

BA IN PSYCHOLOGY DEGREE IN THREE ACADEMIC MAP

2018-2019 CATALOG YEAR

A Bachelor of Science with a major in Psychology is a four-year degree designed to prepare students for entry-level careers in a variety of fields. The degree can prepare you to enter the medical profession, law school, or seminary. To become a practicing Psychologist, you will need a master's or doctoral degree. As a Psychology major, you gain a scientific basis of Psychology knowledge and learn the many ways that knowledge is applied to everyday life.

The following three-year plan is one example of a variety of ways in which you can complete your chosen degree in three years. INDIVIDUAL CIRCUMSTANCES VARY (FOR EXAMPLE, CREDIT FOR PRIOR COURSEWORK, SCHEDULING CONSTRAINTS, AND EMPHASIS WITHIN PSYCHOLOGY); THEREFORE, IT IS HIGHLY UNLIKELY THAT YOU WILL FOLLOW THIS SAMPLE PLAN. PLEASE SEE A PSYCHOLOGY ADVISOR TO CREATE A CUSTOMIZED PLAN.

The College of Liberal Arts and Social Sciences expects you to have completed the State recommended high school program and be ready to enroll in language 2040.

Credit by Examination or Dual Credit upon Entry as a Freshman (earned through qualifying scores on appropriate Advanced Placement Exams, International Baccalaureate)*:
