Welcome to UNT

- Welcome from Dr. Smatresk, President of UNT
- About UNT
- About College Life at UNT
- About Advising at UNT

UNIVERSITY OF NORTH TEXAS®

Dear Students,

Welcome to UNT! College offers you the experience of a lifetime, and I know you'll thrive at UNT thanks to a plethora of opportunities and our caring and creative environment. Offering the best education in Texas, UNT is a university on the rise and a surefire way to connect you to your dreams. We have a breadth of academic programs to choose from, 68 of which are ranked in the nation's Top 100. Our ranking among the nation's 115 Tier One research universities, according to the Carnegie Classification, also adds prestige to your degree.

College is where you define yourself and gain skills for success. We want you to be prepared for a lifetime of achievement. We're here to support you so that you are successful on your path to graduation. We have outstanding faculty and staff, a great support network and career-focused resources to help you stay on track and succeed. In fact, we have a one-stop site at success.unt.edu with tips and easy-to-access resources. This is just one of the ways UNT is making sure you have the support and opportunities you need.

As a new Eagle, I hope you've taken advantage of the Eagle Express Tuition Plan, which saves you money — up to \$3,000 if you graduate in four years. You can learn more at eagleexpress.unt.edu.

The sky's the limit when it comes to your education, and we want you to engage in the limitless opportunities in and out of the classroom. From cheering on the Mean Green athletic teams to attending performances, lectures and community events, you will have plenty of opportunities to enjoy student life on one of the most beautiful college campuses in Texas.

You also can stay connected to UNT and each other through social media. "Like" the University of North Texas Facebook page to be a part of our social network. Follow me on Twitter @UNTPrez and the university community @UNTSocial to be part of the conversation. Use the #UNT and #UNT22 hashtags to connect with others in your class — and be sure to tell your friends!

We also have a student-focused mobile app available on iTunes or Google Play. The app allows you to access course information including grade notifications, view holds, track your bus, read UNT news and access the calendar. Soon, you can register for classes and pay tuition. Learn more about the mobile app at mobile.unt.edu.

We're thrilled you've joined the UNT family and are excited to watch your future unfold. Come visit me and say hello — we can even take a selfie if you like! We're here to ensure you receive every opportunity you need to succeed.

UNT proud,

Neal Smatresk
UNT President

About UNT

Facts/Spirit/Traditions

- The “Mean Green” phrase originated from Sidney Gram, wife of the Eagles’ sports information director in 1966.
- The UNT Spirit Bell was brought to Denton from Michigan in 1891. It was originally used to signal class changes and evening curfew.
- Unique to the University of North Texas, the official class ring displays the eagle mascot, university seal, and McConnell Tower.
- Although our eagle mascot has had many name changes, the original eagle mascot was named “Scrappy”.
- The Marching Band provided the university with the first human eagle mascot costume in 1963 named Mr. Eagle.
- The eagle hand sign, or eagle claw, is our university sign of pride & unity.
- Friday is known as Pride Day, where UNT students, staff, and faculty wear green to show their university pride.

UNT Fight Song

Let’s give a cheer for U of NT;
Cheer for the Green and White.
Victory’s in store whatever the score,
Our team will ever fight!
Fight! Fight! Fight!
Shoulder to shoulder we march along,
Striving for victory.
Playing the game for the honor and fame,
And the glory of UNT.
U...N...T...Eagles!
UNT Eagles Fight, Fight, Fight!

UNT Alma Mater

AKA - “Singing Glory to the Green and White”

Singing glory to the green,
singing glory to the white,
For we know our university
is striving for the right;
Down the corridors of years,
we’ll forget the joys and tears,
But North Texas,
North Texas,
we love!

About College Life at UNT

Welcome to the first few days of your UNT college experience!

Advice from your Orientation Team:

Set out some time each day to look over your notes, even if its thirty minutes a day.

– Marcel
Economics & Political Science

College is hard, it's tough, and sometimes frustrating. But the struggle is worth it. Find some good friends, find some stress-relief hobbies, and buckle in for an amazing journey through UNT.

– Stephon
Integrative Studies

New, exciting adventures are waiting for you. Jump out of your box, walk a different path and buckle up for the ride!

– Eleonor
Human Resources

It is VERY easy to become distracted while in college, but don't forget the reason that you're here and that is to get an education and obtain that college degree.

– Nekiya
Converged Broadcast
Media

Know how to prioritize your time. Get involved, but don't forget the main reason you're here.

– Xavier
Marketing

Know your resources. UNT has so many offices on campus that help you throughout your college carrier. Get to know them and USE them!

– Matt
Aviation Logistics

Use your resources. There are so many resources that UNT has to offer from the learning center, to SI sessions, and math labs. They're available to help you succeed so take advantage of them.
#caw #gmg

– Grecia
Theatre

If you're ever struggling in a class don't be afraid to go directly to your professor. Study and get good grades, but don't forget to live your college experience!

– Janeth
Speech Language and
Pathology

Going to class may not always be mandatory, but it is the difference between A's and B's. Go. To. Class. And pay attention, there is always time to take a nap later.

– Rachel
Communication Design

Find the thing that drives you, the thing that you're passionate about, and do that. You're more motivated to do the things you're passionate about doing.

– Sarah
Integrative Studies

If you want to succeed make sure to see your advisor regularly. They are there to help you. My advisor keeps me on track and gives me great advice.

– Roni
Emergency Management &
Disaster Science

Go to time management workshops and get a planner. It is hard to keep up with your grades, social life, and organizations without good time management.

– Mau
Real Estate

About College Life at UNT

Quiz 1

Below is a list of common college terms that will help you be successful here at UNT.

Terms:

- _____ 1. Enrollment at UNT and another institution in the same semester. Requires preapproval from your Academic Advisor.
- _____ 2. The number of hours each week you are expected to attend each specific class.
- _____ 3. The minimum requirements to maintain financial aid eligibility includes: UNT cumulative GPA and Pace of Progression.
- _____ 4. An online resource that includes university policies, majors/minors available & course descriptions including any pre-requisites.
- _____ 5. The date when a student's enrollment is considered official. At UNT, you can drop a class online before this date without instructor approval and no grade will be assigned.
- _____ 6. A way the university identifies you based upon the number of completed credit hours (freshman, sophomore, junior, senior).
- _____ 7. A document that shows you all requirements necessary for your degree.
- _____ 8. Junior or senior courses, numbered 3000 or 4000 level. Many degrees require at least 42 of these.
- _____ 9. An academic document that communicates course information and defines expectations and responsibilities.
- _____ 10. A designated time in which the professor is available to speak individually with students.
- _____ 11. A small, blank pamphlet containing several sheets of notebook paper used for exams that typically include one or more essays or short-answer questions.
- _____ 12. A student proficient in a course who facilitates effective group study sessions through the Learning Center.
- _____ 13. An 8 digit number or user code comprised of your initials and four numbers you will use for identification at UNT.
- _____ 14. The official UNT email system for students. Your UNT email address is your first and last name@my.unt.edu.
- _____ 15. A graduate student who serves under an instructor to provide general assistance to the instructional process, such as grading, tutoring, etc. A graduate student that teaches courses for credit under the direct supervision of a faculty member or chair.

- | | | |
|--------------------------|-------------------|---|
| A. Syllabus | F. Classification | K. Concurrent enrollment |
| B. TA/TF | G. Catalog | L. SI Leader |
| C. Greenbook or Bluebook | H. Office hours | M. Census Date |
| D. ID Number / EUID | I. Credit hour | N. Satisfactory Academic Progress (SAP) |

Answers: 1.K, 2.L, 3.N, 4.G, 5.M, 6.F, 7.O, 8.J, 9.A, 10.H, 11.C, 12.L, 13.D, 14.E, 15.B

About College Life at UNT

Quiz 2

Below is a list of common college terms that will help you be successful here at UNT.

Terms:

- _____ 1. To enroll in more than 19 hours during a semester. This requires advisor approval.
- _____ 2. A four digit number following the class prefix. The first number indicates whether the class is considered lower level or advanced.
- _____ 3. A course that uses both physical classroom and online instruction.
- _____ 4. Adding courses for next semester. The process includes choosing classes, removing holds and enrolling in courses on my.unt.edu.
- _____ 5. Number (in parenthesis) that appears along with the class prefix and course number on the schedule of classes. It is used to identify a specific section of the course to aid in registration.
- _____ 6. Access from a department offering a course to ensure all requirements have been met prior to course enrollment.
- _____ 7. This is applied to your account and may hinder your ability to register. (i.e. library fines, advising holds, or the student financial obligation hold)
- _____ 8. When you choose to remove yourself from all of your classes. Requires permission from the Dean of Students office.
- _____ 9. A class session required by some classes used to cover coursework and answer questions.
- _____ 10. This grade may be given when a student drops a course or withdraws from the university after the census date.
- _____ 11. Secure, web-based course platform that supports course content delivery, collaboration and assessment.
- _____ 12. A feature that allows students to quickly and easily keep a list of classes that interest them.
- _____ 13. Available on the Registrar's website, this tentative list will help you prepare for the upcoming semester.
- _____ 14. A feature that allows students to place themselves on a list for a class section that is full and will be automatically enrolled once a seat opens according to their position number.

Answers:

- | | | |
|--|------------------------|---------------------------|

Answers: 1.K, 2.F, 3.H, 4.C, 5.G, 6.E, 7.D, 8.L, 9.J, 10.N, 11.A, 12.B, 13.I, 14.M

About Advising at UNT

Advising.unt.edu

Academic advising plays an important role in guiding you through your educational experience. The Advising @ UNT website provides an overview of services and resources to help support your academic success and professional development.

Your UNT Academic Advising website provides you a roadmap for academic and career success, which includes academic advising information, degree options, advising questions, and helpful resources at the University of North Texas.

We invite you to explore this website to learn more about advising and student support services offered at UNT.

Plan to meet with your advisor every semester.

