College of Education

August 2017

From the Director

Dear CDL Families,

For those families and children who are returning to the program, you know that it was an eventful summer for all of us. We had many enjoyable splash days, painted, played with friends, read, wrote and listened to stories, cooked and conducted experiments, and solved problems with our classmates. For those of you who are new, we can't wait to know you better.

Next Monday begins a new school year and we are ready! We will be opening an additional classroom, and a fourth room will be ready by the end of the fall semester. Now that we are settled into our new location, plans are underway for a nature playground on the north side of the building. This will provide children with experiences that will extend their knowledge and enjoyment of the natural environment.

We are continually surprised at how fast children grow and change, how well they increase in their ability to share, their capacity for humor, and the compassion they can show to others. We wish you all the very best in the academic year that is upon us.

Best wishes from all of us at the CDL.

LOOKING AHEAD

Open House: Thursday, Aug. 24, 2 to 4 p.m.

First day of Fall Semester: Monday,
Aug. 28th

Payment Schedule

Second Payment for Fall '17 due:
September 1st

Welcome, Mrs. Weidner!

The three and four-year-old classroom has a new teacher, Mrs. Karen Weidner.

Mrs. Weidner has a degree in Early Childhood Education from UNT and over 20 years of experience teaching preschool. She directed an early childhood program in the Denton area, and is also a certified Reading Instruction Specialist. She has two children, a cat, dog, and two horses. She enjoys crafting, crocheting, and hand-embroidery.
