CHAPTER 242. CONVALESCENT AND NURSING HOMES AND RELATED
INSTITUTIONS

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 242.001. SCOPE, PURPOSE, AND IMPLEMENTATION. (a) It is the goal of this chapter to ensure that institutions in this state deliver the highest possible quality of care. This chapter, and the rules and standards adopted under this chapter, establish minimum acceptable levels of care. A violation of a minimum acceptable level of care established under this chapter or a rule or standard adopted under this chapter is forbidden by law. Each institution licensed under this chapter shall, at a minimum, provide quality care in accordance with this chapter and the rules and standards. Components of quality of care addressed by these rules and standards include:

- (1) quality of life;
- (2) access to care;
- (3) continuity of care;
- (4) comprehensiveness of care;
- (5) coordination of services;
- (6) humaneness of treatment;
- (7) conservatism in intervention;
- (8) safety of the environment;
- (9) professionalism of caregivers; and
- (10) participation in useful studies.

(b) The rules and standards adopted under this chapter may be more stringent than the standards imposed by federal law for certification for participation in the state Medicaid program. The rules and standards may not be less stringent than the Medicaid certification standards imposed under the Omnibus Budget Reconciliation Act of 1987 (OBRA), Pub.L. No. 100-203.

(c) The rules and standards adopted under this chapter apply to each licensed institution. The rules and standards are intended for use in state surveys of the facilities and any investigation and enforcement action and are designed to be useful to consumers and providers in assessing the quality of care provided in an institution.

(d) The legislature finds that the construction, maintenance, and operation of institutions shall be regulated in a manner that protects the residents of the institutions by:

- (1) providing the highest possible quality of care;
- (2) strictly monitoring all factors relating to the health, safety, welfare, and dignity of each resident;
- (3) imposing prompt and effective remedies for noncompliance with licensing standards; and
- (4) providing the public with information concerning the operation of institutions in this state.

(e) It is the legislature's intent that this chapter accomplish the goals listed in Subsection (d).

(e) The department shall by rule establish criteria to determine whether deficiencies from a facility's survey warrant action against an administrator. The criteria shall include a determination of whether the survey indicates substandard quality

of care related to an act or failure to act by the administrator, and whether a deficiency is related to an act or failure to act by the administrator. If a deficiency on which a disciplinary action against an administrator is initiated or completed is not substantiated, the disciplinary action shall be reversed. (b) The penalty for a violation may be in an amount not to exceed \$1,000. Each day a violation occurs or continues is a separate violation for purposes of imposing a penalty.

(c) The amount of the penalty shall be based on:

(b) Within 20 days after the date the person receives the notice, the person in writing may accept the determination and the penalty recommended by the department or may make a written request for a hearing on the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.

(c) If the person accepts the determination and the penalty recommended by the department, the department shall impose the recommended penalty.

(g) Within the 30-day period, a person who acts under Subsection (f)(3) may:

(1) stay enforcement of the penalty by:

The court shall hold a hearing on the facts alleged in the affidavit as soon as practicable and shall stay the enforcement of the penalty on finding that the alleged facts are true. The person who files an affidavit has the burden of proving that the person is financially unable to pay the amount of the penalty and to give a supersedeas bond.

(i) If the person does not pay the amount of the penalty and the enforcement of the penalty is not stayed, the department may refer the matter to the attorney general for collection of the amount of the penalty.

(j) Judicial review of the decision of the department:

(1) is instituted by filing a petition as provided by Section 2001.176, Government Code; and

(2) is under the substantial evidence rule.

(k) If the court sustains the occurrence of the violation, the court may uphold or reduce the amount of the penalty and order the person to pay the full or reduced amount of the penalty. If the court does not sustain the occurrence of the violation, the court shall order that no penalty is owed.

(l) When the judgment of the court becomes final, the court shall proceed under this subsection. If the person paid the amount of the penalty and if that amount is reduced or is not upheld by the court, the court shall order that the appropriate amount plus accrued interest be remitted to the person. The rate of the interest is the rate charged on loans to depository institutions by the New York Federal Reserve Bank, and the interest shall be paid for the period beginning on the date the penalty was paid and ending on the date the penalty is remitted. If the person gave a supersedeas bond and if the amount of the penalty is not upheld by the court, the court shall order the release of the bond. If the person gave a supersedeas bond and if the amount of the penalty is reduced, the court shall order the release of the bond after the person pays the amount.
