## Faculty

Clower, McKee

## Programs of Study

The institute offers a graduate program in the following area:

- Master of Science with a major in applied economics.

## Interdisciplinary Minor in Alternative Dispute Resolution

A minor in alternative dispute resolution requires a total of 21 hours, including 9 advanced, and consists of AECO 4000, AECO 4120, AECO 4420 and COMM 3320, plus three courses from the following list chosen in consultation with an undergraduate advisor in the Institute of Applied Economics and representing at least two different academic departments: AECO 4010, AECO 4020, AECO 4030, AECO 4040, AECO 4450, BLAW 3430, CJUS 3210, MGMT 3870 or PSYC 3640.

## Graduate Degrees

The Institute of Applied Economics offers a professional program leading to a Master of Science with a major in applied economics.

Faculty from the institute also participate in a program leading to a Master of Science with a major in interdisciplinary studies administered by the School of Graduate Studies.

The goal of these degree programs is to prepare recent graduates and practitioners for careers in business and industry, government, and the non-profit sector. Interested students should contact the institute for a list of current course offerings.

The institute is affiliated closely with the University Center for Economic Development and Research, which provides economic and public policy research and consulting services to organizations in the private, nonprofit and public sectors. Projects conducted by the center offer students of the Institute of Applied Economics both professional development and career opportunities.

## Courses of Instruction

All Courses of Instruction are located in one section at the back of this catalog.

## Course and Subject Guide

The "Course and Subject Guide," found in the Courses of Instruction section of this book, serves as a table of contents and provides quick access to subject areas and prefixes.
