas requires the ApplyTexas Application for Freshman Admission and the ApplyTexas Application for Transfer/Transient/Former Students. (The ApplyTexas Application was formerly the Texas Common Application.) All new undergraduate applicants must use the ApplyTexas Application. It is highly recommended that the application be completed and submitted electronically (www.applytexas.org). For easy access to the ApplyTexas Application and admission deadline dates visit www.unt.edu/vwbk/gettingstarted.htm. Copies of the application form also are available

from the Office of Admissions, 1155 Union Circle #311277, Denton, TX 76203-5017. Letters of inquiry should note status as a new student, graduate or undergraduate, permanent resident alien or international student. All non-U.S. citizens who are seeking undergraduate enrollment and who hold permanent resident alien status in the United States apply through undergraduate admissions.

Prospective students should apply as early as possible. All necessary credentials, such as application forms, all official transcripts, required entrance test scores, etc., must be on file in the Office of Admissions (undergraduate) by the following deadlines to be evaluated and processed for admission and enrollment at UNT (applications received after these deadlines will be subject to a late registration fee).

Fall 2010

- March 1, 2010 – priority application date for freshmen for classes beginning Aug. 26, 2010
- July 1, 2010 – priority application date for transfer students for classes beginning Aug. 26, 2010

Spring 2011

- Dec. 3, 2010, for classes beginning Jan. 18, 2011

Summer 2011

- May 12, 2011, for classes beginning May 16, 2011
- May 26, 2011, for classes beginning June 6, 2011
- July 5, 2011, for classes beginning July 11, 2011

Admission policies are reviewed periodically and are subject to change. Check the UNT web site at www.unt.edu/admission for the latest admission information or contact the Office of Admissions at 940-565-2681, 800-868-8211, Dallas-Fort Worth Metro 817-267-3731. Answers to the most frequently asked questions can be viewed at Ask UNT (www.unt.edu/AskUNT); if a particular question is not answered there, it can be e-mailed to the Office of Admissions through that site.

Fall 2011

- March 1, 2011 – priority application date for freshmen
- July 1, 2011 – priority application date for transfer students

Students who submit applications after these dates are subject to a late application fee. If accepted, students will have to register during the late registration period and pay a late registration fee.

See www.unt.edu/registrar/schedule.htm for the latest information about offerings and associated enrollment services.

Any applications received after the above deadlines must be accompanied by all official transcripts and required test scores for evaluation. The prospective student must meet the stated admission requirements and must register in late registration and will be subject to a late fee. No applications for admission by individual review can be accepted after these dates. *No applications for Fall 2010 will be accepted after Tuesday, August 10; no applications for Spring 2011 will be accepted after Tuesday, January 11, 2011.* All new undergraduate students enrolling must comply with state law and university policies concerning the Texas Success Initiative (formerly TASP) as described in the Academics section of this publication.

Contact the Office of Admissions for information at 940-565-2681, 800-868-8211, Dallas–Fort Worth Metro 817-267-3731, or online at Ask UNT (www.unt.edu/AskUNT).

Former Students

All previous regularly admitted students will not need to re-apply for admission. If you have not enrolled at UNT at least once during the 12 consecutive months prior to the term/semester you wish to return, please contact the Registrar's Office for information or go to www.applytexas.org and fill out a former student application. All students previously admitted as transient, summer visitor, special student, or for dual credit must first contact the Office of Admissions for clearance to re-enroll.

Programs with Specific Requirements

The Office of Admissions coordinates all universitywide admissions policies and procedures for undergraduate programs. Some programs require that students meet additional requirements in order to be admitted to a particular program. Those programs with admission requirements in addition to those for the general university are listed below. Students should consult that section of the catalog for specific requirements.

Admission Application Fee

All applicants new to the University of North Texas must pay a \$60 (U.S. citizens and permanent resident aliens) or \$75 (all others, i.e., international students) non-refundable admission application fee. The fee must be paid in U.S. dollars. Students applying after the application deadline must submit a \$90 application fee.

Admission applications will be processed after the application fee is received. Admission decisions will be made after all academic credentials are received and evaluated.

Contact the Office of Admissions for information at 940-565-2681, 800-868-8211, Dallas–Fort Worth Metro 817-267-3731, or online at Ask UNT (www.unt.edu/AskUNT).

High School Graduates

Note: Admission requirements may change for fall 2011. For the latest information, visit the UNT web site: www.unt.edu/admission.

The University of North Texas is a selective university and does not guarantee admission of all applicants. It is recommended that students apply well in advance of stated application deadlines.

Students admitted to the first term/semester of college work must have graduated from an accredited high school and complete course work, at minimum, equivalent to the Texas Recommended High School Program. Students also must submit an application for admission to UNT with a transcript showing their high school credits and rank in their graduating class. Transcripts showing rank in class should be sent after completion of the junior year.

In addition, students must present satisfactory scores on the SAT Reasoning Test or the ACT according to their rank in class (see “Entrance Examination” in this section). Appropriateness of experience in lieu of academic credential (i.e., GED, home schooling, graduation from an unaccredited high school, etc.) may be assessed on an individual review basis by the UNT Admissions Review Committee (ARC). For more information, see “Admission by Individual Review” in this section of the catalog. To be more successful at UNT, we require that students take the following classes in high school.

- English: 4 credits (English I-IV)
- Mathematics: 4 credits (Algebra I, Geometry, Algebra II and Pre-Calculus)
- Sciences: 4 credits (to be selected from Biology, Chemistry, Environmental Sciences and Physics)
- Social Sciences: 4 credits (World Geography, World History Studies, U.S. Government and Economics and U.S. History)
- Foreign Language: 2 credits (Levels I-III proficiency of the same language) (UNT recommends 3 credits)
- Health: 1/2 credit minimum
- Fine Arts: 1 credit
- Physical Education: 1 1/2 credits
- Computer Science: 1 credit (demonstrated proficiency at Level I)
- Electives: 3 1/2 credits
- Speech: 1/2 credit

Entrance Examination

Minimum scores for the entrance exam vary according to the applicant’s rank in the high school graduating class. Current requirements are listed below.

Policy for the Admission of New Freshmen

In May 2004, the University of North Texas Board of Regents approved the policy below for the admission of new freshmen for the 2005 fall semester and beyond. Students who do not meet the requirements for automatic or regular admission should refer to the section titled “Admission by Individual Review” in this section of the *Undergraduate Catalog* for more information.

Note: Admission requirements are subject to periodic review and change. For the latest information, visit the UNT web site: www.unt.edu/admission.

Automatic Admission

In compliance with state law, applicants who graduated in the top 10 percent* of their high school class and who completed course work equivalent to the Texas Recommended High School Program or higher shall be admitted automatically to the university.

Regular Admission

Applicants shall be guaranteed admission if they meet the minimum course work requirement and:

- Rank in the next 15 percent and have a minimum 950 SAT (combined critical reading/verbal + math) or 20 ACT or
- Rank in the 2nd quarter and have a minimum 1050 SAT (combined critical reading/verbal + math) or 23 ACT or
- Rank in the 3rd quarter and have a minimum 1180 SAT (combined critical reading/verbal + math) or 26 ACT.

Applicants who rank in the 4th quarter, or applicants who do not meet the requirements in either the automatic or regular admissions categories, will have their applications reviewed by a UNT admission officer. (See “Admission by Individual Review” in this section.)

**All applicants to the University of North Texas must submit SAT or ACT scores. Applicants in the top 10 percent not scoring at least 950 SAT (combined critical reading/verbal + math) or 20 ACT and all applicants admitted by individual review, regardless of rank in class or test scores, will be required to participate in success programs as may be recommended. The writing section of the SAT or ACT is a requirement for admission to the University of North Texas.*

Undergraduate Admission Requirements

(The UNT institutional codes for score reporting purposes are SAT, 6481; ACT, 4136.)

Early Admission

On an individual basis, UNT may admit high school students to the freshman class after completion of the junior year of high school. To be considered, students must:

1. be ranked in the top quarter of their class;
2. have a strong B average;
3. have completed 3 units of English and 3 units each of solid mathematics, social science and natural science;
4. present minimum combined SAT (combined critical reading/verbal + math) score of 1180 or ACT composite of 26;
5. submit letters from high school counselor or principal recommending early admission;
6. submit a letter from parents or guardians stating they approve of early admission; and
7. arrange an interview in the Office of Admissions.

Under this program, high school seniors may be enrolled concurrently at UNT through coordination with the UNT Director of Admissions and the high school.

Texas Success Initiative

See "Texas Success Initiative" in the Academics section of this catalog for additional information.

The Texas Success Initiative (TSI) is a state statute requiring all undergraduate students entering a Texas public institution of higher education to demonstrate readiness for college-level reading, writing and mathematics before enrolling in college-level course work. Students may demonstrate college readiness by achieving the statutory threshold(s) on the state-approved readiness assessments, unless they are exempt (see the Academics section of this catalog for exemption information). Students must satisfy all TSI requirements before receiving a baccalaureate degree.

