

Case Management

For Children and Pregnant Women

Case Management is for you if you:

- Are a child (birth through 20 years old) and have or are at-risk for having a health problem that keeps you from doing what others your age do,
OR
- Are pregnant with a high-risk pregnancy
AND
- Are eligible for Medicaid,
■ Need help getting services that would keep health problems from getting worse,
■ Want to receive case management services.
