**SLIS 4000: Information &
Knowledge Professions
Spring, 2013**

Policy for Undergraduates in SLIS 4000 – Spring 2013

- Write SLIS 4000 in your paper headers so we don't forget you're undergrads when grading. Your status as undergraduate students will be considered when your work is evaluated.
- Critiques should be about 250 words long.
- Discussion posts requirements are same as in syllabus.
- Assignment papers should be 750 – 1000 words.
- Leadership Project 250-word summary – same as in syllabus
- Annotated Bibliography (mid-term) – Include 6-8 sources, half of them must be peer reviewed journal articles, and a maximum of half can be class readings. So you must select and find half of the sources.
- Literature Review (final) - 1500 to 2000 words, all else is the same