UNT accepts scores on the ACCUPLACER, ASSET, COMPASS or THEA tests for assessment purposes. These state-approved tests measure college-level readiness in reading, mathematics and writing. Minimum score thresholds required to demonstrate college readiness in each subject are as follows:

	Reading	Math	Writing
ACCUPLACER	78	63	80 objective with 5 essay or 6 essay only
ASSET	41	38	40 objective with 5 essay or 6 essay only
COMPASS	81	39	59 objective with 5 essay or 6 essay only
THEA	230	230	220

Students shall participate in a developmental program for each semester of enrollment for those subjects where readiness has not been demonstrated. Students may demonstrate readiness by either passing the highest level of indicated developmental course work or by scoring above statutory thresholds on one of the approved tests.

College readiness testing is not used in admission decisions at UNT. UNT must, however, have the results of a readiness assessment before Orientation and preregistration. For more information, visit www.unt.edu/academicreadiness or contact the Student Academic Readiness Team (START) office at 940-565-4403 or academic.readiness@unt.edu.

Texas Academy of Mathematics and Science Students

The Texas Academy of Mathematics and Science (TAMS) is an early admission residential program for accelerated study designed to attract high-achieving high school age students to the science and mathematics fields. Beginning the program no later than the junior year in high school, academy students are enrolled as regular college students and earn two years of college credit. Students selected for this program are admitted solely to attend the academy. Admission to the academy is based on the student's commitment to complete the two-year program. Eligibility for enrollment in university courses is contingent upon continued enrollment at the academy.

Until the TAMS class with which the student originally entered has completed the two-year program, enrollment at UNT (outside of the academy curriculum) will be considered only if all published UNT Early Admission program requirements and procedures are met. This includes successful completion of first-year TAMS studies and a letter of recommendation from the academy dean. Should a student leave the program for any reason and

achieve high school graduation, the standard UNT admission process would apply. Applicable freshman and/or transfer requirements for regular admission would need to be satisfied.

For additional information, contact the TAMS Office of Admissions at 800-241-TAMS, or by e-mail at tamsadmissions@unt.edu.

Eagle Bound Program (Concurrent Admission Program)

The University of North Texas has a concurrent admission program, called the Eagle Bound Program, with several community college districts, including the Collin County Community College District (CCCCD), the Dallas County Community College District (DCCCD), North Central Texas College (NCTC) and Hill College. The Eagle Bound Program typically allows students who meet UNT admission requirements to establish a concurrent admission relationship with UNT prior to completing their studies at their community college.

Additional Eagle Bound Program options are currently under development. Contact the Office of Admissions for further information.

Note: Concurrent admission programs are subject to periodic review.

Academic Fresh Start for Admissions Decisions

Section 51.931 of the Texas Education Code allows students who were enrolled in a post-secondary institution 10 or more years ago to seek admission to UNT without consideration of that academic work.

To take advantage of this option, you must request it prior to your first enrollment at UNT. You must report and submit all of your college transcripts with your application for admission. You must also complete and submit a Fresh Start request form. Hours excluded under the Fresh Start option may still be used to claim exemption from the Texas Success Initiative.

Contact the Office of Admissions for more information at 940-565-2681, 800-868-8211, Dallas-Fort Worth Metro 817-267-3731, or online at Ask UNT (www.unt.edu/AskUNT).

Transfer Students

A transfer student is defined as any student new to UNT who graduated from high school more than one year prior to the date of anticipated enrollment and who has been enrolled at another college or university or has earned college credit prior to attendance at UNT.

UNT evaluates credit only from generally recognized accredited academic institutions. Applicants must submit records of all accredited institutions attended, even if they do not wish to transfer the credit to UNT.

Transfer students with fewer than 30 transferable semester hours of college work must:

- meet the entrance requirements listed above for high school graduates;
- have a minimum 2.5 GPA on a 4.0 grading system;
- be eligible to return to any institution attended; and
- provide an official transcript from each college or university attended.

Transfer students with no less than 30 and no more than 44 transferable semester hours must:

- have a minimum GPA of 2.25 on a 4.0 grading system;
- submit application for admission;
- provide an official transcript from each college or university attended; and
- be eligible to return to any institution attended.

Transfer students with more than 44 hours of college work must:

- have a minimum GPA of 2.0 on a 4.0 grading system;
- submit application for admission;
- provide an official transcript from each college or university attended; and
- be eligible to return to any institution attended.

Transfer applicants who do not meet the above requirements for regular transfer admissions should refer to the section titled “Admission by Individual Review for Freshmen or Transfer Students” in this section for more information. All transfer applicants admitted by individual review will be required to participate in success programs as may be recommended.

The University of North Texas is a selective university and does not guarantee admission of all applicants. It is recommended that students apply well in advance of stated application deadlines.

The admissions office determines acceptable transfer credit from other institutions. The student’s academic dean determines applicability of the credit to a degree program.

The admissions office provides, along with the acceptance notification letter, a copy of the evaluated official transcript(s) from the other institution(s) of higher education and a Transfer Credit Summary. This evaluation of course credit reflects accepted transfer credit as well as credit that has not been accepted in transfer.