Advising Responsibilities

Your academic advising office is the place to go for assistance in understanding and making connections between your personal goals and your educational career. Academic advising is a collaborative educational process in which you are an active participant. You and your advisor are partners in pursuing your academic success.

Advisors will partner and collaborate with you to guide you in:	Your Responsibilities:
Developing a plan to accomplish your educational goals.	Schedule regular appointments or make regular contacts with your advisor during each semester.
Utilizing campus resources including online resources and advising tools.	Become knowledgeable about college programs, policies, and procedures. Use the catalog and schedule of classes!
Understanding and applying knowledge about your degree requirements to allow you to graduate in an efficient and timely manner.	Clarify your personal values and goals, and provide your advisor with accurate information regarding your interests and abilities.
Understanding the importance of deadlines, policies, procedures and your responsibility in upholding them.	Come prepared to each appointment with questions or material for discussion. Ask questions if you do not understand an issue or have a specific concern.
Succeeding at UNT by showing up, finding support, getting advised, being prepared, getting involved, and being persistent.	Accept responsibility for your educational plan and decisions.
Accepting and embracing your responsibilities as engaged citizens of UNT and the world.	Use this Guidebook and on-line advising tools to track your academic progress.

Did you know that advisors are required to maintain confidentiality based on FERPA? (<http://essc.unt.edu/registrar/ferpa.html>)

Specialized Advising

Health Professions Career Advising

Hickory Hall 256
Todd.Lang@unt.edu
Debrah.Beck@unt.edu
Mardreana.Reed@unt.edu

Dentistry, Medicine, Optometry, Veterinary Medicine, Physician Assistant, Physical Therapy, Podiatry, Pharmacy, Occupational Therapy, and Chiropractic UNT offers most (if not all) of the prerequisites for admission to the professional schools listed above. Students interested in these professions should schedule an appointment with a counselor in the Office of Health Professions. These counselors will provide assistance with entrance requirements, the application process, interview preparation, and the required letters of recommendation.

Pre-Law Advising

Wooten Hall 153
(940) 565-4413
class.unt.edu/advising/pre-law
prelaw@unt.edu

Pre-law is not an academic major at UNT. There is no required major for those wanting to go on to law school; any major that emphasizes strong writing and reasoning skills will help you prepare for law school. The pre-law advisor is available to provide answers to questions about how to get into law school and what you can do now to prepare.

Teacher Education and Certification

Matthews Hall 105
(940) 565-2736
coe.unt.edu/sao

To become a certified teacher in Texas, students must meet state requirements, which include completion of an Educator Preparation Program, obtaining a bachelor's degree, and passing the state certification examinations. Students must be admitted to UNT's Teacher Education Program before enrolling in most education courses.

Texas Success Initiative

Sage Hall 170
(940) 369-7006
learningcenter.unt.edu/tsi
tsi@unt.edu

Students working toward completing the Texas Success Initiative (TSI) requirements must complete TSI advising in the Learning Center each semester prior to registration. The TSI Coordinator will provide assistance with questions regarding TSI requirements and developmental courses.

Section 2

Building Your UNT Degree

- Elements of a Bachelor's Degree
- UNT Awarded College Credit
- University Core Curriculum

Elements of a Bachelor's Degree

A bachelor's degree shows you have completed coursework and met the requirements of a specialized curriculum. Your degree is completed when you have met all of the requirements, taken the right courses in the correct sequence, earned enough semester credit hours and earned the appropriate grades. Navigating your way through college means learning the basics needed to understand and progress through your academic career.

- Minimum 120 credit hours*, depending on major
- 42 credit hours* of university core requirements
- College/School requirements
- Advanced hours, 3000-4000 level (varies by major)
- Major requirements
- Minor requirements (varies by major)
- Electives (varies by major)

Examples of Bachelor's degrees

- Bachelor of Arts (BA)
- Bachelor of Science (BS)
- Bachelor of Business Administration (BBA)
- Bachelor of Fine Arts (BFA)
- Bachelor of Applied Arts and Sciences (BAAS)
- Bachelor of Music (BM)
- Bachelor of Science in Engineering Technology (BSET)

Academic Classification

Your classification is based on the number of hours you have earned. Completion of minimum hours required for a degree does not guarantee completion of all degree requirements.

- Freshman 0-29 hours
- Sophomore 30-59 hours
- Junior 60-89 hours
- Senior 90 hours and above

*Credit hours

Every course you take is measured by units called credit hours. In most cases, credit hours represent the number of hours each week you are expected to attend each specific class. Courses may range from one to six credit hours.

Elements of a Bachelor's Degree

Transfer of Credits — How Will Previously-Earned Credit Transfer to UNT?

Transferability vs. Applicability

When you transfer credit to UNT, our Admissions office reviews all transcripts, AP, IB and CLEP scores and posts all earned credit, regardless of how (or if) it will be used to satisfy degree requirements. This review allows you, as the student, to know how many hours UNT has accepted. However, subtracting your earned hours from your required degree hours (typically 120) does not always equal the amount of hours left to complete your degree. Some of your credits may be applied to the core, while others may be pending review by the college/school of your chosen major. In this review, the college/school will look at all of the hours accepted by Admissions and will evaluate them specifically for the core and their individual degree programs. Your academic dean's advising office determines applicability of the credit to a degree program. For more information about military, vocational and technical credit, see your advisor.

NOTE: Information provided is subject to change without notice and does not constitute a contract between UNT and a student or applicant for admission. Transfer credit is subject to audit during a student's academic career at UNT. Total hours accepted may be increased or decreased to reflect correction of prior evaluation or consideration of additional transfer work to ensure compliance with UNT academic policies.

It is possible that credit hours transferred to UNT may not apply to degree plan requirements. In this case, transfer credits may be used as electives.

UNT Residency Requirements

- A major of at least 24 semester hours. At least 12 hours of advanced work (3000/4000 level) in the major must be earned at UNT (except for the BAAS degree).
- A minimum of 36 semester hours of advanced work (3000-4000 level), 24 of which must be completed at UNT. Many degrees at UNT require at least 42 advanced hours, see the college/school degree requirements of your major in the catalog for details. A lower-level course that, when transferred, is determined to be equivalent to a UNT upper-level course does not satisfy the requirement of advanced hours.
- Twenty-five percent of the university minimum of 120 semester hours (i.e., 30 hours) must be earned in residence.

Not to be confused with in-state vs. out-of-state tuition, UNT Residency Requirements refer to how many courses must be completed at UNT.

University Core Curriculum

The University Core Curriculum is designed to ensure that you graduate with not only the depth of knowledge you'll gain from courses in your major area of study, but also a breadth of knowledge which is gained through general education courses. Each of the core curriculum courses will assist you in developing important fundamental skills that will help you be successful in all of your classes and prepare you for life after college. These skills include critical thinking, communication skills, empirical and quantitative skills, teamwork, personal responsibility, and social responsibility. Through the Core, you will gain an enthusiasm for learning and an intellectual capacity that you will use throughout your life. Specific core classes will be covered on pages 17-22.

Transfer of Core Courses

Successful completion of a 42 semester-credit-hour common core curriculum at a Texas public institution of higher education allows you to transfer to UNT as "core complete." You will need to work with an academic advisor in the appropriate college/school academic advising office to determine if additional requirements will be necessary to satisfy the 42-hour UNT core. See the UNT transfer articulation web page at registrar.unt.edu/transfer-guides and the transfer course equivalency and degree planning guide tool, Transferology, at transferology.com for online resources.

Did you take dual credit courses in high school?

Most dual credit, AP and IB programs offer courses that can be used towards core requirements. Use the charts on the next few pages to determine how your credit will transfer to UNT. Find your courses under the appropriate columns and highlight or circle the UNT equivalent. Make sure you alert your advisor to the courses you completed. Please note that dual credit transcripts must be sent from the community college or university through which the class was offered.

Elements of a Bachelor's Degree

Texas Common Course Numbering System (TCCNS)

The Texas Common Course Numbering System (TCCNS) has been designed for the purpose of aiding you in the transfer of general academic courses between colleges and universities throughout Texas. The system ensures that if you take a course the receiving institution designates as common, then the course will be accepted in transfer and the credit will be treated as equivalent to the course offered by the receiving institution. The TCCNS chart (on pages 15-16) lists the courses that the associate deans at UNT have identified as common and their TCCNS equivalents.

College and School Requirements

You must satisfactorily complete all degree requirements specified by the college/school in which the degree is offered. In many instances, there may be college/school/department academic program requirements in addition to the university core requirements. Please see the individual college or school's advising office in order to determine these requirements.

Major Requirements

Within your degree, you will narrow your focus to a specific field of study, also known as a major. At least 24 semester hours in a given subject are required for a major, including 12 hours of advanced work. The number of hours required depends on the major you select.

Minors

- Minors are like "mini-majors" typically requiring you to complete 18 to 21 credit hours including a minimum of 6 advanced hours
- Some majors require a minor
- View the list of minors at UNT and the requirements for each in the online catalog (catalog.unt.edu) under "Majors, minors, certificates"

Undergraduate Academic Certificates

Certificates typically require you to complete 12-20 hours, the majority of which must be advanced. You can view the list of undergraduate academic certificates at UNT and the requirements for each in the catalog (catalog.unt.edu) under "Majors, minors, certificates."

Certificates may be used to:

- meet workforce needs
- provide you with life/career skills and knowledge
- allow for specialization in academic disciplines

Electives

- Electives are any credit hours necessary to reach the minimum number of total credit hours required for your degree after all other requirements have been satisfied.
- Advanced electives may be required in order to meet the university advanced credit hour requirement. UNT requires a minimum of 36 advanced hours in order to graduate. Many degrees at UNT require at least 42 advanced hours. See the college/school degree requirements of your major in the catalog for details.

Free Electives 1000-4000 level courses

Advanced Electives 3000-4000 level courses

Please visit with your advisor about minors, undergraduate academic certificates and electives. The situation will be different for every student.

