LEGAL REQUIREMENTS

Section 71.035(b) of the Texas Government Code requires each county clerk to report information pertaining to the civil and criminal business transacted by the district court(s) as required by the Texas Judicial Council.

The Official County Court Monthly Report has been developed to enable the county clerk (and district clerk in those counties where the district clerk is responsible for maintaining the files for certain types of cases heard by the county courts at law) of each county to comply with these requirements. This form is to be used to report the activity of the county-level courts during each one-month period. County-level courts include the constitutional county court and statutory county courts (county courts at law, statutory probate courts, county criminal courts, county criminal courts at law, county criminal courts of appeals, and county civil courts at law).

NOTE: Reports generated from a clerk's case management system should be an **exact replica** of the official monthly reporting form—that is, *all categories should follow the order on the monthly reporting form, no categories should be added or omitted, and no data should appear in areas that are shaded on the form.*

The monthly report is not designed to report everything that a court does nor everything that requires the attention or time of the judge. It is also not designed to reflect all of the clerk's responsibilities or to provide the basis for a complete case management system. Instead, the monthly report is designed to provide information required by law or needed by the judicial, legislative, and executive branches of government to make decisions regarding the jurisdiction, structure, and needs of the court system.

Sections 171.1 and 171.2 of the Texas Administrative Code require submission of court activity reports each month to the Texas Judicial Council by **no later than 20 days following the end of the month reported.**

Section 71.035(a) of the Government Code requires copies of the monthly reports to be maintained in the office of the clerk for a period of **at least two years** and to be made available to the public for inspection and reproduction.

GENERAL INSTRUCTIONS

OCA prefers that one report—combining the activity of all county-level courts serving the county—be submitted per month.

You must submit a report each month, even if your court had no activity. If your court had no activity for the month, you may indicate this by writing a large zero, “X,” or “No Activity” across the statistical part of the form.

Include only that activity that occurred during the month for which you are submitting a report. If you need to make changes to the information for a previous month, you must file an amended report. You should never adjust the current month's figures in an attempt to “fix” the information for previous months.

Please complete all sections of the report that are relevant to your court(s). A blank will be interpreted as a zero.

COVER PAGE

Please complete the appropriate blanks identifying the **month** and **year** for the data being reported; the county; the county (or district) clerk's name and mailing address; and the name and telephone number of the person preparing the report. Also, indicate whether the report includes information for one court or for all courts in the county.

CRIMINAL SECTION

Definition of Criminal Cases

For the purpose of these reports, the number of criminal cases reported on this monthly reporting form is based on the number of defendants named in an information or complaint.

1. If a single information or complaint names more than one defendant, it is counted as more than one case. For instance, if three defendants are named in one information, count this as three cases.
2. If the same defendant is charged in more than one information, it is counted as more than one case. For instance, if the same person is named in four separate informations, count this as four cases.
3. Finally, if an information naming one defendant contains more than one count (Art. 21.24, C.C.P.), report this as one case under the category for the **most serious offense alleged**.

Criminal Case-Type Categories

The monthly report provides six categories for the reporting of criminal cases. A complete alphabetized listing of the Penal Code and reporting categories is included as an appendix to these instructions and should be used as a reference source in determining the specific category in which a particular case is to be reported.

All criminal cases are to be reported on Page 1 of the monthly report in one of the categories below. **If a case contains more than one count, report this as one case only under the category for the most serious offense alleged.**

1. **D.W.I.:** A misdemeanor offense under Sections 49.04 or 49.09, Penal Code.
2. **THEFT or WORTHLESS CHECKS:** An offense under Penal Code Section 31.03 (Theft) or Section 31.04 (Theft of Service), or any offense of theft or theft of service if the defendant obtained property or secured performance of service by issuing or passing a check or similar sight order for the payment of money, when the issuer did not have sufficient funds in or on deposit with the bank or other drawee for the payment in full of the check or order as well as all other checks or orders then outstanding (Section 31.06, Penal Code). Also included are appeals of cases brought under Section 32.41, Penal Code—Issuance of Bad Checks.
3. **DRUG OFFENSES:** An offense under the Texas Controlled Substances Act (Ch. 481, Health and Safety Code), the Texas Dangerous Drug Act (Ch. 483, Health and Safety Code), or Ch. 485, Abusable Volatile Chemicals, Health and Safety Code.
4. **ASSAULT:** An offense under Penal Code 22.01 (Assault) or 22.05 (Deadly Conduct).
5. **TRAFFIC:** Violations of the provisions of Title 7, Transportation Code and related statutes, **except** D.W.I., Section 49.04, Penal Code.
6. **OTHER CRIMINAL CASES:** An offense not clearly identifiable as belonging in one of the preceding categories.

