## UNT Child Development Laboratory

University of North Texas

College of Education

March 2017

### From the Director: Still Moving!

While the Child Development Laboratory officially moved to our new location on January 17<sup>th</sup>, we are still in the process of working on finishing touches. Our new address is Building B, 1508 South Bonnie Brae Street, and our hours of operation (7:45am - 5:10pm) have remained the same.

Our next goal is to complete the 2 remaining classrooms and increase our staff and child population, hopefully by the beginning of Summer 1, which is June 5<sup>th</sup>. If this isn't possible, then additional classrooms will be opened on August 28<sup>th</sup>, the beginning of the fall semester. At capacity, we will enroll 36 3 year olds and 36 4 year olds.

The enrollment form for the summer and fall semesters is attached. Be sure to let us know if you have any questions.

### LOOKING AHEAD

**April 10-21** Parent-Teacher Conferences

**April 14** Family Picnic

**May 12** Last Day of Semester

**June 5** First Day of Summer 1

### Payment Schedule

**May 1** Deposit for the next term your child will attend (summer or fall)

**June 5** Remaining Summer 1 Balance

### Jefferson's Grandmother Is Our Hero!

Mrs. Moreno recently quilted 78 "sit-upons" for the CDL children to use during quiet time activities. We are all very grateful for her devotion to our program and appreciate the time and effort she put into this endeavor.
