Sec. 775.014. CREATION OF DISTRICT THAT INCLUDES MUNICIPAL TERRITORY. (a) Before a district may be created that contains territory in a municipality's limits or extraterritorial jurisdiction, a written request to be included in the district must be presented to the municipality's governing body after the petition is filed under Section 775.015. Except as provided by Subsection (c), that territory may not be included in the district unless the municipality's governing body gives its written consent on or before the 60th day after the date on which the municipality receives the request.

(b) If the municipality's governing body does not consent to inclusion within the 60-day period prescribed by Subsection (a), a majority of the qualified voters and the owners of at least 50 percent of the territory in the municipality's limits or extraterritorial jurisdiction that would have been included in the district may petition the governing body to make fire control and emergency medical and ambulance services available. The petition must be submitted to the governing body not later than the 90th day after the date on which the municipality receives the request under Subsection (a).

(c) If the municipality's governing body refuses or fails to act on the petition requesting fire protection and emergency medical and ambulance services within six months after the date on which the petition submitted under Subsection (b) is received, the governing body's refusal or failure to act constitutes consent for the territory that is the subject of the petition to be included in the proposed district.

(d) If the proposed district will include territory designated by a municipality as an industrial district under Section 42.044, Local Government Code, consent to include the industrial district must be obtained from the municipality's governing body in the same manner provided by this section for obtaining consent to include territory within the limits or extraterritorial jurisdiction of a municipality.

(e) If the municipality's governing body consents to inclusion of territory within its limits or extraterritorial jurisdiction, or in an industrial district, the territory may be included in the district in the same manner as other territory is included under this chapter.

(f) A governing body's consent to include territory in the district and to initiate proceedings to create a district as prescribed by this chapter expires six months after the date on which the consent is given.

(g) This section does not apply if the proposed district contains territory in the unincorporated area of a county with a population of 2.4 million or more.

(h) The governing body of a municipality with a population of more than one million may negotiate with the commissioners court of a county with a population of less than 1.4 million that is the county in which the majority of the territory inside the municipality's corporate boundaries is located conditions under which the municipality will grant its consent to the inclusion of its extraterritorial jurisdiction in the district. The negotiated conditions may:

- (1) limit the district's ability to incur debt;
- (2) require the district to ensure that its equipment is compatible with the municipality's equipment; and
- (3) require the district to enter into mutual aid agreements.

(i) A request submitted under this section to a municipality described by Subsection (h) must include:

- (1) a copy of the petition submitted under Section 775.015; and
- (2) a sufficient legal description of the portion of the municipality and its extraterritorial jurisdiction that would be included in the district territory.

Sec. 775.015. FILING OF PETITION AND NOTICE OF HEARING. (a) If the petition is in proper form, the county judge may receive the petition and shall file the petition with the county clerk.

(b) At the next regular or special session of the commissioners court held after the petition is filed with the county clerk, the commissioners court shall set a place, date, and time for the hearing to consider the petition.

(c) The county clerk shall give notice of the hearing. The notice must state:

(1) that creation of a district is proposed;

(2) that the district is to be created and is to operate under Article III, Section 48-e, of the Texas Constitution, as proposed by S.J.R. No. 27, Acts of the 70th Legislature, Regular Session, 1987, and adopted by the voters at an election held November 3, 1987;

(3) the name of the proposed district;

(4) the district's boundaries as stated in the petition;

(5) the place, date, and time of the hearing; and

(6) that each person who has an interest in the creation of the district may attend the hearing and present grounds for or against creation of the district.

(d) The county clerk shall retain a copy of the notice and shall deliver sufficient copies of the notice to the sheriff for posting and publication as prescribed by Subsection (e).

(e) Not later than the 21st day before the date on which the hearing will be held, the sheriff shall post one copy of the notice at the courthouse door. The sheriff shall also have the notice published in a newspaper of general circulation in the proposed district once a week for two consecutive weeks. The first publication must occur not later than the 21st day before the date on which the hearing will be held.

(f) The return of each officer executing notice must:

(1) be endorsed or attached to a copy of the notice;

(2) show the execution of the notice;

(3) specify each date on which the notice was posted or published; and

(4) include a printed copy of the published notice.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989.

Sec. 775.016. HEARING. (a) At the time and place set for the hearing or at a later date then set, the commissioners court shall consider the petition and each issue relating to creation of the district.

(b) Any interested person may appear before the commissioners court in person or by attorney to support or oppose the creation of the district and may offer pertinent testimony.

(c) The commissioners court has exclusive jurisdiction to determine each issue relating to the creation of the district, including any matters negotiated with a consenting municipality under Section 775.014(h), and may issue incidental orders it considers proper in relation to the issues before the commissioners court. The commissioners court may adjourn the hearing as necessary.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended by Acts 2001, 77th Leg., ch. 886, Sec. 3, eff. Sept. 1, 2001.

Sec. 775.017. PETITION APPROVAL. (a) If after the hearing the commissioners court finds that creation of the district is feasible and will promote the public safety, welfare, health, and convenience of persons residing in the proposed district, the commissioners court shall grant the petition, fix the district's boundaries, and impose any conditions negotiated under Section 775.014(h). If the proposed district, according to its boundaries stated in the petition, is located wholly in a county with a population of more than 2.4 million, the commissioners court may amend the petition to change the boundaries of the proposed district if the commissioners court finds the change is necessary or desirable. For the purposes of this provision, the population of the county is determined according to the most recent federal decennial census available at the time the petition is filed.

(b) If the proposed district will include territory in the municipal limits or extraterritorial jurisdiction of one or more municipalities, the commissioners court of the county in which the municipality is located must determine if the district would still meet the requirements prescribed by Subsection (a) if the territory in the municipality's limits or extraterritorial jurisdiction is

excluded from the district. The commissioners court must make this finding for each municipality the territory of which will be included in the district.

(c) If the commissioners court finds that the proposed district does not meet the requirements prescribed by Subsection (a), the commissioners court shall deny the petition. Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 269, eff. Sept. 1, 1991; Acts 2001, 77th Leg., ch. 886, Sec. 4, eff. Sept. 1, 2001.

Sec. 775.018. ELECTION. (a) On the granting of a petition, the commissioners court shall order an election to confirm the district's creation and authorize the imposition of a tax not to exceed the rate allowed by Section 48-e, Article III, Texas Constitution. Any conditions negotiated under Section 775.014(h) must be included on the ballot.

(b) Repealed by Acts 2005, 79th Leg., ch. 123, Sec. 2.

(c) If the petition indicates that the proposed district will contain territory in more than one county, the commissioners court may not order an election until the commissioners court of each county in which the district will be located has granted the petition.

(d) Subject to Section 4.003, Election Code, the notice of the election shall be given in the same manner as the notice of the petition hearing.

(e) The election shall be held on the first authorized uniform election date prescribed by the Election Code that allows sufficient time to comply with other requirements of law.

Aug. 30, 1993; Acts 1999, 76th Leg., ch. 496, Sec. 3, eff. Sept. 1, 1999; Acts 2001, 77th Leg., ch. 886, Sec. 5, eff. Sept. 1, 2001; Acts 2001, 77th Leg., ch. 1140, Sec. 1, eff. Sept. 1, 2001; Acts 2005, 79th Leg., ch. 123, Sec. 1, 2, eff. Sept. 1, 2005.

Sec. 775.019. ELECTION RESULT AND COMMISSIONERS COURT ORDER. (a) A district is created and organized under this chapter if a majority of the votes cast in the election favor creation of the district.

(b) A district may not include territory in a municipality's limits or extraterritorial jurisdiction unless a majority of the voters residing in that territory who vote at the election vote in favor of creating the district subject to any conditions negotiated under Section 775.014(h) and imposing a tax. The exclusion of that territory does not affect the creation of a district that includes the remainder of the proposed territory if the commissioners court's findings under Section 775.017 are favorable to the district's creation.

(c) Repealed by Acts 1991, 72nd Leg., ch. 620, Sec. 2, eff. June 16, 1991.

(d) If a majority of those voting at the election vote against creation of the district, the commissioners court may not order another election for at least one year after the date of the official canvass of the most recent election concerning creation of the district. A subsequent election must be held in the same manner provided by this chapter for the original creation election.

(e) When a district is created, the commissioners court of each county in which the district is located shall enter in its minutes an order that reads substantially as follows:

Whereas, at an election held on the \_\_\_\_\_ day of \_\_\_\_\_, 19\_\_\_\_, in that part of \_\_\_\_\_ County, State of Texas, described as (insert description unless the district is countywide), there was submitted to the qualified voters the question of whether that territory should be formed into an emergency services district under state law; and

Whereas, at the election \_\_\_\_\_ votes were cast in favor of formation of the district and \_\_\_\_\_ votes were cast against formation; and

Whereas, the formation of the emergency services district received the affirmative vote of the majority of the votes cast at the election as provided by law;

Now, therefore, the Commissioners Court of \_\_\_\_\_ County, State of Texas, finds and orders that the tract described in this order has been duly and legally formed into an emergency services district (or a portion thereof) under the name of \_\_\_\_\_, under Article III, Section 48-e, of the Texas

Constitution, as proposed by S.J.R. No. 27, Acts of the 70th Legislature, Regular Session, 1987, and adopted by the voters at an election held November 3, 1987, and has the powers vested by law in the district.

(f) Any conditions that were negotiated under Section 775.014(h) and included on the ballot must be included in the order entered under this section.

Sec. 775.020. OVERLAPPING DISTRICTS LOCATED WHOLLY IN POPULOUS COUNTY. (a) This section applies only to a district located wholly in a county with a population of more than three million.

(b) If the territory in a district created under this chapter overlaps with the boundaries of another district created under this chapter, a district converted under this chapter, or a district converted under former Section 794.100, the most recently created district may not provide services in the overlapping territory that duplicate the services provided by the other district at the time the overlapping district was created.

(c) For purposes of this section, a district is created on the date on which the election approving its creation was held. If the elections approving the creation of two or more districts are held on the same date, the most recently created district is the district for which the hearing regarding approval of the petition for creation of the district was most recently held.

