

Employer Partnership Program

University of North Texas thrives on empowering students and alumni to identify and achieve individual goals for career success. Our mission is to design and deliver high quality career services to UNT students and alumni through collaboration with campus, local and global partnerships. As a Career Center Signature Partner, you will have an exclusive opportunity to advertise your organization on campus for an entire year. Your contribution will provide our students and alumni with high quality career services and events, which will in turn help you recruit excellent UNT candidates. For more information about the Employer Partnership Program, contact Dr. Bonita Vinson, Career Center Director, at Bonita.Vinson@unt.edu or 940-565-2105.
