2007 ACCOMMODATIONS GUIDE

Travel Information

THE TEXAS DEPARTMENT OF Transportation operates 12 Texas Travel Information Centers for the convenience of the traveling public. Uniformed, professional counselors welcome visitors and provide detailed information on travel within the state.

Working with the *Texas State Travel Guide* and the *Texas Official Travel Map*, counselors expertly chart routes to any area of Texas, pointing out the most convenient short-line directions or leisurely scenic drives to your destination. They supply comprehensive statewide travel publications, plus detailed brochures about towns, attractions and points of interest along the way.

Texas Travel Information Centers are the largest distributors of travel literature in the state and one of the largest in the nation. In 2005, travel counselors served 3.5 million visitors and distributed more than 15 million pieces of literature.

The centers are open daily except New Year's Day, Easter, Thanksgiving Day, Christmas Eve and Christmas Day.

TEXAS

ACCOMMODATIONS GUIDE

Welcome to Texas!

The 2007 *Texas Accommodations Guide* is designed to help make your experience in the Lone Star State a truly memorable one. Whether you are staying one night or several, Texas' many accommodations offer travelers a variety of choices and experiences. From resorts to ranches, historic properties, bed & breakfast lodgings, and hotel/motel quality experiences, Texas has it all.

The 2007 *Texas Accommodations Guide* is the official lodging publication for the State of Texas. It is available free of charge to requesters by calling 1-800-8888-TEX or visiting www.TravelTex.com. It is also distributed at the 12 Travel Information Centers—operated by the Texas Department of Transportation—located throughout Texas.

While every effort has been made to ensure the accuracy of the Guide, the information contained in this publication has been supplied by individual properties and is not guaranteed. The listed room rates are subject to change without notice, so these rates should be considered as guidelines rather than guaranteed rates. In addition, tax rates vary throughout the state and taxes have not been included in these listing ranges. The lodging properties listed in the 2007 *Texas Accommodations Guide* paid a fee to be included in this publication.

 This icon indicates lodging properties that are members of the Texas Hotel & Lodging Association. For more information, visit www.texaslodging.com.

To Request Additional Copies: Call 1-800-452-9292 between 8 a.m. and 6 p.m. Central time, or write to: Texas Accommodations Guide, P.O. Box 149249, Austin, TX, 78714-9249.

Lodging Listings: For information on how to include lodging listings in future editions, contact Brent Dollar at 512/486-5872 or via e-mail at bdollar@dot.state.tx.us.

<h3>How to Use the Guide</h3> <p>The 2007 <i>Texas Accommodations Guide</i> is designed to provide an organized directory of lodging choices available throughout the state. The Guide is organized into five sections: Hotel/Motel, Condominium, Bed & Breakfast, Cabin/Guest Home, and Guest Ranch. The standardized information is organized alphabetically by city and property.</p>	<h3>Wi-Fi Access</h3> <p>Wireless Internet service (Wi-Fi) is now available at all Texas Safety Rest Areas and Travel Information Centers. To obtain free travel information and access the internet, all you need is a wireless-enabled (Wi-Fi) computer within the Safety Rest Area or Travel Information Center designated 'hot spots.' Visit http://tx.roadconnect.net and get connected.</p>

More Texas Facts:

Texas, which covers **268,581 square miles** (land and water), **is as large as the following 10 states combined:** Maine, New Hampshire, Vermont, Massachusetts, Connecticut, Rhode Island, New York, Pennsylvania, Ohio and North Carolina.

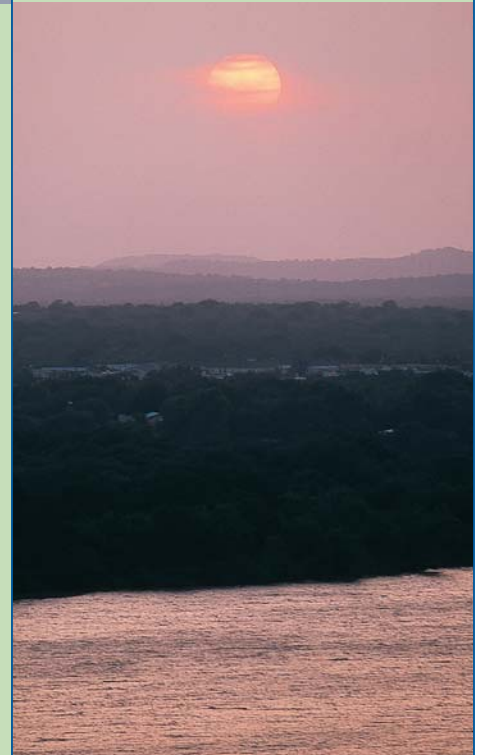

Texas extends **801 straight-line miles** from north to south and **773 miles** from **east to west**.

The state’s **longest river**, the **Rio Grande**, forms the international boundary between Texas and Mexico. The **second longest**, the **Red River**, forms the boundary between Texas and Oklahoma.

Texas’ **highest point** is **Guadalupe Peak** at 8,749 square feet. Its **lowest point** is at sea level where Texas meets the **Gulf of Mexico**.

The state has **22 million acres of forests and woodlands**. The East Texas Piney Woods area, with four national forests and five state forests, is home to 12 million of those acres.

Texas—second only to Alaska in inland water acreage—has more than **4,959 square miles of lakes and streams**. The largest body of water wholly within the state is Sam Rayburn Reservoir, with a normal surface area of 114,500 acres.

THE STATE SEAL — featuring the prominent “lone star” symbol — was adopted in 1836 by the Congress of the Republic of Texas. The oak and olive branches encircling the star were added in 1839. The current state seal was adopted as part of the 1845 state constitution and is identical to that of 1839, except the word “State” has replaced “Republic.”

It's like a whole other country.