(d) The creation of a district with boundaries that overlap the boundaries of another district does not affect the validity of either district.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended by Acts 2001, 77th Leg., ch. 1333, Sec. 2, eff. June 16, 2001; Acts 2003, 78th Leg., ch. 1204, Sec. 1.001, eff. Sept. 1, 2003.

Sec. 775.0205. OVERLAPPING DISTRICTS. (a) If the territory in a district created under this chapter overlaps with the boundaries of another district created under this chapter or a district created under Chapter 776, the most recently created district may not provide services in the overlapping territory that duplicate the services provided by the other district at the time the overlapping district was created.

(b) If the territory in more than two districts overlaps, the commissioners court of the county in which the most recently created district is located by order shall exclude the overlapping territory from that district.

(c) For purposes of this section, a district is created on the date on which the election approving its creation was held. If the elections approving the creation of two or more districts are held on the same date, the most recently created district is the district for which the hearing regarding approval of the petition for creation of the district was most recently held.

(d) The creation of a district with boundaries that overlap the boundaries of another district does not affect the validity of either district.

(e) This section does not apply to a district located wholly in a county with a population of more than three million.

Added by Acts 2001, 77th Leg., ch. 1333, Sec. 3, eff. June 16, 2001. Amended by Acts 2003, 78th Leg., ch. 1204, Sec. 1.002, eff. Sept. 1, 2003.

Sec. 775.021. EXCLUSION OF TERRITORY LOCATED WITHIN OTHER TAXING AUTHORITY. (a) This section applies only to a district located in whole or in part in a county that:

(1) borders the Gulf of Mexico; and

(2) has a population of less than 1.5 million.

(b) The board of a district may exclude from the district the territory located within the boundaries of another taxing authority if the other taxing authority provides the same services to the territory as those provided by the district.

(c) The board, at its discretion, may hold a hearing to consider the exclusion of the territory.

(d) The board shall hold a hearing to consider the exclusion of the territory if the board receives a petition requesting a hearing on the issue that is signed by at least five percent of the qualified voters who own taxable real property in the district. A petition submitted under this subsection must describe the proposed new boundaries of the district or describe the boundaries of the

territory to be excluded from the district.

(e) The board shall issue a notice of a hearing to be held under Subsection (c) or (d). The provisions of Section 775.015 relating to the procedure for issuing notice of a hearing to create the district apply to the notice for the hearing under this section. The notice must state:

(1) the proposed new boundaries of the district or of the territory to be excluded;

(2) the time and place of the hearing; and

(3) that each person who has an interest in the exclusion or nonexclusion of the territory may attend the hearing and present the person's opinion for or against the exclusion of the territory.

(f) After the hearing the board either may order an election on the question of the exclusion of the territory or may declare by resolution the territory excluded from the district. However, the board may not declare the territory as excluded if the owners of at least three percent of the property located in the district protest the exclusion.

(g) If the board excludes the territory by resolution, the board shall state in the resolution the new boundaries of the district. The board shall file a copy of the resolution in the office of the county clerk of each county in which the district is located. The county clerk of each affected county shall record the resolution in the county records. After the resolution is recorded, the excluded territory is no longer a part of the district.

(h) The board shall order an election on the question of exclusion if:

(1) the owners of at least three percent of the property located in the district protest the exclusion; or

(2) the board:

(A) despite the lack of a protest, refuses to exclude the territory; and

(B) after refusing to exclude the territory, receives a petition requesting an election that is signed by a majority of the qualified voters who own taxable real property in the territory proposed to be excluded.

(i) Except as otherwise required by the Election Code, the election notice, the manner and time of giving the notice, and the manner of holding the election are governed by the applicable provisions of this chapter relating to the original election to create the district.

(j) If a majority of the voters voting in the election favor excluding the territory from the district, the board shall enter an order declaring the territory excluded from the district and stating the new boundaries of the district. The board shall file a copy of the order in the office of the county clerk of each county in which the district is located. The county clerk of each affected county shall record the order in the county records. After the order is recorded, the excluded territory is no longer a part of the district.

(k) If a majority of the voters voting in the election do not favor excluding the territory, the board may not act on a petition to exclude all or part of the territory until the first anniversary of the date of the most recent election to exclude the territory from the district.

(l) The exclusion of territory under this section does not diminish or impair the rights of the holders of any outstanding and unpaid bonds, warrants, or other obligations of the district.

(m) Territory excluded under this section is not released from the payment of its pro rata share of the district's indebtedness. The district shall continue to levy taxes each year on the excluded territory at the same rate levied on territory in the district until the taxes collected from the excluded territory equal its pro rata share of the indebtedness of the district at the time the territory was excluded. The taxes collected under this subsection shall be applied exclusively to the payment of the excluded territory's pro rata share of the indebtedness. The owner of all or part of the excluded territory may pay in full, at any time, the owner's share of the pro rata share of the district's indebtedness.

Added by Acts 1991, 72nd Leg., ch. 14, Sec. 271, eff. Sept. 1, 1991.

