

## **Evidence of Coverage Requirements** (Individual Plans)

Although every effort has been made to ensure the accuracy and completeness of the information contained in this document, all parties are advised to consult the Texas Insurance Code, the Texas Administrative Code and other applicable insurance statutes to determine the extent and nature of their own requirements.

In addition, the requirements listed are only summaries. The reader should refer to the actual cited statutes or rules to review the complete provisions listed.

All dealings with the Texas Department of Insurance are governed and controlled solely by the Texas Insurance Code, the Texas Administrative Code and other applicable statutes, and not by this document.
