JCIT STANDARD
ELECTRONIC FILING DATA INTERFACE
Adopted June 28, 2002

The Judicial Committee on Information Technology (JCIT) supports Extensible Markup Language (XML) Court Filing Standard 1.0, as adopted by the Joint Technology Committee (JTC) of the National Association for Court Management (NACM) and Conference of State Court Administrators (COSCA), as the data interface standard for electronic filing in Texas.

The Judicial Committee on Information Technology (JCIT) further supports Extensible Markup Language (XML) Court Filing Standard 1.1 as the data interface standard once it is adopted by the Joint Technology Committee (JTC) of the National Association for Court Management (NACM) and Conference of State Court Administrators (COSCA).