You may have the option of taking electives Pass/No Pass. Please visit with your academic advisor about this opportunity.

UNT Awarded College Credit

Advanced Placement Use the chart below to determine which AP examinations are accepted at UNT. Please take note of the required score, hours granted, and the UNT course equivalent.

UNT Awarded College Credit

International Baccalaureate (IB)

UNT awards a minimum of 24 semester hours of credit if you completed the International Baccalaureate Program and have received the International Baccalaureate Diploma. You must earn a minimum score of 4 on tests that count toward the diploma. The admissions office will certify the examination credit based on the qualifying scores.

If you completed a high school International Baccalaureate Program but have not earned the diploma and scored 5, 6 or 7 on the higher level IB examination you will receive college credit at UNT. Credit is awarded as listed in the chart below.

Note: The minimum score requirements for awarding credit based upon International Baccalaureate examinations is under review and subject to change.

Subject area	IB Exam Score	Hours	UNT equivalent
Arabic – Language B	5 or higher	12	ARBC 1010, 1020, 2040, 2050

University Core Curriculum

Statement of Purpose

Through the Texas Core Curriculum, students will gain a foundation of knowledge of human cultures and the physical and natural world, develop principles of personal and social responsibility for living in a diverse world, and advance intellectual and practical skills that are essential for all learning.

Individual academic programs may require courses contained in parts of the University Core Curriculum (fulfilling both core and major requirements simultaneously). Check with your academic advisor for assistance in selecting core courses.

NOTE: The university core is still in progress and some courses, not listed, are awaiting approval to be included in the core. Some courses, though approved, may not be offered every semester.

Communication (English Composition and Rhetoric (2 Courses/6 Credit Hours)):

The first semester of English Composition teaches you how to write an essay. The second semester teaches you how to write a research paper, brochure or manual. **Grade of C or better is required for both courses.**

Composition I:

ENGL	1310	College Writing I
	1311	Honors Composition I
	1315	Writing About Literature I
LING	1312	Introduction to Academic Writing for International Students
TECM	1700	Introduction to Professional, Science and Technical Writing

Composition II:

ENGL	1320	College Writing II
	1321	Honors Composition II
	1325	Writing About Literature II
LING	1322	Introduction to Academic Writing for International Students
TECM	2700	Technical Writing

Interested in writing a manual? TECM 2700 will teach you how to create manuals and brochures. It is required by some majors.

Mathematics (1 Course/3–5 Credit Hours):

This is a college-level math course. Some majors require specific and/or additional mathematics courses; see your advisor for more information. Incoming freshman will be given a placement group number by the Department of Mathematics. A mathematics placement exam may be required or recommended in some cases. Your math level or placement is only valid for one school year. To determine which math class is right for you, see math chart on the following page. Please note: MATH 1100 (College Algebra) is not in the core.

Entry Level Courses (No Placement Level)	MATH 1180 College Math for Business, Economics and Related Fields 1580 Survey of Math with Applications 1680 Elementary Probability and Statistics DSCI 2710 Data Analysis with Spreadsheets
Placement Level 2	MATH 1190 Business Calculus * 1350 Mathematics for Elementary Education Majors I * 1650 Pre-Calculus (5 hrs) *
Placement Level 3	MATH 1710 Calculus I (4 hrs) *

^Courses listed in more than one core category may only apply toward one core requirement.

*Courses with an asterisk have pre-requisites or may be restricted to specific majors. See current undergraduate catalog for details.

Which UNT Math Class[†] is Right for Me? (Effective Summer/Fall 2018)

- Please consult your academic advisor to ensure you select a course which fulfills degree requirements for your intended major(s).
- Students who feel prepared to take a math course beyond their placement level are encouraged to take the math placement test.
- Math placement is valid for one school year.
- † This page only covers college-level courses. Students who are not TSI complete or who are unsure of their TSI status should consult the Learning Center, (940) 369-7006.

Entry Level Courses open to any student TSI complete in math

Journalism, Arts, Social Sciences, Humanities, Health and Public Service, Music, Merchandising and Digital Retailing, Hospitality, and Tourism, College of Information, College of Education (other than Interdisciplinary Studies)

These non-technical courses satisfy University core but do not meet prerequisites for higher-level math courses. Some majors & programs require or prefer Math 1680. Consult an advisor for help selecting between Math 1580 and Math 1680.

Math 1580
Survey of Math

Math 1680
Elementary Probability & Statistics

OR

Business, BA Economics and Interdisciplinary Studies EC—6th Grade

Math 1180 does not meet prerequisites for Pre-calculus or other science or engineering math.

Math 1180
College Math for Business & Econ

C or better needed for 1190 and for 1350

Math, Science, Engineering and BS Economics

New students are encouraged to take the math placement test to see if they may begin in a higher level course.

Math 1100 —Algebra
Math 1100 serves only as a prerequisite course and does not satisfy the University core.

C or better needed for level 2

Placement Level 2

Interdisciplinary Studies 4th—8th Grade
(College of Education)

This chart does not apply to 4th—8th Grade Interdisciplinary Studies Majors. 4th—8th Grade Interdisciplinary Studies majors should always consult advisors before enrolling in any mathematics course.

Interdisciplinary Studies, EC—6th Grade
(College of Education)

Math 1350
Math for Elem Ed I

Math 1351
Math for Elem Ed II

Business, and BA Economics

Math 1190 does not meet prerequisites for higher-level math classes. Business students planning advanced quantitative study are encouraged to follow the science/engineering track instead.

Math 1190
Business Calculus

Math, Science, Engineering, and BS Economics

This track is also recommended for business students planning advanced quantitative study. Consult an advisor.

Math 1650
Pre-calculus

C or better needed for level 3

Placement Level 3

- Placement into Level 3 requires one of the following:
- (1) Placement via the math placement exam;
 - (2) A "3" or higher on an AP Calculus exam; or
 - (3) Prior college credit for Pre-calculus or Calculus I

Math 1710
Cal I

Math 1720
Cal II

Higher-level
Math

03/18

University Core Curriculum

Life & Physical Sciences (2 Courses/6 Credit Hours):

This requirement consists of two courses from the Natural & Life Sciences and/or the Physical Sciences. Some majors require specific and/or additional laboratory science courses. Some physical science courses require knowledge of mathematical concepts. Laboratories are required as a co-requisite for science lecture courses, but are not required to meet the core requirement, as indicated with ** below.

Natural and Life Sciences

ANTH 2700	Introduction to Physical Anthropology (same as BIOL 2700)
ARCH 2800	Archaeological Science
BIOL 1082	Biology for Educators (for elementary education majors only)
1112	Contemporary Biology
1132	Environmental Science
1142	Microbes and Society
BIOL 1710	Biology for Science Majors I
1720	Biology for Science Majors II
1760	Lab must be taken with either 1710 or 1720**
1711	Honors Biology for Science Majors I
1722	Honors Biology for Science Majors II
1761	Honors Lab must be taken with either 1711 or 1722**
2301/2311	Human Anatomy & Physiology I / Lab**
2302/2312	Human Anatomy & Physiology II / Lab**
BIOL 2700	Human Evolution and Physical Anthropology (same as ANTH 2700)
GEOG 1710	Earth Science
GEOL 1610	Introduction to Geology
HMG 2460	Introduction to Nutrition Science

Physical Sciences

CHEM 1360	Context of Chemistry
CHEM 1410/1430	Gen. Chemistry (Science Majors) * / Lab**
1412/1430	Gen. Chemistry (Honors College) * / Lab**
1413/1430	Honors General Chemistry * / Lab**
1415/1435	Gen. Chemistry for Engineers * / Lab**
1420/1440	Gen. Chemistry (Science Majors) * / Lab**
1422/1440	Gen. Chemistry (Honors College) * / Lab**
1423/1440	Honors General Chemistry II * / Lab**
PHYS 1052	The Solar System
1062	Stars and the Universe
1210	Conceptual Physics * (for elementary education majors only)
1270	Science and Technology of Musical Sound *
1315	Introduction to the World of Physics
PHYS 1410/1430	General Physics I * / Lab**
1420/1440	General Physics II * / Lab**
1510/1530	Gen. Physics w/ Calculus I * / Lab**
1520/1540	Gen. Physics w/ Calculus II * / Lab**
1710/1730	Mechanics * / Lab**
2220/2240	Electricity and Magnetism * / Lab**

Shaded courses are recommended for those NOT majoring in science, technology, engineering or math

You will begin seeing courses in this section with different classification levels.

Freshman/sophomore courses: 1000/2000 level
Junior/senior courses: 3000/4000 level

Creative Arts (1 Course/3 Credit Hours):

This requirement expands your appreciation of the arts; you will not be performing.

ART 1300	Art Appreciation for Non-Art Majors ^	MUMH 2040	Music Appreciation
1301	Honors Art Appreciation ^	3000	Nineteenth-Century Music
2360	Art History Survey II	3010	Twentieth-Century Music
COMM 2060	Performance of Literature	3500	Music History & Literature to 1750
DANC 1200	Appreciation of Dance as a Contemporary Art Form	3510	Music History & Literature Since 1750
2800	Survey of Dance	THEA 1340	Aesthetics of the Theatre throughout the World
MUJS 3400	Understanding and Appreciating Jazz in US and World History and Culture	2340	Theatre Appreciation
		3030	World Theatre to 1700
		3040	World Theatre after 1700

^Courses listed in more than one core category may only apply toward one core requirement.

*Courses with an asterisk have pre-requisites or may be restricted to specific majors. See current undergraduate catalog for details.

University Core Curriculum

Language, Philosophy and Culture (1 Course/3 Credit Hours):

This requirement focuses on understanding the human condition.