Sec. 775.022. REMOVAL OF TERRITORY BY MUNICIPALITY. (a) If a municipality completes all other procedures necessary to annex

territory in a district and if the municipality intends to provide emergency services to the territory by the use of municipal personnel or by some method other than by use of the district, the municipality shall send written notice of that fact to the board. The municipality must send the notice to the secretary of the board by certified mail, return receipt requested. The territory remains part of the district and does not become part of the municipality until the secretary of the board receives the notice. On receipt of the notice, the board shall immediately change its records to show that the territory has been disannexed from the district and shall cease to provide further services to the residents of that territory.

(b) The disannexation of territory under this section does not diminish or impair the rights of the holders of any outstanding and unpaid bonds, warrants, or other obligations of the district including loans and lease-purchase agreements.

(c) If a municipality annexes territory in a district, the municipality shall compensate the district immediately after disannexation of the territory under Subsection (a) in an amount equal to the annexed territory's pro rata share of the district's bonded and other indebtedness as computed according to the formula in Subsection (e). The district shall apply compensation received from a municipality under this subsection exclusively to the payment of the annexed territory's pro rata share of the district's bonded and other indebtedness.

(d) On the district's request, a municipality shall purchase from the district at fair market value any real or personal property used to provide emergency services in territory disannexed under this section.

(e) The amount of compensation under Subsection (c) shall be determined by multiplying the district's total indebtedness at the time of the annexation by a fraction the numerator of which is the assessed value of the property to be annexed based on the most recent certified county property tax rolls at the time of annexation and the denominator of which is the total assessed value of the property of the district based on the most recent certified county property tax rolls at the time of annexation.

(f) For purposes of this section, total indebtedness includes loans and lease-purchase agreements but does not include:

(1) a loan or lease-purchase agreement the district enters into after the district receives notice of the municipality's intent to annex district territory; or

(2) any indebtedness attributed to any real or personal property that the district requires a municipality to purchase under Subsection (d).

Sec. 775.0221. ARBITRATION REGARDING REMOVED TERRITORY. (a) The municipality and the district shall negotiate an agreement on the amount of compensation required under Section 775.022. If the municipality and the district cannot reach an agreement, the municipality and the district shall resolve the dispute using binding arbitration.

(b) A request for binding arbitration must be in writing and may not be made before the 60th day after the date the municipality receives notice from the district regarding the amount of compensation required under Section 775.022.

(c) The municipality and the district must agree on the arbitrator. If the parties cannot agree on the appointment of an arbitrator before the 11th business day after the date arbitration is requested, the mayor of the municipality shall immediately request a list of seven neutral arbitrators from the American Arbitration Association or the Federal Mediation and Conciliation Service or their successors in function. An arbitrator included in the list must be a resident of this state and may not be a resident of a county in which any part of the municipality or any part of the district is located. The municipality and the district must agree on the appointment of an arbitrator included in the list. If the municipality and the district cannot agree on the arbitrator before the 11th business day after the date the list is provided to the parties, each party or the party's designee may alternately strike

a name from the list. The remaining person on the list shall be appointed as the arbitrator. In this subsection, "business day" means a day other than a Saturday, Sunday, or state or national holiday.

(d) The arbitrator shall:

(1) set a hearing to be held not later than the 10th day after the date the arbitrator is appointed; and

(2) notify the parties to the arbitration in writing of the time and place of the hearing not later than the eighth day before the date of the hearing.

(e) The arbitrator may:

(1) receive in evidence any documentary evidence or other information the arbitrator considers relevant;

(2) administer oaths; and

(3) issue subpoenas to require:

(A) the attendance and testimony of witnesses; and

(B) the production of books, records, and other evidence relevant to an issue presented to the arbitrator for determination.

(f) Unless the parties to the dispute agree otherwise, the arbitrator shall complete the hearing within two consecutive days. The arbitrator shall permit each party one day to present evidence and other information. The arbitrator, for good cause shown, may schedule an additional hearing to be held not later than the seventh day after the date of the first hearing. Unless otherwise agreed to by the parties, the arbitrator must issue a decision in writing and deliver a copy of the decision to the parties not later than the 14th day after the date of the final hearing.

(g) The municipality and the district shall share the cost of arbitration.

Sec. 775.0235. REMOVAL OF CERTAIN TERRITORY ON REQUEST OF MUNICIPALITY. (a) The board shall remove territory from a district as provided by this section, on request of a municipality, if the territory:

(1) was included in the corporate limits of the municipality at the time the territory was first included in the district;

(2) is included in any part of a district that is composed of two or more territories that are not contiguous to each other; and

(3) is surrounded on at least three sides by territory inside the municipal boundaries of a municipality with a population of 400,000 or more.

(b) The board shall, on request of the municipality, immediately disannex the territory from the district and shall cease to provide further services to the residents of that territory.

(c) On request by the municipality, in connection with a disannexation under Subsection (b), the board shall immediately disannex all territory in the district that is included in the municipality's extraterritorial jurisdiction and shall cease to provide further services to the residents of such additional territory.