If UNT does not accept lower-division course credit earned by a student at another Texas public institution of higher education, UNT shall give

written notice to the student and the other institution that the transfer of the course credit is denied. UNT shall also provide written notice of the reasons for denying credit for a particular course or set of courses at the request of the other institution.

A student may dispute the denial of credit by contacting a designated official at either UNT or the other institution.

The two institutions and the student shall attempt to resolve the transfer of the course credit in accordance with Texas Higher Education Coordinating Board rules and/or guidelines. If the transfer dispute is not resolved to the satisfaction of the student or the institution at which the credit was earned within 45 days after the date the student receives written notice of the denial, UNT shall notify the commissioner of the Texas Higher Education Coordinating Board of its denial and the reason for the denial.

The commissioner of higher education or the commissioner’s designee shall make the final determination about a dispute concerning the transfer of course credit and give written notice of the determination to the involved student and institutions.

The Texas Higher Education Coordinating Board shall collect data on the types of transfer disputes that are reported and the disposition of each case that is considered by the commissioner or the commissioner’s designee.

If UNT has cause to believe that a course being presented by a student for transfer from another school is not of an acceptable level of quality, UNT will first contact the other institution and attempt to resolve the problem. In the event that the two institutions are unable to come to a satisfactory resolution, UNT may notify the commissioner of higher education, who may investigate the course. If its quality is found to be unacceptable, the Texas Higher Education Coordinating Board may discontinue funding for the course.

Transfer credit is subject to audit during a student’s academic career at UNT. Total hours accepted may be increased or decreased to reflect correction of prior evaluation or consideration of additional transfer work to ensure compliance with UNT academic policies.

Texas Community College Transfer Students

Prior to transferring to UNT from a Texas community college, students should discuss the UNT Course Equivalency Guide and the degree audit information contained in the UNT *Undergraduate Catalog* with their community college academic advisor/counselor.

Students are encouraged to plan all course selections at the community college as far in advance as possible. Proper planning and use of the UNT Course Equivalency Guide and the UNT degree audit information will maximize the transfer of credit to UNT.

The university participates in the Texas Common Course Numbering System (TCCNS) to facilitate the transfer of credits, and lists most community college and area four-year institution course equivalency information in its Course Applicability System (CAS) at unt.transfer.org. CAS allows students to create user accounts to store completed course work and to run UNT major-specific planning guides.

For additional information regarding transfer evaluation information, contact the Office of Admissions.

Transfer of the Core Curriculum

A student who successfully completes a 42- to 48-semester-credit-hour common core curriculum at a state-assisted institution of higher education in Texas may transfer as “core complete” to UNT. The student will receive academic credit for each of the courses transferred. The student will need to work with an academic advisor in the appropriate college or school to determine if additional requirements will be necessary to satisfy the 42-hour UNT core. See also the UNT transfer articulation web page at www.unt.edu/registrar/articulation and the transfer course equivalency and Degree Planning Guide tool, u.select.unt.transfer.org.

Choice of Catalog

Any student transferring directly from a Texas public community college to UNT shall have the same choice of catalog designating degree requirements as the student would have had if the dates of attendance at the university had been the same as the dates of attendance at the community college.

See “Graduation Under a Particular Catalog” in the Academics section of this catalog.

Advanced-Hour Credit

A lower-level course that is determined to be equivalent to a UNT upper-level course does not satisfy the requirement of advanced hours.

Texas Common Course Numbering System

The Texas Common Course Numbering System (TCCNS) has been designed for the purpose of aiding students in the transfer of general academic courses between colleges and universities throughout Texas. A list of currently approved TCCNS numbers appears in the Courses of Instruction section at the back of this catalog. In course descriptions, TCCNS prefixes and/or numbers, when applicable, are indicated in parentheses immediately following the UNT course number. Information provided is subject to change without notice and does not constitute a contract between UNT and a student or applicant for admission. Prospective transfer students should contact the academic dean’s advising office of their intended major for course work guidelines prior to enrollment.

Transfer Hours

Students who complete work at another institution to be applied toward a bachelor’s degree at the University of North Texas should make sure that the appropriate officer of the other institution furnishes to the Office of Admissions at the University of North Texas a complete official transcript of such work.

The admissions office determines acceptable transfer credit from other institutions based on evaluation of course content as described in the catalogs of those institutions and in consultation with appropriate academic units at UNT as necessary for clarification. Transfer credit may only be received for course work completed at an accredited institution of higher education. Transfer credit from other institutions will be converted to semester hours and a 4.0 grading system for evaluation purposes as appropriate. The student’s academic dean determines applicability of the credit to a degree program. Students seeking the Bachelor of Applied Arts and Sciences (BAAS) should refer to the special provisions of the respective BAAS degree programs.