AGER	2250	Images of Aging Through Film and Literature [^]	FREN	3040	France Today*
				4060	Studies in French Literature*
ANTH	3101	American Culture and Society		4310	Contemporary French Civilization*
	3110	Indigenous Peoples of North America	GERM	3040	Topics in German Culture*
	3120	Indigenous Cultures of the Southwest		3050	Topics in German Literature*
	3140	Latinos in the U.S.	HDFS	2313	Courtship and Marriage
	3200	Peoples and Cultures of Latin America	HIST	1050	World History to the Sixteenth Century
	3210	Meso America		1060	World History from the Sixteenth Century
	3220	Mayan Culture	ITAL	3040	Topics in Italian Culture*
	3300	Peoples and Cultures of the Pacific		3050	Contemporary Italian Culture Through Film*
	3400	Peoples and Cultures of Africa		3070	Introduction to Italian Literature*
	3500	Cultures and Civilizations of the Middle East	JAPN	3020	Advanced Japanese I*
	3700	Peoples and Cultures of South Asia	LANG	3020	Russian Popular Culture
ENGL	2210	Survey of World Literatures from Antiquity to 1700	MUET	2000	Global Perspectives in Popular Music
	2211	Honors Survey of World Literatures from Antiquity to 1700		3030	Music Cultures of the World
	2220	Survey of World Literatures from 1700 to the Present	PHIL	1050	Introduction to Philosophy
	2221	Honors Survey of World Literatures from 1700 to the Present		1400	Contemporary Moral Issues
	3450	Short Story		2050	Introduction to Logic
				2070	Great Religions
				2100	Introduction to Judaism
				2310	Introduction to Ancient Philosophy
				2600	Ethics in Science

Before you enroll in a Language, Philosophy and Culture class, it is recommended that you successfully complete the first semester of English Composition.

American History (2 Courses/6 Credit Hours):

Survey of American history before and after the Civil War.

HIST	2610	United States History to 1865	or	HIST	2675	Honors United States History to 1865
HIST	2620	United States History since 1865	or	HIST	2685	Honors United States History since 1865

HIST 4700 (Texas) may apply towards HIST 2610 or 2620. This is an advanced course (senior level).

Government/Political Science (2 Courses/6 Credit Hours):

Survey of both the Texas and United States Constitution.

PSCI	2305	US Political Behavior and Policy	or	PSCI	2315	Honors US Political Behavior and Policy
PSCI	2306	US and Texas Constitutions and Institutions	or	PSCI	2316	Honors U.S. and Texas Constitutions and Institutions

[^]Courses listed in more than one core category may only apply toward one core requirement.

*Courses with an asterisk have pre-requisites or may be restricted to specific majors. See current undergraduate catalog for details.

University Core Curriculum

Social and Behavioral Sciences (1 Course/3 Credit Hours):

This requirement increases your understanding of people and society.

AGER	4560	Minority Aging	HLTH	2200	Family Life and Human Sexuality
	4800	Social Context of Aging: Global Perspectives	JOUR	1210	Mass Communication and Society^
ANTH	1010	Introduction to Anthropology	MDSE	2750	Consumers in a Global Market^
	2300	Culture and Society	PADM	2100	Cultural Competency in Urban Governance
BEHV	2300	Behavior Principles I	PSYC	1630	General Psychology I
CJUS	2100	Crime and Justice in the United States (same as SOCI 2100)		1650	General Psychology II
				3620	Developmental Psychology
COMM	2020	Interpersonal Communication	RHAB	3100	Disability and Society
EADP	4050	Social Vulnerability in Disasters	SOCI	1510	Introduction to Sociology
ECON	1100	Principles of Microeconomics		2100	Crime & Justice in the United States (same as CJUS 2100)
	1110	Principles of Macroeconomics	SOWK	1450	Introduction to Social Work
GEOG	1200	Global Societies			
HDFS	1013	Human Development			

Component Area Options (2 Courses/6 Credit Hours):

Component Area Option courses are designed to help you further develop the tools necessary for full engagement in the undergraduate experience. You must complete an additional six hours of coursework from the courses above or from Component Area Option A or Component Area Option B courses listed below.

Please note that only three hours of this requirement may be satisfied by courses designated as Component Area Option B.

Consult with your academic advisor to determine whether specific Component Area Option courses are necessary to make timely degree progression in your chosen field of study.

Component Area Option A

AGER	2250	Images of Aging through Film and Literature^	EENG	1910	Learning to Learn Project
ANTH	1100	World Cultures	ENGL	3000	Introduction to Literary Analysis and Interpretation Skills
	1150	World Cultures through Film	ENGR	1030	Technological Systems
	2070	Introduction to Race and Ethnic Studies (same as SOCI 2070)	GEOG	1500	Geospatial Technology and Urban Environments
	2200	Gender in Cross-Cultural Perspective	HDFS	3423	Family, School and Community
ART	1200	Art Appreciation	HMGY	1450	Principles of Nutrition
	1300	Art Appreciation for Non-Art Majors ^	HNRS	1100	The Good Society
	1301	Honors Art Appreciation ^		1500	Introduction to Research: An Interdisciplinary Perspective
BIOL	1000	Discover Life Science	ITAL	1610	Italian Influences in the United States of America
	1750	Introductory Biology Research Lab I and	JOUR	1210	Mass Communications and Society^
	1755	Introductory Biology Research Lab II		2250	Media Literacy
BMEN	1300	Discover Biomedical Engineering	MATH	2000	Discrete Mathematics
BUSI	1340	Managing the Business Enterprise	MDSE	2750	Consumers in a Global Market^
CHEM	1400	Discover Chemistry	MKTG	3010	Professional Selling
COMM	2040	Public Speaking	MTSE	1100	Discover How and Why Materials "Matter"
	2140	Advocating in Public			
COUN	2620	Diversity and Cultural Awareness			

^Courses listed in more than one core category may only apply toward one core requirement.

*Courses with an asterisk have pre-requisites or may be restricted to specific majors. See current undergraduate catalog for details.

University Core Curriculum

Component Area Option A (continued)

MUMH	1610	Music as Communication	PSCI	1010	Politics and Pop Culture
PHIL	1800	Philosophy of Self	PSYC	1500	Mythbusting: Distinguishing Fact from Fallacy in Psychological and Everyday Life
	2400	Religion in American Society			
	2500	Introduction to Contemporary Environmental Issues	SOCI	2070	Introduction to Race and Ethnic Relations (same as ANTH 2070)
	4150	Feminism	SOWK	4540	Human Diversity for the Helping Professions
	4200	Science, Technology and Society			
	4300	Philosophy of Food			

Component Area Option B

COMM	1010	Introduction to Communication	LING	2050	The Language of Now: Pop Culture, Technology and Society
	1440	Honors Classic Argument		2070	Language and Discrimination
DANC	1100	Stress Reduction Through Movement	MEEN	1000	Discover Mechanical and Energy Engineering
ENGL	2400	Literature, Media and Popular Culture	MGMT	3330	Communicating in Business
	2420	Gender and Sexuality in Literature	MKTG	2650	Culture and Consumption
	2440	Banned Books and Literary Scandals	PHED	1000	Scientific Principles and Practices of Health-Related Fitness
HDFS	2033	Parenting in Diverse Families	RHAB	3000	Microcounseling
HLTH	2000	Introduction to Public Health	TECM	1500	New Media for Your College Career
INST	2100	Introduction to International Studies	WGST	2100	Introduction to Women's and Gender Studies
	2500	Global Perspectives: Cultural Competency and Citizenship	WLLC	3000	Linguistic Landscapes Around the World
JOUR	2000	Principles of Advertising and Public Relations			
	2300	Principles of News			

PLEASE NOTE: Only 3 hours from the 6 hours required for "Component Area Options" may be satisfied by courses designated as Component Area Option B. Consult with your academic advisor to determine best selection of courses.

Section 3

Degree Progression and Timely Graduation

- Degree Audit/Degree Plan
- Grade Point Average and Academic Standards
- Drops, Withdrawals and Incompletes
- Satisfactory Academic Progress
- Graduation
- Financial Benefits of Timely Graduation

Degree Audit/Degree Plan

Why am I thinking about graduation now? There is a process to graduation and that process starts today! You should be thinking about the big picture from your first day at orientation to your graduation day. Timely graduation at UNT means graduating with your bachelor's degree in four calendar years. By using a 4 year plan/academic map and planning ahead, you can spare the expense of additional costs, requirements, and/or fees. Your undergraduate catalog, schedule of classes, degree plan, and advising staff will help you create and review your timely graduation plan. Please visit your advising office for the best route to your academic goals. Advisors are here to help you from orientation through graduation.

Timely graduation includes knowing degree requirements, how to sequence classes, and departmental policies such as admission or exit criteria. Request an official degree audit/degree plan from your advisor to guide you through your major. The audit/plan shows all requirements necessary for your degree. You should get an updated audit/plan each semester and chart your progress. You can view an unofficial online audit at mydegreeaudit.unt.edu.

mydegreeaudit.unt.edu

An online degree audit lists all your degree requirements in a user-friendly format referred to as the “interactive audit”. It is a great tool for helping you stay on track for graduation and preparing for advising appointments. Your audit will show you:

- Credit hours earned and credit hours in-progress
- How courses you take will apply to your degree requirements
- UNT, overall, and major GPAs
- “What if” degree audits, if you are considering a change of major

As grades post and requirements are completed at the close of each semester, your audit will update automatically. The online degree audit is not an “official” document. An official degree audit is a document which can be requested in your academic advising office.

Using this tool in collaboration with your academic advisor will help you make the most of your time, money and course selection while attending UNT. For more information about the audit, please contact your academic advising office to schedule an appointment.