(d) The disannexation of territory under this section does not diminish or impair the rights of the holders of any outstanding and unpaid bonds, warrants, or other obligations of the district.

(e) If territory is disannexed under this section, the municipality shall compensate the district in an amount equal to the disannexed territory's pro rata share of the district's indebtedness at the time the territory is disannexed. The district shall apply compensation received from a municipality under this subsection exclusively to the payment of the disannexed territory's pro rata share of the district's indebtedness.

(f) On the district's request, a municipality shall purchase from the district at fair market value any real or personal property used to provide emergency services in territory disannexed under this section. If any part of the indebtedness for which the district receives compensation under Subsection (e) was for the purchase of the real or personal property that the municipality purchases under this subsection, the fair market value of that property for the purpose of this subsection is reduced by a percentage equal to the disannexed territory's pro rata share under

Subsection (e).

Sec. 775.024. MERGER OF EMERGENCY SERVICES DISTRICTS. (a) Two or more emergency services districts may merge into a single emergency services district as provided by this section if:

(1) the board of each of the districts votes in favor of the merger; and

(2) the residents of each district approve the merger in an election held for that purpose.

(b) The boards shall agree on a name for the proposed merged district and choose five commissioners from among the membership of the boards to serve on the initial board for the proposed district. The boards shall agree to stagger the terms appropriately.

(c) The ballot for the election to approve a merger shall be printed to permit voting for or against the proposition: "The merger of the \_\_\_\_\_ (insert district names) to create the \_\_\_\_\_ (insert name of proposed district), which assumes all outstanding debts of the merged districts."

(d) If a majority of the voters voting in each district favor the merger, the merged district is created. If less than a majority of the voters voting in any of the districts are in favor of the merger, the vote fails and the districts are not merged.

(e) The maximum tax rate that may be imposed by the merged district may not exceed the maximum tax rate authorized for any of the previous districts.

(f) The merged district assumes all powers, rights, duties, assets, and liabilities of the former districts without a change in status. The merger does not diminish or impair the rights of the holders of any outstanding and unpaid bonds, warrants, or obligations of the district.

Sec. 775.025. EXCLUSION OF CERTAIN TERRITORY SUBJECT TO ASSESSMENTS. (a) The board shall hold a hearing to consider the exclusion from the district of territory in a planned community if the board receives a petition requesting a hearing on the issue that is signed by at least five percent of the qualified voters residing in the territory proposed to be excluded from the district. A petition submitted under this subsection must describe the boundaries of the territory to be excluded from the district.

(b) The board shall give notice of a hearing under this section. The procedure under Section 775.015 for issuing notice of a hearing to create the district applies to the notice under this section. The notice must state:

(1) the boundaries of the territory proposed to be excluded;

(2) the time and place of the hearing; and

(3) that each person who has an interest in the exclusion or nonexclusion of the territory may attend the hearing and present the person's opinion for or against the exclusion of the territory.

(c) After the hearing, if the board finds that the entity responsible for administering and collecting the ad valorem or annual variable budget based assessments in the territory to be excluded provides or contracts for the provision of substantially the same services as provided by the district, the board shall:

(1) order an election on the question of exclusion; or

(2) declare by resolution the territory excluded from the district.

(d) The board may not exclude territory by resolution if at least three percent of the qualified voters residing in the territory to be excluded from the district protest the exclusion in writing at the hearing.

(e) In a resolution excluding territory, the board shall describe the new boundaries of the district.

(f) The board shall order an election in the territory proposed to be excluded on the question of exclusion if:

(1) at least three percent of the qualified voters residing in the territory to be excluded protest the exclusion in writing at the hearing; or

(2) the board:

(A) despite the lack of a sufficient protest, refuses to exclude the territory; and

(B) not later than the 90th day after refusing to exclude the territory, receives a petition requesting an election that is signed by at least 10 percent of the qualified voters

residing in the territory proposed to be excluded.

(g) Except as otherwise provided by the Election Code, the provisions of this chapter relating to the election creating the district apply to the election notice, the manner and time of giving the notice, and the manner of holding the election under this section.

(h) For purposes of the election, the order calling the election shall divide the territory proposed to be excluded from the district into one or more precincts.

(i) If a majority of the votes in an election favor excluding the territory from the district, the board shall enter an order declaring the territory excluded from the district and describing the new boundaries of the district.

(j) The board shall file a copy of a resolution or order with the county clerk of each county in which the district is located. Each county clerk shall record the resolution or order. After the resolution or order is recorded, the excluded territory is no longer part of the district.

(k) If a majority of the votes in the election are against excluding the territory, the board may not act on a petition to exclude all or any part of the territory before the first anniversary of the date of the most recent election to exclude the territory.

(l) The exclusion of territory under this section does not diminish or impair the rights of the holders of any outstanding and unpaid bonds, warrants, or other district obligations. The district shall continue to impose taxes each year on the excluded territory at the same rate imposed on other territory in the district until the total amount of taxes collected from the excluded territory equals its pro rata share of the indebtedness of the district at the time the territory was excluded. The taxes collected under this subsection shall be applied only to the payment of the excluded territory's pro rata share of indebtedness. The owner of all or part of the excluded territory at any time may pay in full the owner's share of the excluded territory's pro rata share of the district's indebtedness at the time the territory was excluded.

