

Credit for Required Courses

Completion of 12 semester hours of upper division ROTC courses can be substituted for PSCI 1050 with prior written approval from the student's major department.

Leadership Laboratory

A required corresponding level leadership laboratory is taken an average of two hours per week throughout the student's enrollment in AROTC. Instruction is conducted within the framework of an organized cadet corps with a progression of experiences designed to develop each student's leadership potential.

Leadership laboratory involves a study of Army customs and courtesies, tactics and techniques, drill and ceremonies, career opportunities in the Army, and the life and work of an Army junior officer. Students develop their leadership potential in a practical, supervised laboratory, which typically includes scenario-driven activities.

Army ROTC Physical Training (PT) Program

This required program includes two mandatory one-hour PT sessions each week. PT involves enhancing the fitness level of cadets and prepares them to meet AROTC and Army standards. The program is designed to motivate cadets to pursue a physically fit and active lifestyle and to improve both safety and efficiency of physical training within AROTC. Cadets must meet physical fitness requirements in order to be commissioned.

Special Consideration to Veterans

Students with at least six months of active military service may be granted waivers on a portion of the Basic Course. For information, consult the Military Science office.

Minor in Military Science

To be eligible for a minor in military science, the student must meet the following requirements.

1. Be enrolled in the University of North Texas ROTC program (see above).
2. Have military science accepted as a minor by the student's major degree department.
3. Successfully complete, with a grade of B or better, four of the following classes: MILS 3341, 3342, 4341, 4342 or 4391.
4. Successfully complete 6 additional military science hours with a grade of B or better (MILS 1180 can be repeated for credit to meet this requirement).

5. Successfully complete the Army's Leader Development and Assessment course offered annually in the summer.

6. Meet all U.S. Army prerequisites to earn a commission as an Army officer upon graduation.

Uniforms

Uniforms and textbooks for Army ROTC courses are issued at no cost to cadets.

Scholarship Programs

Scholarships, available to qualified students in the four-year, three-year and two-year programs, provide full tuition, fees, a textbook allowance (\$1,200) and a tax-free subsistence allowance between \$350 and \$500 per month. Competition is based on SAT or ACT results, high school or college academic record, and extracurricular and athletic activities. For information, contact the Military Science office.

Introduction

University Courses are interdisciplinary and may be counted as elective hours by all eligible UNT students. On recommendation of the department concerned, they may be counted toward a major or minor.
