

Keeping Children Safe

Reporting Abuse and Neglect

Texas law requires caregivers to report suspected child abuse or neglect to the Texas Department of Family and Protective Services or law enforcement. Call **1-800-252-5400** to make confidential reports. Failure to report suspected abuse or neglect is a crime. Employers are prohibited from retaliating against caregivers who make reports in good faith.

Protecting Children

Shaken Baby Syndrome is the result of violently shaking young children. Injuries can include brain swelling and damage, subdural hemorrhaging, mental retardation and death.

NEVER SHAKE A BABY!

Sudden Infant Death Syndrome, or

SIDS, is the unexplained death of a sleeping baby. Always place infants to sleep on their backs on a firm surface, free from soft items such as quilts, pillows or toys.

Keeping Children Healthy

Protect children from illness and disease:

- Wash your hands and children's hands often.
- Immunize children.
- Keep ill children at home.
- Learn CPR and First Aid.
- Make sure that children drink plenty of water.
- Discuss special-care needs with caregivers.
- Learn more about childhood diabetes, which impairs a body's ability to regulate blood sugar levels, and other medical conditions from your child's health-care provider.