(m) On or after the date on which the appropriate county clerk records the resolution or order excluding the territory from the district, the district or a fire department or ambulance service that contracts with the district is not required to provide to the excluded territory emergency service facilities, emergency services, or other services to protect the life and health of residents in the territory.

(n) For purposes of Subsection (o)(1), land ownership that is separated only by the claim of title by the state to the beds and banks of rivers or streams is considered contiguous. Land ownership that is separated by a farm-to-market road right-of-way, whether fee simple ownership or an easement, is not considered contiguous.

(o) In this section:

(1) "Planned community" means a planned community of 15,000 or more acres of land originally established under the Urban Growth and New Community Development Act of 1970 (42 U.S.C. Section 4501 et seq.) that is:

(A) located in a county adjacent to a county with a population of 2,800,000 or more according to the most recent federal census; and

(B) subject to restrictive covenants containing ad valorem or annual variable budget based assessments on real property for use in part to finance services of the same general type provided by the district.

(2) "Territory in a planned community" means territory that:

(A) on the effective date of this section comprises all or part of a planned community; or

(B) on the effective date of this section is contiguous to a planned community and later becomes part of that planned community.

Sec. 775.026. CONVERSION OF RURAL FIRE PREVENTION DISTRICTS TO EMERGENCY SERVICES DISTRICTS. (a) Each rural fire prevention district created under former Chapter 794 is converted to an

emergency services district operating under this chapter.

(b) The name of a district converted under this section is changed to "\_\_\_\_\_ Emergency Services District No. \_\_\_\_\_," with the name of the county or counties in which the district is located and an appropriate number inserted to distinguish one district from another district.

(c) The emergency services district to which a rural fire prevention district converts assumes all obligations and outstanding indebtedness of the rural fire prevention district.

(d) A fire commissioner of a rural fire prevention district is an emergency services commissioner of the converted district on conversion of the district under this section and shall serve until the term for which the commissioner was appointed or elected expires.

(1) provides its own fire prevention and fire control services and owns or operates fire-fighting equipment or systems equivalent to or better than standards developed by the National Fire Protection Association or another nationally recognized association and for which the business entity receives the appropriate approval from the Texas Industrial Emergency Services Board of the State Firemen's and Fire Marshals' Association of Texas;

(2) provides and operates its own equipped industrial ambulance with a licensed driver and provides industrial victim care by an emergency care attendant trained to provide the equivalent of ordinary basic life support, as defined by Section 773.003; and

Sec. 1910.120, rescue, disaster planning, or security services, as recognized by the Texas Industrial Emergency Services Board of the State Firemen's and Fire Marshals' Association of Texas, and provides the equipment, training, and facilities necessary to safely handle emergencies and protect the business entity and its neighbors in the community.

(b) This section shall not be construed to exempt a business from a sales and use tax authorized by Section 775.0751.

Sec. 775.034. APPOINTMENT OF BOARD IN DISTRICT LOCATED WHOLLY IN ONE COUNTY. (a) The commissioners court of a county in which a single-county district is located shall appoint a five-member board of emergency services commissioners to serve as the district's governing body. To serve as a member of the board a person must be:

(1) at least 18 years of age; and

(2) a resident citizen of the state and:

(A) a qualified voter within areas served by the district; or

(B) the owner of land subject to taxation in the district.

(b) Except as prescribed by Subsection (c), commissioners serve two-year terms.

(c) After the votes are canvassed and the commissioners court enters the order creating the district, the commissioners court shall appoint the initial emergency services commissioners to serve until January 1 of the year following the district election. On January 1, the court shall designate three of those emergency services commissioners to serve a two-year term and two of those emergency services commissioners to serve a one-year term.

(d) On January 1 of each year, the commissioners court shall appoint a successor for each emergency services commissioner whose term has expired.

(e) The commissioners court shall fill a vacancy on the board for the remainder of the unexpired term.

(f) A member of the board who, because of municipal annexation, is no longer a qualified voter of an area served by the district or no longer owns land subject to taxation by the district

may continue to serve until the expiration of the member's term.

(g) The commissioners court shall consider relevant factors in determining the individuals to appoint as emergency services commissioners, including whether the individuals have knowledge that relates to fire prevention or emergency medical services and that is relevant to the common policies and practices of the board. Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended by Acts 1999, 76th Leg., ch. 496, Sec. 6, eff. Sept. 1, 1999; Acts 2001, 77th Leg., ch. 272, Sec. 2, eff. Sec. 775.035. ELECTION OF BOARD IN DISTRICT LOCATED IN MORE THAN ONE COUNTY. (a) The governing body of a district located in more than one county consists of a five-person board of emergency services commissioners elected as prescribed by this section. Except as provided by Subsection (g), emergency services commissioners serve two-year terms.