This section of the monthly report is designed to collect information on criminal case activity in the county-level courts. The **CRIMINAL SECTION** is divided into two subsections:

1. **CASES ON DOCKET** (Page 1); and
2. **DISPOSITIONS** (Page 2).

CASES ON DOCKET

Online Reporting Only:

DOCKET ADJUSTMENT

If the number of cases pending at the first of the month does not equal the number of cases pending at the end of the previous month, you must enter a docket adjustment. A *docket adjustment* is the difference between the number of cases pending at the end of the previous month and the number of cases pending at the beginning of the current month.

If the number of cases pending at the end of the month is **smaller** than the number pending at the beginning of the current month, enter a **positive** number in the appropriate blank. For example, if 825 drug possession cases were pending at the end of April but 830 were pending as of May 1, "5" ($825 + 5 = 830$) should be entered in the docket adjustment line under Drug Possession in the report for May.

If the number of cases pending at the end of the month is **larger** than the number pending at the beginning of the current month, enter a **negative** number in the appropriate blank. For example, if 900 assault or attempted murder cases were pending at the end of April but 890 were pending as of May 1, "-10" ($900 - 10 = 890$) should be entered in the docket adjustment line under Assault or Attempted Murder in the report for May.

Line 1. CASES PENDING FIRST OF MONTH

Report criminal cases previously filed that have not been disposed by the first of the month of the reporting period. The numbers here should equal the numbers in each category reported as **Cases Pending End of Month**, Page 1, Line 7, on the previous month's report.

NOTE: This line will calculate automatically if you are submitting your report online.

Online Reporting Only:

NO ACTIVITY

If no cases were filed, no cases were appealed from lower courts, no cases reached the docket as described in Lines 4a and 4b, AND no cases were disposed during the month reported, check the "No Activity" box. (Lines 2 through 4b, as well as Lines 6 and 8, of the Cases on Docket section and Lines 1 through 15 of the Dispositions section will be automatically filled in with zeros when "Submit" is selected.)

NOTE: If you select "No Activity," you must still fill in Unapprehended Cases (Line 9) and Cases Where Attorney Appointed as Counsel (Line 10).

Line 2. NEW CASES FILED DURING MONTH

Report the number of new cases filed for each criminal category. Include all new cases filed this month, even if they were disposed of this month.

*NOTE: Only include complaints originally brought in the county-level court (Class A or B misdemeanors). Do not include any other types of cases defined in **All Other Cases Reaching Docket** below.*

Line 3. CASES APPEALED FROM LOWER COURTS

Report all Class C misdemeanors docketed in your court(s) during the month that have been appealed from justice and municipal courts.

Line 4. OTHER CASES REACHING DOCKET

a. Motions to Revoke Probation or Revoke Deferred Adjudication Filed

Report **only the filing of motions** to revoke probation or to revoke deferred adjudication. When the court enters an order either revoking or continuing probation or deferred adjudication, report this action as a disposition on Page 2, Line 12 or 13.

b. All Other Cases Reaching Docket

Report such actions as indictments reduced to misdemeanors, cases transferred in on change of venue, new trials granted, cases reinstated, and cases remanded for new trial from appellate courts. **Competency hearings filed within criminal cases are also included here as separate cases reaching the docket.** Report the disposition of a competency hearing on Page 2, Line 14.

*NOTE: For the purpose of this report, a competency hearing is treated as a separate case from the original criminal case and is **not** reported as a disposition of the original criminal case.*

Line 5. TOTAL CASES ON DOCKET

Report the sum of Lines 1 through 4, i.e., **Cases Pending First of Month, New Cases Filed During Month, Cases Appealed from Lower Courts, and Other Cases Reaching Docket.**

$$\text{Lines 1} + \text{2} + \text{3} + \text{4a} + \text{4b} = \text{Line 5}$$

NOTE: This line will calculate automatically if you are submitting your report online.

Line 6. TOTAL DISPOSITIONS

Numbers reported on this line should be the same as those entered on Page 2, Line 15, **Total Dispositions.**

NOTE: This line will calculate automatically if you are submitting your report online.