How to run your online degree audit

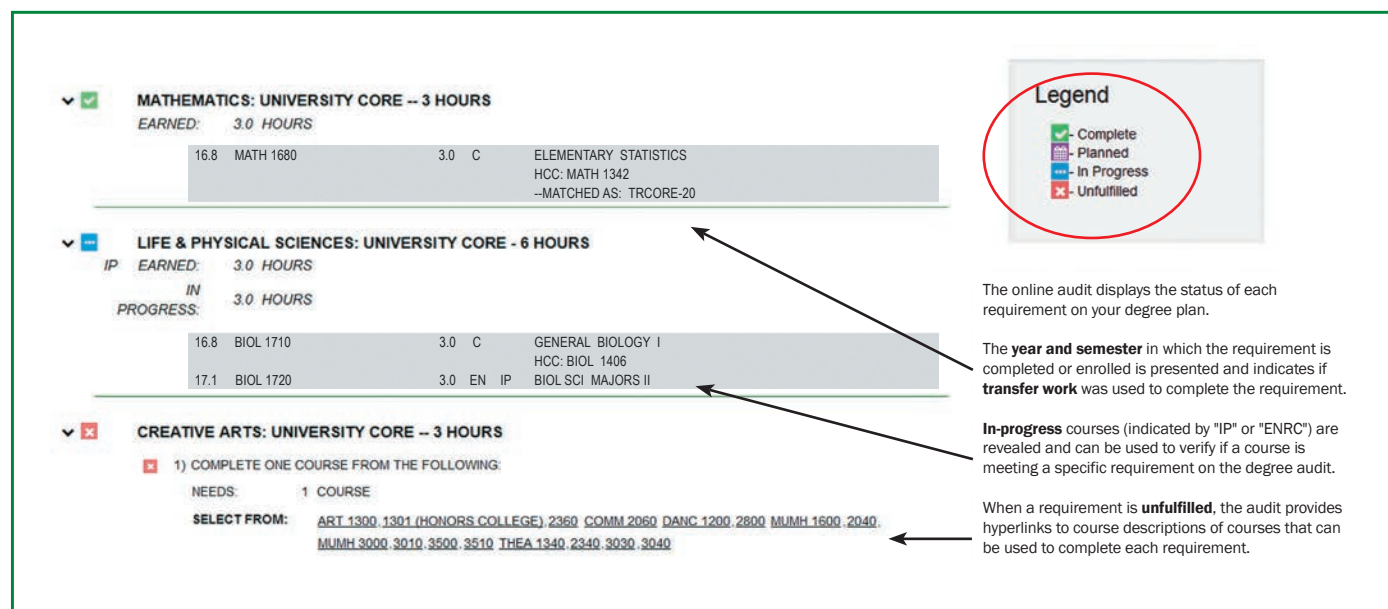

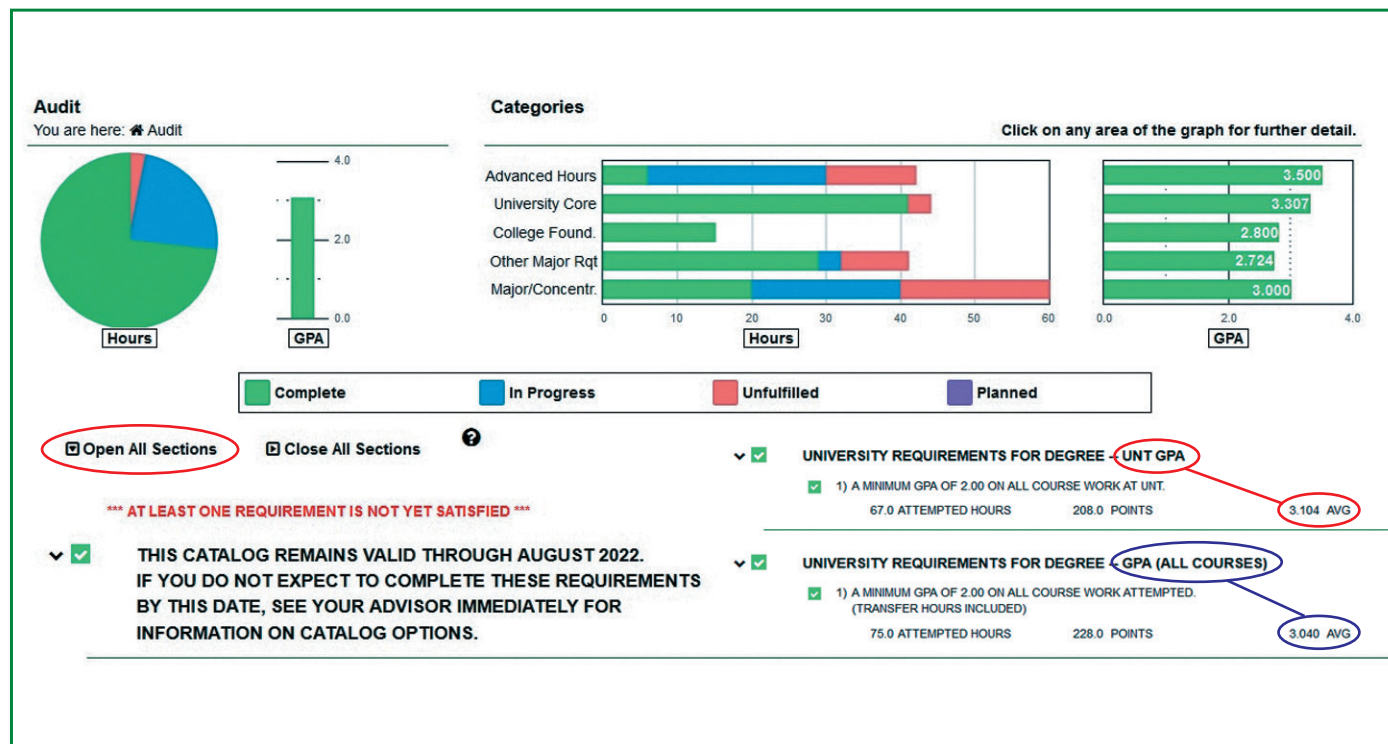

1. Go to mydegreeaudit.unt.edu
2. Log in with your EUID and password
3. Request an Audit
 - Current Program (Official Major)
 - Selected Program (What-If)
4. Select an Audit
5. View your Audit

For step-by-step instructions on how to run and read an audit visit:
<http://registrar.unt.edu/registrar/online-degree-audit-instructions>

How to Read your Online Degree Audit

mydegreeaudit.unt.edu

Example Audit:

Grade Point Average and Academic Standards

Grade Point Average

Your GPA is the average of all points earned for all the classes you have taken. You will have a UNT GPA averaging only UNT classes and an Overall GPA averaging UNT and transfer work. Please be mindful that your GPA impacts honors, financial aid, graduation, and your status as a UNT student. Please be sure to check your UNT & Overall GPA each semester so you know where you stand. You can check your overall and UNT GPA on your degree audit.

Grade point value:

- A = 4 points per credit hour
- B = 3 points per credit hour
- C = 2 points per credit hour
- D = 1 point per credit hour
- F = 0 points per credit hour

Calculate your GPA:

- 1) Multiply hours attempted by the grade point value earned for each class.
 - 2) Total your number of grade points.
 - 3) Divide total points by total of all your attempted hours.
- That's your GPA!

* Use the same formula to calculate all GPAs

You may lose your financial aid funding if you do not make Satisfactory Academic Progress. See page 31 for additional information.

Here's an example...

Olivia made 1 A, 2 Bs, and 2 Cs her first semester at UNT.

Course	Grade	Grade Value	Multiply	Attempted Credit Hours	Grade Points
ENGL 1310	B	3	*	3	9
ART 1300	C	2	*	3	6
HDFS 1013	A	4	*	3	12
HMGT 1450	B	3	*	3	9
BIOL 1112	C	2	*	3	6
Totals				15	42

Her total attempted hours are 15.
 $12+9+9+6+6=42$ Grade Points

Total grade points earned
 divided by total attempted hours: $42 / 15 = 2.8$ GPA

Types of GPAs

During your college career, you will find reference to several different GPAs, such as:

Semester GPA – The GPA you earned only for the courses you took at UNT for the specific semester

– Used for calculating semester honors (awarded for fall and spring only).

- President's List – Earn 4.0 semester GPA in a minimum of 12 hours of graded coursework in residence at UNT.
- Dean's List – Earn at least a 3.5 semester GPA in a minimum of 12 hours of graded coursework in residence at UNT.

UNT GPA (CGPA) – Your cumulative GPA for all of the hours you have attempted at UNT (determines academic status). Your UNT GPA does NOT include transfer work.

Overall GPA – A combination of your UNT and transfer GPA (graduation GPA). Available via online degree audit

– Used for calculating honors for graduation.

- 3.500 to 3.699 – cum laude
- 3.700 to 3.899 – magna cum laude
- 3.900 to 4.000 – summa cum laude

Graduating with Honors is not the same as graduating through the Honors College.

Major GPA – The GPA required in your major. It can either be a pre-major GPA requirement to enter the program and/or to graduate from the program. It is available via online degree audit.

Grade Point Average and Academic Standards

Academic Standing

The university will keep track of your UNT GPA and semester GPA to determine your academic standing.

STATUS	DEFINE	WHAT TO DO...
Good Standing	2.0 or higher UNT GPA**	Maintain your UNT GPA at a 2.0 or higher
Academic Alert	Lower than 1.8 UNT GPA your first semester; or 2.0 GPA in subsequent semesters** Freshman Only Mandatory Advising May be required to attend Academic Coaching	Raise your UNT GPA to 2.0 to return to Good Standing or be placed on Probation
Probation	Lower than 2.0 UNT GPA Freshman who have previously been on Academic Alert Sophomore, Junior, and Senior Mandatory Advising May be required to attend Academic Coaching	Raise UNT GPA to 2.0 to return to Good Standing OR earn a 2.25 semester GPA to be on Continued Probation to avoid Suspension ▲
Continued Probation	Lower than 2.0 UNT GPA Previously on Probation but earned semester GPA of 2.25 or higher Mandatory Advising	Raise UNT GPA to 2.0 to return to Good Standing OR earn a 2.25 semester GPA to be on Continued Probation to avoid Suspension
Suspension	Lower than 2.0 UNT GPA Previously on Probation or Continued Probation but earned lower than 2.25 semester GPA for the Fall or Spring term Mandatory Advising	Meet with advisor to discuss course equivalencies for the community college; May be allowed to enroll in the Summer semesters; Raise UNT GPA to 2.0 and return to Good Standing ; Return to UNT after Suspension and enroll on Probation

** The minimum cumulative UNT grade point average you must achieve to remain in good standing is 1.8 in the first semester. A 2.0 minimum cumulative UNT grade point average must be achieved for all subsequent semesters.