(b) After a district located in more than one county is created, the county judges of each county in the district shall mutually establish a convenient day provided by Section 41.001, Election Code, to conduct an election to elect the initial emergency services commissioners.

(c) To be eligible to be a candidate for emergency services commissioner of a district located in more than one county, a person must be at least 18 years of age and a resident of the district.

(d) A candidate for emergency services commissioner must give the county clerk of each county in the district a sworn notice of the candidate's intention to run for office. The notice must state the person's name, age, and address and state that the person is serving notice of intent to run for emergency services commissioner. On receipt of the notice, the county clerk shall have the candidate's name placed on the ballot.

(e) The county clerks of each county in the district shall jointly appoint an election judge to certify the results of the election.

(f) After the election is held, the county clerk of each county or the clerk's deputy shall prepare a sworn statement of the election costs incurred by the county. The statement shall be given to the newly elected board, which shall order the appropriate official to reimburse each county for the county's election costs.

(g) The initial emergency services commissioners' terms of office begin 30 days after canvassing of the election results. The two commissioners who received the fewest votes serve a term that expires on December 31 of the year in which the election was held. The other emergency services commissioners serve terms that expire on December 31 of the year following the election.

(h) The general election for commissioner shall be held annually on an authorized uniform election date as provided by Chapter 41, Election Code. The board may change the election date from one authorized election date to another authorized election date and shall adjust the terms of office to conform to the new election date.

(i) Subchapter C, Chapter 146, Election Code, applies to a write-in candidate for emergency services commissioner under this section in the same manner it applies to a write-in candidate for a city office under that subchapter.

Sec. 775.036. POWERS AND DUTIES OF BOARD. (a) The board shall:

(1) hold regular monthly meetings and other meetings as necessary;

(2) keep minutes and records of its acts and proceedings;

(3) give reports required by the state fire marshal, commissioner of health, and other authorized persons;

(4) give a written report not later than February 1 of each year to the commissioners court regarding the district's administration for the preceding calendar year and the district's financial condition; and

(5) administer the district in accordance with this chapter.

(b) The board may adopt and enforce a fire code, including

finer for any violations, that does not conflict with a fire code adopted by any county that also contains within its boundaries any portion of the land contained in the district and may require inspections in the district relating to the causes and prevention of fires and medical emergencies, except as provided by Section 775.031(b). The fire code must be similar to standards adopted by a nationally recognized standards-making association. The board may not enforce the district's fire code within the boundaries of a municipality that has adopted a fire code, except for an area that has been annexed only for limited purposes in which the municipality does not enforce a fire code. The board of a district located wholly within a county with a population of three million or more may not adopt a fire code or a fine for a violation of the district's fire code unless the commissioners court of the county consents to the adoption of the code or fine.

(b-1) If a county that contains within its boundaries any portion of the land contained in the district adopts a fire code after the district adopts a code under Subsection (b), the board may continue to enforce its fire code in the area subject to the county fire code. To the extent of any conflict between the county's code and the district's code, the more stringent provision prevails.

(c) The board may promote educational programs it considers proper to help carry out the purposes of this chapter.

(d) Subsection (a)(4) does not apply to the board of a district located wholly in one county.

(e) Chapter 551, Government Code, does not apply to a meeting of a committee:

(1) of the board if less than a board quorum attends; or

(2) composed of representatives of more than one board, if less than a quorum of any of the boards attends.

(f) Each January, the board shall publish the street address of the district's administrative office in eight-point type in the legal notices section of a newspaper of general circulation in the district. In a district's first year of operation, the board shall publish the notice not later than the 60th day after the date the initial board is appointed.

(g) The board may commission a peace officer or employ a person who holds a permanent peace officer license issued under Section 1701.307, Occupations Code, to inspect for fire hazards any structure, appurtenance, fixture, or other real property located in the district. The board may adopt procedures to order the owner or occupant of the property that fails an inspection to correct the hazardous situation.

Sec. 775.037. OFFICERS OF BOARD. (a) The emergency services commissioners shall elect from among their members a president, vice-president, secretary, treasurer, and assistant treasurer to perform the duties usually required of the respective offices. The office of secretary and treasurer may be combined.

(b) The treasurer must execute and file with the county clerk a bond conditioned on the faithful execution of the treasurer's duties. The treasurer of a district located in more than one county shall file the bond with the county clerk of the county with the largest population in the district. The county judge of the county in which the bond is to be filed must determine the amount and sufficiency of the bond before it is filed.

Sec. 775.038. COMPENSATION; CONFLICT OF INTEREST. (a) Except as provided by Subsection (b), an emergency services commissioner is entitled to receive compensation of not more than \$50 per day for each day the commissioner actually spends performing the duties of a commissioner. Compensation may not exceed \$3,000 per year. Commissioners may be reimbursed for reasonable and necessary expenses incurred in performing official duties.

(b) Instead of compensation under Subsection (a), a commissioner may elect to receive per diem compensation of \$50 for

each day the commissioner actually spends performing the duties of a commissioner. A commissioner who receives per diem compensation may not be reimbursed for reasonable and necessary expenses. Per diem payments may not exceed \$3,000 per year.