Line 7. TOTAL CASES PENDING END OF MONTH

To calculate the number of **Cases Pending End of Month**, subtract **Total Dispositions** (Line 6) from **Total Cases on Docket** (Line 5).

$$\text{Line 5 minus Line 6} = \text{Line 7}$$

Unapprehended Cases, reported in Line 9, are included in the calculation of cases pending at the end of month.

NOTE: This line will calculate automatically if you are submitting your report online.

Line 8. AGE OF CASES DISPOSED

Report the length of time the cases that were disposed of during the month had been on the docket. Calculate this time span from the date the case was filed in the court through the date on which it was disposed.

NOTES:

- Report a deferred adjudication as a disposition at the time the defendant is first placed on deferred adjudication. Deferred adjudications should be aged the same as all other dispositions.
- **The total number of cases reported in this category MUST match the total number of dispositions reported.**

Line 9. UNAPPREHENDED CASES

Report the total number of original cases, as well as motions to revoke probation or to revoke deferred adjudication, pending at the end of the month because further court proceedings and activities cannot be resumed.

Include:

- Cases in which the defendant is **not** in county jail, **not** on bail and whose whereabouts are unknown and unascertainable;

- Cases stayed while a defendant undergoes temporary or extended inpatient mental health treatment; and
- Cases in which the defendant is otherwise unavailable for adjudication.

Line 10. CASES WHERE ATTORNEY APPOINTED AS COUNSEL

In the **Total Cases** column, report the number of criminal cases in which an attorney was appointed by the court.

NOTES:

- In criminal cases, an application for indigency and order of appointment must be filed in order for an attorney to be appointed to the case.
- Report each case in which an attorney was appointed by the court **regardless** of whether a trial was held.
- Report the case only in the **month in which the appointment was made**.
- **Do not** report more than one appointment of an attorney to the same case.

CIVIL SECTION

Definition of Civil Cases

A civil case, unlike a criminal case, does not depend on the number of persons involved. For the purpose of this report, a single civil case is counted and reported when:

1. An original petition is filed (no matter how many parties are involved), or
2. A show cause motion, motion to modify, or similar motion is filed following entry of original judgment in family law cases, or
3. Some other case is filed.

Civil Case-Type Categories

1. **INJURY OR DAMAGE INVOLVING MOTOR VEHICLE:** All cases for damages associated in any way with a motor vehicle (automobile, truck, motorcycle, etc.), with or without accompanying personal injury. Examples include personal injury, property damage, and wrongful death cases. Any type of driver's license suspension case, however, **is not** included in this category.
2. **INJURY OR DAMAGE OTHER THAN MOTOR VEHICLE:** Cases for personal injury or damages arising out of an event not involving a motor vehicle. Examples include "slip-and-fall" cases.
3. **TAX CASES:** Suits brought by governmental taxing entities for the collection of taxes.
4. **SUITS ON DEBT:** Suits based on enforcing the terms of a certain and express agreement, usually for the purpose of recovering a specific sum of money.
5. **DIVORCE CASES:** (Applicable only to those county courts at law which have been given jurisdiction in family law cases by the law which created the court.) A suit brought by a party to a marriage to dissolve that marriage pursuant to Family Code, Chapter 6. (Annulments are **not** reported here, but under All Other Family Law Matters.)
6. **ALL OTHER FAMILY LAW MATTERS:** This category includes all family law matters, other than divorce proceedings and those juvenile matters which are reported in the Juvenile Section, including:
 - Motions to modify previously granted divorce decrees, or other judgments or decrees, in such matters as amount of child support, child custody orders, and other similar motions which are filed under the original cause number;
 - Reciprocal (UIFSA): actions involving child support in which the case has been received from another court outside the state;
 - Annulments;
 - Adoptions;
 - Changes of name;
 - Termination of parental rights (child protective service cases);
 - Dependent and neglected child cases;
 - Removal of disability of minority;
 - Removal of disability of minority for marriage;
 - Voluntary legitimation (Section 160.201, Texas Family Code); and
 - All other matters filed under the Family Code that are not reported elsewhere.
7. **OTHER CIVIL CASES:** All civil cases not clearly identifiable as belonging in one of the preceding categories.

This section of the monthly report is designed to collect information concerning the civil case activity of the county-level courts. The **CIVIL SECTION** is divided into two subsections:

1. **CASES ON DOCKET** (Page 3); and
2. **DISPOSITIONS** (Top of Page 4).

