Term/Year You Expect to Enter UNT: Fall _____ Spring _____ Summer _____ Maymester _____

FERPA Statement:

Under Federal legislation, namely the Family Educational Rights and Privacy Act (FERPA) of 1974, I understand that my educational records cannot be released without my written permission. I authorize the release of my academic records from Collin College to UNT, and the release of my academic records from the UNT to Collin College, in order to share student data information between the two institutions without the violation of FERPA. I understand that I do have the right to rescind this release agreement of my academic records, once a UNT student.

Collin County Community College (Collin College) students who meet the University of North Texas (UNT) admissions requirements upon completion of studies at Collin College or who complete the [Name of the Associate] degree at Collin College with at least 45 transferrable hours and a 2.00 grade point average will receive automatic admission to UNT. Students should apply for the *Eagle Bound Program* within the first year of enrollment at Collin College. **This form needs to be completed and signed by the appropriate Collin College official & student, prior to submitting to UNT.**

In order to enroll in classes at UNT, the student must complete and submit (by UNT's admission deadline) the TRANSFER Texas Common Application (www.applytexas.org) and submit all official academic credentials required for admission, to UNT.

Students transferring directly from Collin College to UNT shall have the same choice of catalog designating degree requirements as they would have had if the date of attendance at the university had been the same as the dates of attendance at the community college. All requirements of the chosen catalog must be met within eight years of that catalog's publication.

I agree that my student records may be shared between UNT and COLLIN COLLEGE to facilitate the administration of this program.

STUDENT SIGNATURE: _____ **DATE:** _____

Collin College Confirmation