Students who have begun residence work at UNT and who have attained junior standing may, only with the prior written approval of their academic dean, enroll in and transfer hours from approved two-year colleges.

Transfer credit is subject to audit during a student’s academic career at UNT. Total hours accepted may be increased or decreased to reflect correction of prior evaluation or consideration of additional transfer work to ensure compliance with UNT academic policies.

Admission by Individual Review for Freshmen or Transfer Students

Freshman applicants or transfer applicants who have fewer than 30 transferable hours or who rank in the fourth quartile of their high school graduating class, or any applicants who do not meet the requirements in either the freshman automatic or regular admissions categories, or transfer requirements, will have their applications reviewed by a UNT admissions officer and may be given the opportunity to provide additional information to justify their admission to the university.

Upon review of the application file, the admission officer will forward a letter to the student stating the options for possible admission to UNT. These options may include:

- submitting new entrance exam scores (SAT Reasoning Test or ACT);
- attending a community college and completing 30 or more college level hours with a minimum 2.25 GPA;

- duplicating college-level work in which the student received a D or F to improve college GPA;
- submitting three letters of recommendation* and an essay (personal statement) addressing the student's education and career goals.

Students should carry out the suggested option for the best possibility of admission into UNT.

Appropriateness of experience in lieu of academic credentials (i.e., GED, home schooling, graduation from an unaccredited high school) will also be assessed on an individual review basis.

Factors that may assist in determining academic readiness under the individual review provision may include, but are not limited to, the following:

- high school attended
- first-generation college attendance
- employment experience
- special abilities such as bilingual proficiency and meeting family responsibilities
- individual achievements
- leadership activities
- public service
- extra-curricular activities

Consideration for admission by individual review can occur only if the applicant has submitted all required credentials, letters of recommendation*, essay, etc., and, if required, scheduled an interview with an admissions officer prior to the published deadline for admission application.

New UNT students who have fewer than 30 hours of transfer credit, excluding non-traditional credit, who are admitted via individual review and have less than a 2.0 grade point average will be placed on academic alert.

Other transfer students with 30 or more hours of transfer credit who are admitted via individual review are placed automatically on academic probation if their transfer cumulative grade point average falls below 2.0. See "Transfer Student" in this section for a statement of the current minimum entrance requirements for transfer students. To avoid academic suspension, transfer students admitted on academic probation must make a grade point average equal or exceeding the minimum for the appropriate classification as shown in the Table of Minimum Academic Requirements. See the Academics section of this catalog.

A limited number of admissions may be granted to students who do not satisfy the admission standards but who have demonstrated some exceptional talent. These students must have the approval of the Vice President for Academic Affairs or a designee of the Vice President.

All students admitted by the individual review process, regardless of rank in class or test scores, will be required to participate in success programs as recommended.

For more information, contact the Office of Admissions.

**Letters of Recommendation: Beginning freshmen who are pursuing admission by individual review should submit letters of recommendation from their high school counselor and two of their teachers.*

Transfer students who are pursuing admission by individual review should request letters of recommendation from two of their college instructors and their college academic advisor. All letters should address the student's academic ability and preparedness for university-level study.

Transient and Summer Visiting Students

Undergraduate students who have been enrolled at another college or university previously may attend UNT as transient students for one long fall or spring term only, provided their intent is to return to their previous college or university. A summer visiting student is an undergraduate student (U.S. citizen or permanent resident alien) who enrolls at UNT for any summer session/term with the intent of returning to the home institution upon completion of summer studies. An official transcript from all colleges or universities attended must be submitted with the application for admission and the application fee prior to the application deadline. The transcript must reflect that the student is not on academic probation or suspension from the last institution attended to be admitted as a transient or summer visiting student.

If a transient or summer visiting student later decides to continue at UNT, the transient or summer visiting status ends and all admission requirements for a beginning transfer student (see "Transfer Students" above) must be met prior to the second enrollment at UNT. All students previously admitted as a transient or summer visitor must first contact the Office of Admissions for clearance to re-enroll. If a student originally applies as a regular transfer student and is academically rejected for admission, the student cannot change application status to transient or summer visiting.

Because of federal laws and immigration requirements, international students are not eligible to enroll at UNT as transient or summer visiting students.

See "Orientation" in this section for additional information.

Inactive Continuing Students (Undergraduate Students Only)

Students who are U.S. citizens or permanent residents and who have previously attended UNT but who have not attended at least once during the 12 consecutive months prior to the term/semester of planned enrollment and who have not received a degree during that time period, must complete the following requirements to re-enroll:

- complete the ApplyTexas Application for Former Students found at www.applytexas.org;
- submit transcripts from all colleges attended, if any, since leaving UNT;

- if previous UNT enrollment was as a transient, dual credit, summer visiting student or special student, all academic credentials are required prior to re-enrollment; and
- inactive students who have not enrolled elsewhere since leaving UNT and who are in good academic standing are required only to complete the Apply-Texas Application for Former Students found at www.applytexas.org.

