UNIVERSITY AND COLLEGE OF VISUAL ARTS AND DESIGN DEGREE PLAN/AUDIT POLICIES

Catalog Year – Students may meet graduation requirements of the catalog in effect at the time of their first enrollment at UNT, provided it has not expired, or the requirements in any later catalog year that they are enrolled prior to their graduation.

Expiration Date – All requirements of a chosen catalog must be met by the date published in that catalog. Catalogs beginning with the 1996-1997 catalog year will expire eight years from the date of publication.

Transfer Students coming directly to UNT from a Texas public community college may choose the UNT catalog in effect when they initially enrolled at the community college, provided it has not expired, or any subsequent catalog year that they are enrolled at either school.

Transfer students from senior institutions or out-of-state community colleges will use the catalog in effect at their date of enrollment at UNT.

Application of Transfer Work in Art toward Degree Requirements – The application of art courses from other schools toward UNT degrees is determined by a faculty advisor in the student’s major. Students may be asked to show a portfolio to ascertain proper use of transferred art courses toward UNT degree requirements. Transfer transcripts must be evaluated by the UNT registrar prior to applying for use of those courses on a degree plan.

Academic Standards – A 2.5 grade point average must be maintained in all art courses; only grades of C (2.0) or better in art courses will count toward degree requirements; teacher certification program for visual arts studies majors requires a 2.75 cumulative GPA on all UNT and transfer work..

Required Art from UNT – 36 hours of art (including 12 advanced hours) must be completed at UNT.

Advanced hours – The University requires 42 advanced hours (including 24 from UNT) for graduation. If transfer work carries advanced level (determined by the numbering system employed by the school where the student completed the work), it will be considered advanced by UNT.