▲ You will remain on academic probation during any summer enrollment in which you fail to raise your UNT GPA to a 2.0.

Careful! F's are still attempted hours and count against you!
Credit hours earned by AP, CLEP, IB, and/or Credit by Examination do not average into your GPA

Grade Point Average and Academic Standards

Duplications and Repeated Courses

A duplication is when you repeat a course that you have already completed. It is necessary to duplicate a course if you did not earn the minimum grade required to complete a degree or program requirement.

Before duplicating a course, meet with your Academic Advisor to ensure you truly need to repeat the course.

While you are repeating the course, visit the Registrar's Office to submit a Duplication Form. The Duplication Form is required to ensure your GPA will be calculated correctly.

Most courses can be taken as many times as needed, however, only the first grade you earned will be removed from your GPA calculation. For example: Lisa takes ENGL 1310 and earns an "F". She duplicates the course in the following semester and earns a "B". Her transcript will show that she attempted ENGL 1310 twice, but only the grade of "B" will be used in her GPA calculation.

If you pay Texas resident tuition rates and have attempted a course more than twice at UNT, you will be subjected to an additional tuition rate of \$75 per semester credit hour for any subsequent attempt at a course. This additional charge will be billed to your Student Account after the beginning of each semester. More detailed information about Duplications can be found here: <http://registrar.unt.edu/registration/repeating-courses>.

Excess Hours/Excessive Undergraduate Hours

Undergraduate Texas Residents may be subject to a higher tuition rate for attempting excessive hours. To determine which courses count towards the excessive hour calculation and which ones do not, visit the Registrars link for detailed information: <http://registrar.unt.edu/registration/excessive-hours>.

You can view your excessive hour status in your Student Center under "Undergrad Student Information" at my.unt.edu.

Excess Hours?

Track your attempted hours. If you go 30 hours above what is required for your degree plan, you may have to pay extra.

Drops, Withdrawals and Incompletes

Things do not always go as planned. There are policies in place for those unplanned moments during a semester.

Dropping vs. Withdrawing

Dropping means you remove or “drop” one or more courses from your schedule, but that you are still enrolled in at least one course at UNT.

Withdrawing means you drop **all** courses and are no longer enrolled in the University.

Six-Drop Rule

If you were enrolled in higher education for the first time during the Fall 2007 academic term or any subsequent terms, you are allowed to drop a total of six courses in your academic career. This includes any course(s) you may have dropped at another Texas public institution of higher education. This does not apply to courses dropped prior to the census date, and does not apply if you withdraw for the term or session.

Certain exceptions may be made to the limit if you can show good cause for dropping more than that number. For a list of possible exceptions go to: <http://registrar.unt.edu/registration/dropping-class>.

To Drop or Not to Drop?

Talk to your instructor and academic advisor; they are there to support your success. Consider what changes you can make yourself to improve your academic performance.

Want more information about dropping classes? Go to “Dropping a Class” at advising.unt.edu.

Do you receive financial aid? The decision to drop a course may have the potential to affect your current and future financial aid eligibility. See page 31 for additional information

— CAUTION! —

Please exhaust all possibilities to complete your course when thinking about dropping a class. It will possibly delay your graduation and cost you additional time and money.

Drops, Withdrawals and Incompletes

Add/Drop Period and Deadlines

Once you have made the decision to drop, you need to be aware of the deadlines posted on the Academic/Registration Calendar on the Registrar's Office website (<http://registrar.unt.edu/registration-guides-by-semester>) for each of the following periods in which you can change your schedule.

It is always a good idea to meet with your advisor prior to dropping a course or withdrawing from the semester.

Add/Drop Period:

- First week of a Fall or Spring semester. (Go to <http://registrar.unt.edu/registration-guides-by-semester.html> for summer add/drop dates.)
- May be done online or in person at the Registrar's Office.

Open Drop Period (no adds):

- After the Add/Drop Period ends but before the census date you may no longer add courses, but you can still drop a course through your UNT portal (my.unt.edu). (Go to <http://registrar.unt.edu/registration-guides-by-semester.html> for summer add/drop dates.)
- Courses dropped during this period will not be recorded and will not count as one of your six drops.
- May be done online or in person at the Registrar's Office.
- You may receive a full or partial refund of course fees for courses dropped from your schedule during this time. See website (<https://studentaccounting.unt.edu/class-drop-and-withdrawal-refunds>) for specific refund dates.

Recorded Drop Period:

- Courses dropped during this period will be recorded (ex: "W").
- Courses dropped during this period will count toward your six drops.
- Refunds are not granted for courses dropped during this period.
- Please go to registrar.unt.edu for detailed procedures and deadlines regarding these drops.

Always confirm your drop with a printed receipt from the Registrar's Office.

Withdrawing from the Semester

The Dean of Students Office is committed to helping you if you should ever intend to withdraw from a semester (drop ALL courses). If you wish to withdraw you must do so in person at the Dean of Students Office (Union 409) during office hours. This is a "one stop shop" for the withdrawal process. Students may only withdraw from the first class day until the official last day to withdraw as indicated in the academic calendar which can be found at: registrar.unt.edu/registration-guides-by-semester.

You must visit the Dean of Students Office to obtain the official University Withdrawal Form and meet with a staff member. The meeting will ensure you are informed of any obligations you may have with the University or items you may need to fulfill upon returning to UNT. Students will also receive Financial Aid Exit counseling (as applicable). This will allow UNT to better understand the reasons why students leave in order to improve our University and its services. For more information on the withdraw process visit: deanofstudents.unt.edu/withdrawals.

Incompletes

An "Incomplete" may be allowed in emergency situations, but only if approved by your instructor. The course must be 75% complete and you must be passing. The coursework must be completed within one year of granting the grade of "I". Go to registrar.unt.edu for the date to request an incomplete.

Satisfactory Academic Progress

The Financial Aid office will review your Satisfactory Academic Progress (SAP) every semester using two standards: your UNT Cumulative GPA (UNT CGPA) and pace of progression. If you fall below one of the determined, standards you may not be eligible to receive your financial aid. For information on SAP please go to <http://financialaid.unt.edu/sap>

- **UNT CGPA Requirements of SAP**
The minimum cumulative UNT grade point average for undergraduate students is 1.8 for the first term of enrollment and a 2.0 for all subsequent semesters.
- **Pace of Progression Requirements of SAP**
You must successfully complete at least 67% of your cumulative attempted credit hours. Attempted hours include repeated, failed, incomplete, withdrawn from, and transfer credit hours.

PLEASE NOTE: You are required to notify Student Financial Aid and Scholarships BEFORE dropping classes or withdrawing from the university. By doing so, you will be advised about current and/or future financial aid eligibility.

Maximum Hour Limit

In addition to meeting UNT GPA and pace of progression standards, you must not have registered for, earned or attempted more than a specific cumulative maximum of semester hours as an undergraduate student. This limit is effective whether or not financial aid has ever been applied for or received.

The current maximum is 150% of the student's required degree plan. The maximum includes all hours registered for, earned or attempted at any institution of higher education. This includes hours you have dropped, withdrawn from, failed, duplicated or never completed. If you exceed the maximum number of hours allowed by your degree plan, your financial aid will be canceled.

Financial Benefits of Timely Graduation

Graduation

Graduation Checks

It is highly encouraged that you request an appointment with an advisor in your college/school advising office for a graduation check during the semester prior to the semester you plan to graduate. A graduation check ensures you are actually eligible for degree completion and graduation.

Graduation Applications

You must apply for graduation through your my.unt.edu portal during the semester that you intend to graduate by the posted deadline. If you are on the Eagle Express tuition plan, you should apply for graduation in the semester prior to your graduating semester. For additional information on applying for graduation and the application deadline visit: <http://registrar.unt.edu/graduation-and-diplomas/apply-for-graduation>.

The Graduation division of Records in the Registrar's Office is responsible for working with UNT's Colleges and Schools to verify, approve, and post all student degree awards. In addition, they coordinate UNT's commencement ceremonies. For information about undergraduate graduation call 940-565-4625.

If you are currently enrolled at UNT and another college during the semester you plan to complete all degree requirements, you must wait until the following semester to file for graduation.

Statewide \$1,000 Tuition Rebate

You may be eligible for a \$1,000 rebate if you:

- Meet Texas residency requirements at all times while pursuing a degree
- Graduate within 3-hours of your minimum degree requirements

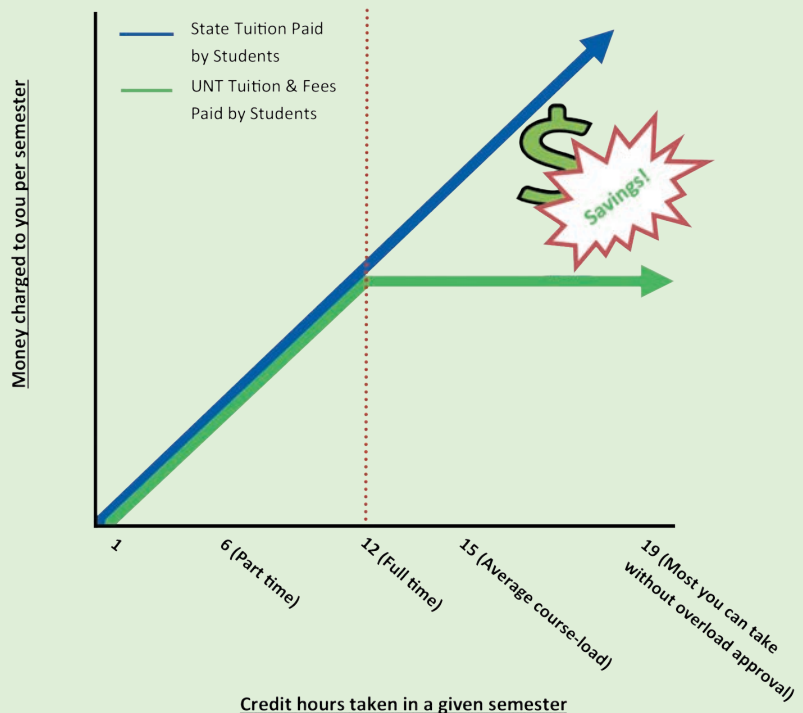

To review the full list of rebate eligibility requirements and detailed rules on administration of the rebate go to: <http://registrar.unt.edu/graduation-and-diplomas/1000-tuition-rebate>

At UNT, 12 hours is considered full-time during a long semester. UNT tuition rates do not increase beyond 12 hours, which creates savings for you. However, you will still have to pay statutory tuition, which is the portion of tuition set by the State of Texas.

