“Insider’s Guide for Individual Investigators Seeking Funding from NSF”

DATE: Thursday, October 16, 2008

TIME: 3:00pm-5:00pm

LOCATION: Marquis Hall 118

Session will provide an overview of NSF directorates and offices, offer strategies for seeking and obtaining funding at the individual investigator level, and illustrate the NSF review process. The sessions will be led by former NSF program officers and awardees. The seminar is ideal for both new and established investigators seeking funding from NSF.

Presenters:

Richard Nader, Ph.D., Director for Research Development (II) UNT, former NSF Program Director in the Office of International Science and Engineering (OISE) (2005-2008), PI on 3 NSF awards in Informal Science Education, International REU (Research Experiences for Undergraduates)

Ione Hunt von Herbing, Ph.D., Associate Professor of Biology UNT, former NSF Program Director in the Division of Integrated and Organismal Systems Biology (2003-2006), and served as PI on several projects funded from Polar Programs (GEO) and BIO over the past ten years.

Krishna Kavi, Ph.D., Chair, Computer Science and Engineering, UNT. Former NSF Program Director in the Computer and Information Science (CISE) directorate Computer and Computing Foundations (CCF) (1993-1995). PI or Co-PI on 10 NSF awards primarily from CISE, OISE Infrastructure for centers, Industry-University Cooperative Research Centers and REU.
