If you have questions regarding rooms or reservations please contact the [Room Scheduling office](#). A/V questions may be directed to the [Classroom and Event Technology Support \(CETS\) office](#). Library Computer Lab questions may be directed to CETS by sending an email to the [Library Computer Lab Scheduling office](#).

Announcements

Welcome to the new Event Management System! Complete instructions to use the new system can be found here.

Now scheduling classes for Fall 2013 Training is mandatory. See announcements in the Daily News for training opportunities.

Browse

Navigate the event request process by clicking on **Browse** above and use one of the following:

- Browse Events** - Displays Calendar of Events on Campus
- Browse Facilities** - Displays all rooms including types and capacity. To see room details, including photos, click on the room link
- Browse for Space** - Displays availability of room space

Schedule An Event

To schedule an event click on **Reservations** above, after logging in, and select one of the following.

- Room Requests** - Use to request auditoriums, meeting rooms, outdoor spaces, etc.
- Library Computer Lab Requests** - Use to request usage of the computer labs in the Lewis Library
- Mini Auditorium Room Requests** - Use to request usage of the Mini Auditorium (LIB-110)
- Small Group Room Requests** - For student use. (Faculty/Staff can request using *Room Requests*)
- Rare Books Room (LIB 312) Requests** - VIP and Faculty meetings only
