SECTION 1: INTRODUCTION

1.1 UNTS System Description

The University of North Texas System (UNTS) is a University system that is composed of the University of North Texas in Denton (UNT), the University of North Texas Health Science Center (UNTHSC) in Fort Worth and the University of North Texas at Dallas (UNTD). The UNT System Administration is based in downtown Dallas. The three independent universities of the UNT System have combined enrollment of just over 42,000 students across five major teaching locations, including each main campus as well as Frisco and downtown Dallas. Proposals submitted in response to this RFP shall be for goods and/or services provided to UNTS, UNT, UNTHSC and/or UNTD, as agreed to in writing by the parties.

1.2 Background

UNTS is seeking proposals for Student Athlete Books & Incidentals (NIGP commodity code 715-88)

Textbooks are required for the student athlete success. The Athletic Department is looking for a local bookstore where student athletes and the Athletic Department can purchase books and necessary items for the student athlete success.

1.3 Group Purchase Authority

Texas law authorizes institutions of higher education to use the group purchasing procurement method (ref. Sections 51.9335, 73.115, and 74.008, Education Code). Additional Texas institutions of higher education may therefore elect to enter into a contract with the successful Proposer(s) under this Section. Should another institution exercise this option the resulting contract and obligations shall be between that institution and the vendor with UNTS incurring no obligation as a result thereof.

SECTION 2: NOTICE TO PROPOSER
