***	Students planning to teach in elementary or middle schools must major in interdisciplinary studies in the College of Education. Students planning to teach in secondary schools must earn a major and a degree in the academic discipline in which they plan to teach, and take a minor in secondary education to qualify for a teaching certificate.

****	<p>The university offers preprofessional programs to meet requirements of selected professional schools of medicine, dentistry, nursing, engineering and other fields. The Preprofessional Advisory Committee assists all premedical and pre-dental students with major and minor selection, courses that meet preprofessional requirements, and applications and recommendations to professional schools. (Contact the Office of Student Advising, College of Arts and Sciences.) Students interested in chiropractic, dental hygiene, nursing, pharmacy, podiatry, optometry and all allied health fields (including physical therapy, physician's assistant, occupational therapy and veterinary medicine), should work closely with the health professions counselor in the College of Arts and Sciences to determine the courses suggested for admission to each program. Students wishing to pursue post-baccalaureate work in seminaries or divinity schools should consult with the chair of the Department of Philosophy and Religion Studies.</p> <p>Although the university does not offer a preprofessional program in law, students may consult with the pre-law advisor in the Department of Political Science.</p>
*****	Program not currently accepting students.
+	Offered only at the Texas Utilities Electric facility at Comanche Peak.
++	Certificate is issued by the State Board for Educator Certification and is available at undergraduate and post-baccalaureate levels.

#	Licensure is through the State Committee of Examiners for Speech-Language Pathology and Audiology.
##	Licensure is through the Texas State Board of Examiners of Psychologists.
###	BSW, Social Work — graduates of the program are eligible to take the examination for licensure as a social worker (LSW) by the State of Texas.
•	Degrees awarded simultaneously.
••	Special Certificate Program.
•••	MS, Rehabilitation Services, Rehabilitation Counseling — carefully selected course work in the rehabilitation counseling concentration prepares graduates of the program to sit for one or more of the following licensures/certifications: CRC, LPC, LCDC.
••••	BS, Rehabilitation Studies — carefully selected course work and supervised field experiences prepare graduates of the program to be eligible to apply for the following certifications: LCDC, LSWA, CVE.
•••••	Certificate provides a basic foundation for becoming a licensed Chemical Dependency Counselor (for majors entitled to a waiver of educational requirements under 150.109- see www.dshs.state.tx.us/sa and navigate to "Licensure" and then to "LCDC Handbook") or contribute to skills applicable in any human service field. Required courses: RHAB 3050, RHAB 4125, RHAB 4050 and RHAB 4150.
••••••	Certificate allows students to pursue their own interests in substance abuse and treatment. It allows the flexibility to study any area of alcohol and drug abuse for personal or professional application other than counselor licensure. RHAB 3050 is required as a foundation course. Students can then choose any other three addictions courses to complete the certificate (RHAB 3250, RHAB 4050, RHAB 4125, RHAB 4150, RHAB 4250, RHAB 4350 and RHAB 4450).