International students should contact the International Admissions and Advising Center (see the Contacts at UNT section of this catalog or visit www.international.unt.edu).

Graduate Students

U.S. citizens or permanent residents who hold a bachelor's degree or its equivalent from a regionally accredited institution and who wish to be considered for admission at UNT for the first time should contact the Toulouse School of Graduate Studies. Applicants who hold a degree are considered graduate students, whether or not an additional degree is sought. General admission requirements to the Toulouse School of Graduate Studies (www.gradschool.unt.edu), specific admission requirements to graduate degree programs and descriptions of graduate courses are printed in the *Graduate Catalog*. International students should contact UNT-International Admission (www.international.unt.edu).

International Students

Applicants who do not hold either U.S. citizenship or U.S. permanent resident alien status should apply to the International Admissions Office.

Application Deadlines

Undergraduate: Submit all documents at least six months before enrollment date.

Graduate: Submit all documents at least six months before enrollment date. Some departments have much earlier application deadlines. Check application deadlines with your department (www.unt.edu/find-people-department.htm).

Three Types of Admission

1. Direct UNT Admission

Undergraduate: With proof of English language proficiency. (See "English Language Proficiency Measure" chart.)

Graduate: With proof of English language proficiency (See "English Language Proficiency Measure" chart.) and all other departmental requirements (www.unt.edu/departmentscontactinfo.htm).

2. Conditional UNT Admission

- a. UNT Undergraduate and Intensive English Language Institute (IELI).
- b. UNT Graduate and Intensive English Language Institute (IELI).
- c. UNT Graduate and Graduate Preparation Course. Students must show English language proficiency to be admitted.

3. English Language Study Only

UNT's Intensive English Language Institute (IELI).

Texas Success Initiative Requirement and Remediation for Non-native English Speakers

The Texas Success Initiative (TSI) is a state statute requiring all undergraduate students – including international students, permanent residents, and/or citizens – entering a Texas public institution of higher education to demonstrate readiness for college-level reading, writing and mathematics before enrolling in college-level course work. Students may demonstrate college readiness by achieving the statutory threshold(s) on the state-approved readiness assessments, unless they are exempt (see the Academics section of this catalog for exemption information). Students must satisfy all TSI requirements before receiving a baccalaureate degree.

UNT accepts scores on the ACCUPLACER, ASSET, COMPASS or THEA tests for assessment purposes. These state-approved tests measure college-level readiness in reading, mathematics and writing. Minimum score thresholds required to demonstrate college readiness in each subject are as follows:

International Student Admission Requirements

All students who are not U.S. citizens or U.S. permanent residents are considered international students at the University of North Texas and must meet the following admission requirements, plus all additional departmental requirements.

Students must provide to UNT an International Student Statement of Finances showing the required financial resources before UNT can send the student an I-20 or DS2019 to use to apply for an F-1 or J-1 visa. Information is available at www.international.unt.edu/admissions.

Classification	Prerequisites	Official Transcripts	Entrance and/or Language Proficiency Exams
Intensive English Language Institute			
IELI student	Graduation from high school recognized by the home country ministry of education	Copy of diploma/certificate	Placement test at IELI to determine current English language proficiency
Freshman / First-Year Students			
Beginning freshman from an international high school	Graduation from a high school recognized by the home country ministry of education	Official transcripts in native language and English showing all courses and marks of final three years of secondary school, plus graduation date	Show English language proficiency. For a complete list of ways to demonstrate proficiency, see "English Language Proficiency Measure" chart or www.international.unt.edu/offices/admissions/how-to-apply/general/english
Beginning freshman from a U.S. high school	Minimum of three years and graduation from an accredited high school in the U.S.	Official transcripts, showing rank in class through at least junior year	U.S. graduate only: Send SAT or ACT scores
Transfer Students (Transfer credit may be audited with an increase/decrease in transferred credit.)			
Transfer freshman with fewer than 30 transferable college or university hours/credits	Graduation from an accredited high school; minimum college 2.5 GPA (4.0 system); must be eligible to return to last institution attended	Official transcripts (in native language and English) from high school and each college or university attended	Show English language proficiency (as above)
Transfer student with 30–44 transferable college or university hours/credits	Minimum 2.25 GPA (4.0 system); must be eligible to return to last institution attended	Official transcripts (in native language and English) from each college or university attended	Show English language proficiency (as above)
Transfer student with 45 or more transferable college or university hours/credits	Minimum 2.0 GPA (4.0 system); must be eligible to return to last institution attended	Official transcripts (in native language and English) from each college or university attended	Show English language proficiency (as above)
Former UNT student	If not in good academic standing when leaving UNT, must have earned a higher GPA in all schools subsequently attended; must be eligible to return to UNT	Official transcripts (in native language and English) from each college or university attended since leaving UNT; must be eligible to return to all institutions attended	Show English language proficiency (as above)
Graduate Student		Official transcripts (in native language and English) from each college/university attended	Show English language proficiency; GRE or GMAT requirements for most UNT graduate majors. Consult the department for detailed information on requirements.