To get on the "Timely Graduation Track" and save money, set a goal to graduate in four years. You can work with your advisor in setting this goal and learning about which courses to take. Then, at registration, enroll in at least 15 hours during the fall and spring semesters. Now you're on the "Timely Graduation Track"!

To find out about your tuition options visit: eagleexpress.unt.edu

Benefits of Taking 15 Credit Hours per Semester

Section 4

Plan Your Semester and Registration

- Preparing for Registration
- Registration Tips
- Registration Checklist
- Snapshot of Core
- Your Student Center

Preparing for Registration

Registrar Website

Review important registration information online at: <http://registrar.unt.edu/registration.html>

This will include:

- Schedule of Classes
- Transfer Guides
- Degree Audit Tool
- Registration Guides (includes registration and payment dates)
- Dropping and withdrawing deadlines

When reviewing section options, be aware that sections listed may be offered off the UNT main campus. Examples: Discovery Park, New College at Frisco, Collin Higher Education Center

Undergraduate Catalog

To learn more about your upcoming semester classes, see the Undergraduate Catalog (catalog.unt.edu) specifically for:

- Degree requirements – majors, minors, certificates
- Course descriptions and prerequisites
- Policies

Meet with Your Advisor

When planning your schedule talk to your advisor about:

- Your course selections
- Prerequisites for the courses you plan to take
- Any AP, CLEP, IB, military and dual credit that you may have earned

Preparing for Registration

Consider the following when choosing courses:

- What time of day do you work best? Are you a morning person or a night owl?
- How many days do you want to be in class? Remember many courses are scheduled 1, 2, or 3 times a week.
- How many classes do you want to take?
- In what type of environment do you work best? Would you prefer online or face-to-face?
- Would delaying a certain course this semester put you “off track” for your projected graduation date?
- Do you have enough time between classes to: read your textbooks, study for a test, or run errands?
- You need to create a balance between your academic and social lives—both are important pieces to your college experience.
- Students should successfully complete at least 30 credit hours each year to potentially fulfill all degree requirements in four years.

Registration Tips

1. Are you TSI (Texas Success Initiative) Complete?

- If you are **not** TSI complete, you must meet with a TSI Coordinator in the Learning Center before registering
- You must enroll in mandated courses before registering for your other courses
- TSI-mandated courses cannot be waitlisted
- Questions about TSI? Contact the Learning Center, Sage Hall 170, 940-369-7006, learningcenter.unt.edu/tsi

2. Check for Possible Holds on Your Account

- Student Financial Obligation – a hold placed on your account *every semester*. You must read through the financial requirements of the registration process. Read and click “confirm” to remove the hold
- Transcript - a hold placed by Admissions for missing transcripts
- Advising Required - a hold placed by an advising office, must meet with an advisor and receive a numeric code
- TSI Not Complete - a hold indicating you are TSI-incomplete and must meet with a TSI Coordinator to register
- Meningitis - All new students must provide evidence of vaccination against bacterial meningitis, or must qualify for one of the two permissible exemptions, prior to beginning classes at UNT. For more information on vaccination, how to submit proof of vaccination, and the exemptions, go to <http://studentaffairs.unt.edu/immunization-requirements>

3. Using the Waitlist Option for Closed Courses

- The waitlist feature allows you to place yourself on a waitlist for a class section that is full and be given a position number. As seats open up in the class, the waitlist process will run to auto-enroll students according to their position number
- When trying to add courses to the waitlist, you can not add courses that conflict with times you have other courses in your schedule, unless you use the swap function
- You can not waitlist a course that puts you over 19 hours in a semester
- Diligently check your schedule during add/drop to see if a course you waitlisted was added to your schedule
- You are financially responsible for any waitlisted courses added to your schedule; you must pay for courses added to your schedule via the waitlist by the posted deadline
- For additional instructions on using this feature: essc.unt.edu/eis/students.htm

Looking for additional sections when registering?
Click "View All"

4. Read the Course Descriptions of the Courses You Plan to Take

- Available through catalog.unt.edu
- Contains information such as:
 - Credit hours
 - Corequisites - a course or requirement which must be taken concurrently with another course
 - Prerequisites - a course or requirement that must be completed successfully before enrolling in a course

Example: CHEM 1410 (1311). General Chemistry for Science Majors. 3 hours (3;0;1*) Fundamental concepts, states of matter, periodic table, structure and bonding, stoichiometry, oxidation and reduction, solutions, and compounds of representative elements. Prerequisite(s): MATH 1100 or equivalent. May be used to satisfy a portion of the Life and Physical Sciences requirement of the University Core Curriculum. *This hour is a problem-solving session

Registration Tips

5. Math Placement

- Refer to math chart on page 18 for a list of entry-level courses that do not require any prerequisites or placement tests beyond math TSI exemption or completion
- Placement levels 2 & 3 require clearance from UNT or a Department of Mathematics placement test
- If attempting to place into a higher level than original placement, contact the Department of Mathematics at (940) 565-2155
- The Department of Mathematics placement test:
 - Can be attempted a maximum of two times per semester
 - Is administered on a walk-in basis Monday through Friday between 8:30 am - 3:00 pm, in the Mathematics Undergraduate Advising & Testing Center (GAB 443)

6. Determining Your Course Load

- Based on your four-year plan, it may be necessary to register for 15 or more hours a semester and possibly attend summer sessions
- Full-time: 12 hours
- Average course load: 15 hours
- Maximum hours: 19 hours during fall and spring semesters and 18 hours during the summer semester (see your advisor to determine how many hours you may take in various summer terms)
 - Overload approval is needed if attempting to register for more than 19 hours

Study Hours

One-In-Two-Out Study Rule: For every hour you're in class per week, you should be prepared to study two hours outside of class.

**15 credit hours x 2 hours per credit =
30 study hours per week!**

This is a total of at least 45 hours per week dedicated to your academic work!
MORE THAN A FULL TIME JOB!

7. Course Numbering or Level of Courses

- 1000: Freshman courses – lower level
- 2000: Sophomore courses – lower level
- 3000: Junior courses – advanced level
- 4000: Senior courses – advanced level

8. Determining if a Course Needs a Permission Code

- If a permission code is required to register for a class, it will be listed in “Class Notes” within the course description
- Contact the department offering the course to receive the permission code
Example: courses restricted to students residing out-of-state or in certain majors

9. Concurrent Enrollment

- If you are taking classes at UNT and wish to enroll concurrently at another college during the same semester, you must first secure the written permission of the dean from your college/school advising office at UNT

Registration Checklist

1. Register for classes

- Check the Registration Guide for your registration date: registrar.unt.edu/registration-guides-by-semester
- Register for classes at my.unt.edu
- Need a step by step guide for the registration process? See the "How do I register for classes?" on the inside back cover

Registration: you may register according to your current classification, not what it will be after the semester

2. Make Your Payment

- Payment arrangements should be made after enrolling in courses, but before the payment deadline; payment can be made online (my.unt.edu) or through the Student Accounting and Cashiering Office located in the Eagle Student Services Center (ESSC)
- Deadlines are posted on the Registration Guides, available at: registrar.unt.edu/registration-guides-by-semester
- Nonpayment will result in loss of enrolled courses. You will have to re-enroll and plan your semester schedule based on the availability of classes at that time, which will likely be limited
- It is your responsibility to ensure any financial aid payments will be applied by the deadline

3. Check Your Financial Aid Status

- Check your myUNT (my.unt.edu) student portal and EagleConnect e-mail regularly for financial aid information and updates to your account
- Visit Student Financial Aid & Scholarships (SFAS) in the ESSC if you have questions
- Familiarize yourself with the SFAS Satisfactory Academic Progress (SAP) policy available at financialaid.unt.edu/sap and adhere to all class enrollment and attendance policies

If you make any changes to your schedule, please check your account balance at my.unt.edu

4. Confirm Your Schedule

- Print out a copy and review your schedule
- Confirm you are enrolled for the correct classes frequently during the first two weeks of school and after the census date

Snapshot of Core

A. Communication (English Composition and Rhetoric) (6 Hours): (C or better required)

I. Composition I (3 hours)

ENGL	1310	College Writing I
	1311	Honors Composition I
	1315	Writing About Literature I
LING	1312	Introduction to Academic Writing for International Students
TECM	1700	Introduction to Professional, Science & Technical Writing

II. Composition II (3 hours)

ENGL	1320	College Writing II
	1321	Honors Composition II
	1325	Writing About Literature II
LING	1322	Introduction to Academic Writing for International Students
TECM	2700	Technical Writing

B. Mathematics (3 hours):

DSCI	2710	Data Descriptions & Analysis w/Spreadsheets
MATH	1180	College Math for Business, Economics and Related Fields
	1190*	Business Calculus
	1350*	Math for Elementary Education Majors I
	1580	Survey of Math with Applications
	1650*	Pre-Calculus (5 hrs)
	1680	Elementary Probability and Statistics
	1710*	Calculus I (4 hrs)