(c) To receive compensation, per diem compensation, or reimbursement for expenses, a commissioner must file with the district a verified statement showing the number of days actually spent performing the duties of a commissioner and a general description of the duties performed for each day of service.

Sec. 775.041. FEE PAYMENT AND COLLECTION. (a) A fee imposed by a district under Section 775.040 must be paid within a reasonable amount of time as established by the district.

(b) If the fee has not been paid in the amount of time established by the district, the district may collect the fee by filing a complaint in the appropriate court of jurisdiction in the county in which the district's principal office or meeting place is located.

(c) If the district prevails in any suit to collect the fee, it may, in the same action, recover reasonable fees for attorneys, expert witnesses, and other costs incurred by the district in the suit. The court shall determine the amount of the attorney's fees.

Added by Acts 1999, 76th Leg., ch. 496, Sec. 10, eff. Sept. 1, 1999.

Sec. 775.042. REMOVAL OF BOARD MEMBER. (a) A board may remove a member if:

(1) the member is absent from more than half of the regularly scheduled board meetings that the member is eligible to attend during a calendar year without an excuse approved by a majority vote of the board; and

(2) the other members of the board unanimously vote to remove that member.

(b) Not later than the 30th day after the date of a vote to remove a member under Subsection (a), that member may file a written appeal for reinstatement to the commissioners court of the county in which a single-county district is located or, if the district is located in more than one county, the commissioners court of the county where the member resides. The court may reinstate the member if it finds the removal unwarranted after considering:

(1) a reason for an absence;

(2) the time and place of a missed meeting;

(3) the business conducted at a missed meeting; and

(4) any other factors or circumstances the court considers relevant.

(c) The validity of a board action is not affected because it is taken when a ground for removal of a board member exists.

Sec. 775.043. EXEMPTION FROM INVESTMENT TRAINING. (a) Section 2256.008, Government Code, does not apply to an officer or employee of a district created under this chapter.

(b) A district may invest funds only in the authorized investments set forth under Government Code Section 2256.009 (obligations of, or guaranteed by governmental entities), 2256.010 (certificates of deposit and share certificates), or 2256.016 (investment pools), unless the treasurer, chief financial officer (if not the treasurer), and the investment officer of the district attend and successfully complete the training requirements under Section 2256.008, Government Code.

Sec. 775.054. ELECTION TO CONFIRM DISSOLUTION. (a) On the granting of a petition to dissolve the district, the board shall order an election to confirm the district's dissolution.

(b) Notice of the election shall be given in the same manner as the notice of the petition hearing.

(c) A district shall compensate the district that loses territory in an amount equal to that territory's pro rata share of the losing district's bonded and other indebtedness based on the unpaid principal balances and the actual property values at the time the changes in boundaries are made. The district that loses territory shall apply compensation received from the annexing district under this subsection exclusively to the payment of the annexed territory's pro rata share of the losing district's bonds or other debt.

(a) The adoption or abolition of the tax or change in the tax rate takes effect on the first day of the first calendar quarter occurring after the expiration of the first complete calendar quarter occurring after the date on which the comptroller receives a notice of the results of the election.

(b) If the comptroller determines that an effective date provided by Subsection (a) will occur before the comptroller can reasonably take the action required to begin collecting the tax or to implement the abolition of the tax or the tax rate change, the effective date may be extended by the comptroller until the first day of the next succeeding calendar quarter.

(c) The provisions of Section 321.102, Tax Code, governing the application of a municipal sales and use tax in the event of a change in the boundaries of a municipality apply to the application of a tax imposed under this chapter in the event of a change in the district's boundaries.

(2) paying expenses of operation and maintenance of the facility;

(3) creating a reserve fund to pay the principal of and interest on the bonds or notes; and

(4) creating other funds.

(i) As provided in the resolution, proceeds from the sale of the bonds and notes may be placed on time deposit or invested until needed.

(j) If the bonds or notes are issued payable by a pledge of revenues, income, or receipts, the district may pledge all or any part of its revenues, income, or receipts from fees, rentals, rates, charges, and proceeds and payments from contracts to the payment of the bonds or notes, including the payment of principal, interest, and any other amounts required or permitted in connection with the bonds or notes. (2) the payment of expenses in connection with the bonds or notes and the operation, maintenance, and other expenses in connection with the facilities to the extent required by the resolution authorizing, or the trust indenture securing, the issuance of the bonds or notes.

(b) The board may order an election on the bonds and notes. The order must contain the same information contained in the notice of the election.

(c) The board shall publish notice of the election at least once in a newspaper of general circulation in the district. The notice must be published not later than the 31st day before election day.

(d) If the resolution authorizing the issuance of, or the trust indenture securing, the bond anticipation notes includes a covenant that the notes are payable from the proceeds of the subsequently issued bonds, it is not necessary for the district to demonstrate, in order to receive the approval of the attorney general or registration by the comptroller, that the ad valorem taxes or revenues, income, or receipts that may be pledged to payment of the notes will be sufficient to pay the principal of and interest on the notes.