	Reading	Math	Writing
ACCUPLACER	78	63	80 objective with 5 essay or 6 essay only
ASSET	41	38	40 objective with 5 essay or 6 essay only
COMPASS	81	39	59 objective with 5 essay or 6 essay only
THEA	230	230	220

Students shall participate in a developmental program for each semester of enrollment for those subjects where readiness has not been demonstrated. Students may demonstrate readiness by either passing the highest level of indicated developmental course work or by scoring above statutory thresholds on one of the approved tests.

The following procedures apply to TSI-related developmental course work.

1. All developmental education students must meet with an academic readiness advisor prior to registration.
2. Students must register for developmental course work each semester of enrollment until the developmental program is complete. Courses not successfully completed will be repeated.
3. Students must show readiness for college-level writing before registering for college-level courses in English.
4. Regular attendance is required in all developmental courses. Instructors will monitor course attendance, and advisors will follow up on absences.

Adult Admission Program

Freshman applicants who have been out of high school for at least five years and who have earned fewer than 30 semester hours at a college or university may be eligible for admission to UNT under the Adult Admission Program.

Individuals eligible for this program may be accepted without the required SAT or ACT test scores only if evidence provided to the admissions office staff suggests the potential of academic success for the individual.

Applicants under the Adult Admission Program must submit

- an application for admission, which can be completed online at www.applytexas.org;

- a non-refundable \$60 application fee;
- a copy of all high school transcripts;
- official transcripts of any previous college/university work (students who are transferring fewer than 30 hours from another college/university also must have a minimum 2.5 grade point average [4.0 grading system] and be eligible to return to any institution attended);
- a written personal statement concerning your academic preparedness for university-level study, your intended major and career goals, and any other information you feel is pertinent to the individual review of your application; and
- the Adult Admission Program Request Form.

A personal interview with the prospective student may also be required at the discretion of the reviewer (see “Admission by Individual Review for Freshmen or Transfer Students”). The purpose of the interview is to allow the committee to gain additional information relevant to the admission decision.

Students who are admitted under the provisions of the Adult Admission Program are subject to all other academic and programmatic requirements of the university.

Persons interested in the Adult Admission Program are encouraged to contact the Office of Admissions for further information or to request adult admission consideration.

Admission or Re-enrollment as Related to Personal Conduct and Admission Falsification

It is the responsibility of the Director of Admissions to refer to the Center for Student Rights and Responsibilities any application for admission or re-enrollment that indicates possible ineligibility of the applicant on grounds involving personal conduct or admission falsification. The potential of the applicant to benefit from university attendance, as well as the welfare and safety of the student body and of the university, will be carefully considered before permission to enroll will be granted.

Orientation

All accepted undergraduate students new to UNT are required to attend an orientation for academic advisement prior to registration for classes.

New freshman students entering in the fall term/semester are invited to attend one of the New Student Orientation sessions where they receive individual attention and assistance with class scheduling. These sessions are conducted during June, July and August. Orientation includes campus life sessions, an activities mart, placement testing,

academic advising, early registration (web registration) for classes and completion of the tuition and fee payment process. Generally, nine two-day sessions are planned for new freshmen. A fee is charged for room, meals and administrative costs. Transfer students have a couple of options. They can choose to attend one of at least eight one-day Summer Orientation sessions or Transfer Experience (a longer two-day new student session for students transferring with 30 or fewer hours). Each session focuses on registering for classes, meeting with an advisor and learning about campus resources.

Orientations are also held each January and during the summer. These sessions are for students starting classes in the spring and summer terms/semesters.

All new undergraduate students receive orientation information following acceptance notification.

Questions regarding Orientation should be directed to the Office of New Student Programs at 940-565-4198 in the University Union, Suite 319 or visit www.unt.edu/orientation.

New international students are required to attend an orientation conducted by the International Welcome Center.