DOCKET ADJUSTMENT

If the number of cases pending at the first of the month does not equal the number of cases pending at the end of the previous month, you must enter a docket adjustment. (See page 3 of these instructions for further explanation.)

Line 1. CASES PENDING FIRST OF MONTH

$$\text{Lines 1 + 2 + 3 + 4a + 4b} = \text{Line 5}$$

NOTES:

- *Many of the cases that were filed during this reporting period may have also been disposed of in the same month. However, these cases must still included be counted here as a case on the docket.*
- *This line will calculate automatically if you are submitting your report online.*

Line 6. TOTAL DISPOSITIONS

JUVENILE SECTION

Definition of Juvenile Cases

For the purposes of these reports, juvenile cases are based upon petitions for adjudication of a child alleged to have engaged in delinquent conduct or conduct indicating a need for supervision (C.I.N.S.) as governed by Title 3 of the Texas Family Code.

As used in these reports:

Texas Family Code, Section 51.02 generally defines a child as a person who:

1. is 10 years of age or older and under 17 years of age
- or -
2. is 17 years of age or older and under 18 years of age who is alleged or found to have engaged in delinquent conduct or conduct indicating a need for supervision as a result of acts committed before reaching age 17.

Texas Family Code, Section 51.03 generally provides that:

1. Delinquent conduct is conduct, that violates:
 - a. a state or federal penal law (other than a traffic offense) punishable by imprisonment or confinement in jail;
 - b. a lawful order of a court under circumstances that would constitute contempt of that court in:
 - a justice or municipal court; or
 - a county court for conduct punishable only by a fine;
 - c. Sections 49.04, 49.05, 49.06, 49.07, or 49.08 of the Penal Code; or
 - d. Section 106.041 of the Alcoholic Beverage Code, relating to driving under the influence of alcohol by a minor (third or subsequent offense).
2. Conduct indicating a need for supervision (C.I.N.S.) is conduct, other than a traffic offense, that constitutes:
 - a. the violation of a state penal law punishable by fine only;
 - b. the violation of a penal ordinance of any political subdivision of the state;
 - c. truancy;
 - d. running away from home;
 - e. inhaling paint, glue, or certain other chemicals;
 - f. the violation of a school district's previously communicated written standards of student conduct for which the child has been expelled; or
 - g. the violation of a court order issued under Section 264.305 of the Family Code.

Categorizing Juvenile Cases

Juvenile cases must be categorized as either:

1. "C.I.N.S." cases (conduct indicating a need for supervision)
- or -
2. "Delinquent Conduct" cases.

NOTE: Depending on the county, jurisdiction in juvenile matters may be exercised by the county-level courts only, by the district courts only, or by both. Juvenile court cases are to be reported on the appropriate monthly reporting form: cases heard by the county-level courts are reported on the Official County Court Monthly Report, while cases heard by the district courts are reported on the Official District Court Monthly Report.

This section of the monthly report is designed to capture court activity involving **Title 3 of the Family Code**. Do not report other Family Code matters typically handled by the court in this section. For instance:

- Suits affecting the parent-child relationship filed by the Texas Department of Protective and Regulatory Services alleging child abuse or neglect and seeking temporary managing conservatorship and/or termination of parental rights are not reported here. These cases are reported, at the time they are filed, in the Civil Section as **New Cases Filed During Month** (Page 3, Line 2) under the category of **All Other Family Law Matters**.
- Motions to modify or similar *show cause* type motions filed after the entry of original judgment in a Protective and Regulatory Services case are reported in the Civil Section as an **Other Case Reaching the Docket** (Page 3, Line 4a).
- Similarly, matters involving Titles 1, 2, or 4 of the Family Code are reported in the **Civil Section**, Pages 3 and 4.

The **JUVENILE SECTION** is divided into three subsections (all on Page 5):

1. **CASES ON DOCKET;**
2. **INFORMATION ON FINDINGS OF DELINQUENT CONDUCT OR C.I.N.S.;** and
3. **ADDITIONAL JUVENILE COURT ACTIVITY.**

The clerk must look at the petition to determine whether the case is to be reported in the **C.I.N.S.** category or the **Delinquent Conduct** category. Whenever a juvenile case is disposed, the disposition must always be reported in the same category as the filing of the original petition, i.e., **C.I.N.S.** or **Delinquent Conduct**.