C. Life and Physical Sciences (6 hours):

I. Natural and Life Sciences

ANTH	2700	Introduction to Physical Anthropology (same as BIOL 2700)
ARCH	2800	Archaeological Science
BIOL	1082*	Biology for Educators
	1112	Contemporary Biology
	1132	Environmental Science
	1142	Microbes and Society
BIOL	1710	Biology for Science Majors I
	1720	Biology for Science Majors II
	1760**	Lab must be taken with either 1710 or 1720
	1711	Honors Biology for Science Majors I
	1722	Honors Biology for Science Majors II
	1761**	Honors Lab must be taken with either 1711 or 1722
	2301/2311**	Human Anatomy & Physiology I/Lab
	2302/2312**	Human Anatomy & Physiology II/Lab
	2700	Human Evolution & Physical Anthropology (same as ANTH 2700)
GEOG	1710	Earth Science
GEOL	1610	Introduction to Geology
HMG	2460	Introduction to Nutrition Science

II. Physical Sciences

CHEM	1360	Context of Chemistry
	1410*/1430**	General Chemistry for Science Majors I/Lab
	1412*/1430**	General Chemistry for the Honors College I/Lab
	1413*/1430**	Honors General Chemistry I/Lab
	1415*/1435**	General Chemistry for Engineering Majors /Lab
	1420*/1440**	General Chemistry for Science Majors II/Lab
	1422*/1440**	General Chemistry for the Honors College II/Lab
	1423*/1440**	Honors General Chemistry II/Lab
PHYS	1052	The Solar System
	1062	Stars & The Universe
	1210*	Conceptual Physics [for Elementary Education Majors]
	1270*	Science & Technology of Musical Sound
	1315	Introduction to the World of Physics
	1410*/1430**	General Physics I/Lab
	1420*/1440**	General Physics II/Lab

Shaded courses are recommended for those NOT majoring in science, technology, engineering, or math.

PHYS	1510*/1530**	Gen. Physics I with Calculus I/Lab
	1520*/1540**	Gen. Physics II with Calculus II/Lab
	1710*/1730**	Mechanics/Lab
	2220*/2240**	Electricity & Magnetism/Lab

D. Creative Arts (3 hours):

ART	1300^	Art Appreciation for Non-Art Majors
	1301^	Honors Art Appreciation
	2360	Art History Survey II
COMM	2060	Performance of Literature
DANC	1200	Appreciation of Dance as a Contemporary Art Form
	2800	Survey of Dance
MUJS	3400	Understanding and Appreciating Jazz in U.S. and World History and Culture
MUMH	2040	Music Appreciation
	3000	19th Century Music
	3010	20th Century Music
	3500	Music History and Literature to 1750
	3510	Music History and Literature Since 1750
THEA	1340	Aesthetics of the Theatre Throughout the World
	2340	Theatre Appreciation
	3030	World Theatre to 1700
	3040	World Theatre after 1700

E. Language, Philosophy and Culture (3 hours):

AGER	2250^	Images of Aging in Film & Literature
ANTH	3101	American Culture and Society
	3110	Indigenous Peoples of North America
	3120	Indigenous Cultures of the Southwest
	3140	Latinos in the U.S.
	3200	Peoples and Cultures of Latin America
	3210	Meso America
	3220	Mayan Culture
	3300	Peoples and Cultures of the Pacific
	3400	Peoples and Cultures of Africa
	3500	Cultures and Civilizations of the Middle East
	3700	Peoples and Cultures of South Asia
ENGL	2210	Survey of World Literatures from Antiquity to 1700
	2211	Honors Survey of World Literatures from Antiquity to 1700
	2220	Survey of World Literatures from 1700 to Present
	2221	Honors Survey of World Literatures from 1700 to Present
	3450	Short Story
FREN	3040*	France Today
	4060*	Studies in French Literature
	4310*	Contemporary French Civilization
GERM	3040*	Topics in German Culture
	3050*	Topics in German Literature
HDFS	2313	Courtship and Marriage
HIST	1050	World History to the Sixteenth Century
	1060	World History from the Sixteenth Century
ITAL	3040*	Topics in Italian Culture
	3050*	Contemporary Italian Culture Through Film
	3070*	Introduction to Italian Literature
JAPN	3020*	Advanced Japanese I
LANG	3020	Russian Popular Culture
MUET	2000	Global Perspectives in Popular Music
	3030	Music Cultures of the World
PHIL	1050	Introduction to Philosophy
	1400	Contemporary Moral Issues
	2050	Introduction to Logic
	2070	Great Religions
	2100	Introduction to Judaism
	2310	Introduction to Ancient Philosophy
	2600	Ethics in Science

Snapshot of Core

F. American History (6 hours):

HIST	2610	United States History to 1865
	2620	United States History since 1865
	2675	Honors U.S. History to 1865
	2685	Honors U.S. History since 1865
	4700	Texas

G. Government/Political Science (6 hours):

PSCI	2305	U.S. Political Behavior and Policy
	2306	U.S. and Texas Constitutions and Institutions
	2315	Honors U.S. Political Behavior and Policy
	2316	Honors U.S. and Texas Constitutions and Institutions

H. Social & Behavioral Science (3 hours):

AGER	4560	Minority Aging
	4800	Social Context of Aging: Global Perspectives
ANTH	1010	Introduction to Anthropology
	2300	Culture and Society
BEHV	2300	Behavior Principles I
CJUS	2100	Crime & Justice in the United States (same as SOCI 2100)
COMM	2020	Interpersonal Communication
EADP	4050	Social Vulnerability in Disasters
ECON	1100	Principles of Microeconomics
	1110	Principles of Macroeconomics
GEOG	1200	Global Societies
HDFS	1013	Human Development
HLTH	2200	Family Life & Human Sexuality
JOUR	1210^	Mass Communications & Society
MDSE	2750^	Consumers in a Global Market
PADM	2100	Cultural Competency in Urban Governance
PSYC	1630	General Psychology I
	1650	General Psychology II
	3620	Developmental Psychology
RHAB	3100	Disability and Society
SOCI	1510	Introduction to Sociology
	2100	Crime & Justice in the United States (same as CJUS 2100)
SOWK	1450	Introduction to Social Work

I. Component Area Options (2 Courses/6 credit hours)

You must complete an additional six hours of coursework from the courses above or from Component Area Option A or Component Area Option B courses listed below. Please note that only three hours of this requirement may be satisfied by courses designated as Component Area Option B. You should consult with your academic advisor to determine whether specific Component Area Option courses are necessary to make timely degree progression in your chosen field of study.

Component Area Option A:

AGER	2250	Images of Aging through Film and Literature^
ANTH	1100	World Cultures
	1150	World Cultures through Film
	2070	Introduction to Race and Ethnic Studies (same as SOCI 2070)
	2200	Gender in Cross-Cultural Perspective
ART	1200	Art Appreciation
	1300	Art Appreciation for Non-Art Majors ^
	1301	Honors Art Appreciation ^
BIOL	1000	Discover Life Science
	1750	Introductory Biology Research Lab I and
	1755	Introductory Biology Research Lab II
BMEN	1300	Discover Biomedical Engineering
BUSI	1340	Managing the Business Enterprise

CHEM	1400	Discover Chemistry
COMM	2040	Public Speaking
	2140	Advocating in Public
COUN	2620	Diversity and Cultural Awareness
EENG	1910	Learning to Learn Project
ENGL	3000	Introduction to Literary Analysis and Interpretation Skills
ENGR	1030	Technological Systems
GEOG	1500	Geospatial Technology and Urban Environments
HDFS	3423	Family, School and Community
HMGD	1450	Principles of Nutrition
HNRS	1100	The Good Society
	1500	Introduction to Research: An Interdisciplinary Perspective
ITAL	1610	Italian Influences in the United States of America
JOUR	1210	Mass Communications and Society^
	2250	Media Literacy
MATH	2000	Discrete Mathematics
MDSE	2750	Consumers in a Global Market^
MKTG	3010	Professional Selling
MTSE	1100	Discover How and Why Materials "Matter"
MUMH	1610	Music as Communication
PHIL	1800	Philosophy of Self
	2400	Religion in American Society
	2500	Introduction to Contemporary Environmental Issues
	4150	Feminism
	4200	Science, Technology and Society
	4300	Philosophy of Food
PSCI	1010	Politics and Pop Culture
PSYC	1500	Mythbusting: Distinguishing Fact from Fallacy in Psychological and Everyday Life
SOCI	2070	Introduction to Race and Ethnic Relations (same as ANTH 2070)
SOWK	4540	Human Diversity for the Helping Professions

Component Area Option B:

COMM	1010	Introduction to Communication
	1440	Honors Classic Argument
DANC	1100	Stress Reduction Through Movement
ENGL	2400	Literature, Media and Popular Culture
	2420	Gender and Sexuality in Literature
	2440	Banned Books and Literary Scandals
HDFS	2033	Parenting in Diverse Families
HLTH	2000	Introduction to Public Health
INST	2100	Introduction to International Studies
	2500	Global Perspectives: Cultural Competency and Citizenship
JOUR	2000	Principles of Advertising and Public Relations
	2300	Principles of News
LING	2050	The Language of Now: Pop Culture, Technology and Society
	2070	Language and Discrimination
MEEN	1000	Discover Mechanical and Energy Engineering
MGMT	3330	Communicating in Business
MKTG	2650	Culture and Consumption
PHED	1000	Scientific Principles and Practices of Health-Related Fitness
RHAB	3000	Microcounseling
TECM	1500	New Media for Your College Career
WGST	2100	Introduction to Women's and Gender Studies
WLLC	3000	Linguistic Landscapes Around the World

^Courses listed in more than one core category may only apply toward one core requirement.

*Courses with an asterisk have prerequisites or may be restricted to specific majors, see current undergraduate catalog for details.

**Laboratories are required as a co-requisite for science lecture courses, but are not required to meet the core requirement.