Advanced Placement and Credit by Examination

UNT awards undergraduate college credit on the basis of local and national examinations, subject to general limitations. This also includes military service credit and classroom instruction offered through the non-academic institutions approved by the American Council on Education. Such credit is not included in determining grade point averages and has the following additional restrictions:

1. may not be used to reduce the general degree requirement of completing a minimum of 30 semester hours in residence on the UNT campus;

2. may not be used to reduce the general degree requirement of completing at least 24 semester hours of advanced work at UNT;

3. may not be used to reduce the general degree requirement of completing at least 12 advanced hours in the major at UNT;

4. may not be earned in any course the student has previously completed at any university; and

5. may not be earned in any course prerequisite to another course in the same subject for which the student has previously earned credit.

UNT recognizes exam credit in transfer from other accredited institutions within the limits outlined above. Scores from exam credits accepted in transfer are not re-evaluated by UNT. Credit by examination cannot be substituted for any grade, including an F earned for a course in high school, at UNT or at another college or university. The credit earned through examination will not be included in the grade point average at UNT, but it will be included in accepted semester credit hours and on the UNT transcript.

Credit and advanced placement may be granted only in accordance with policy and procedures in operation at UNT. Departments that honor the CLEP Subject Examinations, the College Board Advanced Placement Examinations or other instruments for granting advanced placement set departmental standards for their use.

Advanced Placement (AP) Examinations

Students who have received college-level training in secondary school and who present applicable scores on the appropriate Advanced Placement Examination will be granted, on request, placement and credit for comparable courses at the university following enrollment.

Visit www.unt.edu/pais/insert/ucebr.htm for updated information.

The College Board Advanced Placement Examinations are offered in May each year and are administered by The College Board in most school districts. Students typically complete an AP course offered by their high school before taking an AP examination in that subject. However, in consideration of homeschooled students and students whose schools do not offer AP courses, The College Board does not require a student to complete an AP course before taking an AP examination. All requests for information should be directed to the Advanced Placement Program of The College Board, P.O. Box 6671, Princeton, NJ, 08541-6671.

AP Credit Evaluation and Notification

Entering freshmen who took the Advanced Placement (AP) Exam for credit (and who designated that their scores be sent to the University of North Texas, code 6481) will receive an evaluation of their scores at Freshman Orientation during the summer, if scores have been received and qualify for credit. Students who do not receive their AP evaluations at that time should check with the Office of Admissions prior to receiving academic advisement to confirm that their AP results have been received.

Former, continuing and transfer students who wish to have their AP test results applied to their UNT transcript must initiate this process through the Office of Admissions during their first term/semester enrolled at UNT. (**Note:** students who fail to initiate the process during their first term/semester at UNT may still be eligible to receive credit, but may be subject to the standards in place at the time of initiation, rather than those that were current when the test was taken.)

College-Level Examination Program (CLEP)

UNT recognizes credit earned through College-Level Examinations of the College Board only if the credit is first certified by the Office of Admissions.

The dean of the student's college or school at UNT has the option of applying CLEP credit to the student's degree audit.

CLEP General Examinations

UNT does not grant credit on the basis of College Board CLEP General Examination scores.

CLEP Subject Examinations

Credit is certified but not necessarily applied to a degree if the student scores at or above the average scores of those students in the national norms sample who earned a C in regular college courses on the subject.

Effective July 1, 2001, CLEP began using a new "common recommended credit-granting score" for all CLEP exams. UNT recognizes CLEP credit recommendations as posted on the official student score report.

Use of CLEP Credit

A student may not earn examination credit for any course failed. All general regulations for credit by examination apply to CLEP credit.

CLEP Subject Examination	Maximum Semester Credit Hours
Languages	
College French, (two to four semesters, depending on score)	8–14 hours
College German, (two to four semesters, depending on score)	8–14 hours

Principles of Microeconomics	3 hours
Western Civilization I	3 hours
Western Civilization II	3 hours

SAT Subject Tests

UNT does not grant college credit on the basis of The College Board SAT Subject Test scores.

Educational Experience in the Armed Services

Credit may be given for formal service school courses completed in the armed services after evaluation of official documents by the Office of Admissions. The student's academic dean decides if credit awarded for such courses will be applied toward requirements for the bachelor's degree.

International Baccalaureate (IB)

UNT awards a minimum of 24 semester hours of credit to students who have completed the International Baccalaureate Program and have received the International Baccalaureate Diploma. Students must earn a minimum score of 4 on tests that count toward the diploma. The admissions office will certify the examination credit based on the qualifying scores.

A student who has completed a high school International Baccalaureate Program but has not earned the diploma and who has scored 5, 6 or 7 on the higher level IB examination will receive college credit at UNT. Credit is awarded as listed in the chart below.

Note: The minimum score requirements for awarding credit based upon International Baccalaureate examinations is under review and subject to change.

The IB institution code for UNT is 01800. Students should use this code when requesting to have IB scores sent to the UNT undergraduate admissions office.