Online Reporting Only:

DOCKET ADJUSTMENT

If the number of cases pending at the first of the month does not equal the number of cases pending at the end of the previous month, you must enter a docket adjustment. A *docket adjustment* is the difference between the number of cases pending at the end of the previous month and the number of cases pending at the beginning of the current month. (See page 3 of these instructions for further explanation.)

Line 1. CASES PENDING FIRST OF MONTH

Report all juvenile cases previously filed but not disposed of at the beginning of this reporting period. These numbers should equal the figures from the prior month's report on Line 8, **Cases Pending End of Month**.

NOTE: This line will calculate automatically if you are submitting your report online.

Online Reporting Only:

NO ACTIVITY

If one or more county-level courts are designated as a juvenile court and **no new cases or motions to revoke probation were filed, no cases reached the docket as described in Line 4, AND no cases were disposed** during the month reported, check the "No Activity" box. (Lines 2 through 12 will be automatically filled in with zeros when "Submit" is selected.)

Go to Additional Juvenile Court Activity, Line 13.

Paper Form Only:

NO ACTIVITY

If one or more county-level courts are designated as a juvenile court and **no new cases or motions to revoke probation were filed, no cases reached the docket as described in Line 4, AND no cases were disposed** during the month reported, check the "No Activity" box.

Go to Additional Juvenile Court Activity, Line 13.

Line 2. NEW PETITIONS FILED DURING MONTH

Report all new petitions for adjudication of delinquent conduct or conduct indicating a need for supervision filed during the month. Include all new cases filed this month, even if some cases were also disposed of during this month.

Do not include detention hearings or hearings for transfer to adult courts. These are reported under Additional Juvenile Court Activity (Lines 13 and 15, respectively).

Line 3. MOTIONS TO REVOKE PROBATION FILED DURING MONTH

Report only the filing of motions to revoke probation. When the court enters an order **revoking** probation, report this activity as a disposition on Line 6f.

Line 4. OTHER CASES REACHING DOCKET

Report cases transferred in on change of venue, cases remanded from appellate courts, reinstated cases, other crimes committed and handled under the original cause number, and similar matters.

Line 5. TOTAL CASES ON DOCKET

Report the sum of Lines 1 through 4, i.e., **Cases Pending First of Month, Petitions Filed During Month, Motions to Revoke Probation Filed During Month, and Other Cases Reaching Docket.**

Lines 1 + 2 + 3 + 4 = 5

NOTE: This line will calculate automatically if you are submitting your report online.

Line 6. CASES DISPOSED DURING MONTH

Report in Lines 6a through 6e the number of cases in which a final judgment has been entered following an **adjudication hearing** (defined in Family Code, Section 54.03).

- a. **Findings of Delinquent Conduct or C.I.N.S.—Trial by Judge**
- b. **Findings of Delinquent Conduct or C.I.N.S.—Trial by Jury**
- c. **Findings of No Delinquent Conduct or No C.I.N.S.—Trial by Judge**

Other types of dispositions are reported on Lines 6h and 6i.

- h. **Change of Venue Transfers**

Report **only** transfers to the juvenile court of another county. If a child is certified for transfer to a regular criminal court for trial as an adult, report this on Line 15.

- i. **All Other Dispositions, Including Causes Dismissed Without Any Adjudication**

Report all dismissals and any other dispositions not reported above.

Line 7. TOTAL CASES DISPOSED

Report the total number of dispositions during this reporting period by adding Lines 6a through 6i.

NOTE: This line will calculate automatically if you are submitting your report online.

Line 8. CASES PENDING END OF MONTH

Report the total number of cases pending at the end of this reporting period by subtracting Line 7 from Line 5.

Line 5 minus Line 7 = Line 8

NOTE: This line will calculate automatically if you are submitting your report online.

INFORMATION ON FINDINGS OF DELINQUENT CONDUCT OR C.I.N.S.

Provide information on the placement of children following a **disposition hearing** (defined in Family Code, Section 54.04) for cases in which a finding of delinquent conduct or C.I.N.S. was made, probation was revoked, or probation was continued.

Cases reported in this section are the same as those cases that are reported as disposed on Lines 6a, 6b, 6f and 6g. As indicated on Line 12, the total of this section must equal the total of Lines 6a + 6b + 6f + 6g in the **Cases On Docket** section.

Line 9. PLACEMENT OF CHILD IN CASES WHERE PROBATION WAS GRANTED OR CONTINUED

a. Placed Under Care of Parent or Relative

Report the number of cases, **not the number of children**, in which probation was granted or continued and the child was placed under the care of parents, relatives or other individuals.

b. Placed Under Foster Care

Report the number of cases, **not the number of children**, in which probation was granted or continued and the child was placed in a foster home.

c. Placed in a Residential Facility Other Than Texas Youth Commission

Line 10. NUMBER OF CASES WHERE CHILD WAS COMMITTED TO TEXAS YOUTH COMMISSION

Report the number of cases in which juveniles were committed to TYC as a result of a finding of delinquency. Also include commitments to TYC that resulted from motions to revoke probation.

Line 11. FINAL JUDGMENT WITHOUT ANY DISPOSITION

Report only those cases in which the court’s final judgment states that the judgment is *without any disposition* (as provided by Family Code, Section 54.04(c)). If the judgment does not say that it is *without any disposition*, check the judgment more closely to determine the placement of the child.

Line 12. TOTAL

Report in each column (**C.I.N.S.** and **Delinquent Conduct**) the total of Lines 9, 10, and 11. *These totals must equal the totals for each column of Lines 6a + 6b + 6f + 6g.*

$$\text{Lines 9 + 10 + 11} = \text{Line 12}$$

and

$$\text{Lines 6a + 6b + 6f + 6g} = \text{Line 12}$$

NOTE: This line will calculate automatically if you are submitting your report online.

- Report the case only in the **month in which the appointment was made**.
- **Do *not* report more than one appointment of an attorney to the same case.**

COURT-ORDERED MENTAL HEALTH SERVICES SECTION

LEGAL REQUIREMENTS

Section 574.014 of the Health and Safety Code requires the clerk of each court with jurisdiction to order commitment for involuntary mental health services to provide the Office of Court Administration each month with a report of the number of applications for commitment orders for involuntary mental health services filed with the court and the disposition of those cases, including the number of commitment orders for inpatient and outpatient mental health services.

The Court-Ordered Mental Health Services form, which is an addendum to the Official County Court Monthly Report, was developed to assist clerks in complying with this requirement. This form is to be used to report the activity of the court(s) during each one-month period.

Please submit this report, along with the Official County Court Monthly Report, to the Office of Court Administration **no later than 20 days following the end of the month reported.**

GENERAL INSTRUCTIONS

Please complete all information that is relevant to your court. Include only information regarding applications for commitment and applications for modification. Do not include information regarding other types of mental health services.

If no activity occurred during the month being reported, check the box at the top of the form.

If activity **did** occur:

- **Report *ONLY* activity that occurred during the reporting month.**
- Enter the actual number of cases, not names or dates, in the boxes. A blank box or a dash will be interpreted as a zero.

DEFINITIONS

Use the following definitions to categorize the types of applications for commitment orders filed:

Temporary mental health services: Application for commitment under Health & Safety Code §574.034(a) or §574.034(b) for not longer than 90 days. Does not include requests for modification of existing commitment orders.

Extended mental health services: Application for commitment under Health & Safety Code §574.035(a) or §574.035(b) for greater than 90 days, but not longer than 12 months. Does not include requests for modification of existing commitment orders.

Modification: outpatient to inpatient: Under Health & Safety Code §574.065(d)(2), application for the modification of an existing order for commitment for outpatient services to provide for commitment for inpatient services.

Modification: inpatient to outpatient: Under Health & Safety Code §574.061, application for the modification of an existing order for commitment for inpatient services to provide for commitment for outpatient services.

Use the following definitions to provide information on the status of the applications filed:

New applications filed: All applications for commitment orders and all applications for modification orders received during the reporting period month.

Release prior to final hearing: All applications for commitment orders and all applications for modification orders that are dismissed before the final hearing is held. This includes, but may not be limited to, release from emergency detention, release from order of protective custody, and modification to voluntary commitment. No commitment order or modification order is issued.

Disposition at final hearing:

Release: Applications for commitment orders and applications for modification orders that are released at the final hearing with no commitment order or modification order being issued.

Order: Applications for commitment orders and applications for modification orders for which court orders are issued at the final hearing. For commitment orders for temporary mental health services and commitment orders for extended mental health services, distinguish between orders for inpatient and outpatient services.

The report must be submitted to the Texas Judicial Council (Office of Court Administration) **no later than the 30th day after the date the judgment was entered in the case.**
