# FY 2004 REPORT

October 30, 2004

To: Governor Rick Perry
Lt. Governor David Dewhurst
Speaker Tom Craddick

Members of the Texas Legislature

Re: Crime Victim Services Division, FY 2004 Victims Assistance Grants

Pursuant to Chapter 420, Texas Government Code; Section 264.608, Texas Family Code and the Appropriations Act of the 78th Legislature, Office of the Attorney General, Rider 13, the Office of the Attorney General respectfully submits the FY 2004 Report on Victims Assistance Grants.

Survivors of sexual assault, domestic violence, child abuse and other violent crimes face many financial, legal and emotional challenges. Local victim assistance programs, funded in part through the Crime Victim Services Division, make services available to help survivors meet and overcome these challenges.

Additionally, the nationally recognized Sexual Assault Nurse Examiner certification process administered by our Sexual Assault Prevention and Crisis Services program continues to extend the availability of medical/forensic exams throughout the state. This certification allows registered nurses who complete an intense training curriculum to conduct medical/forensic exams on children and adults who have been sexually assaulted. Survivors get the best care possible and the collection of vital evidence makes prosecution of offenders a reality.

Victims Assistance Grants represent the hope of a better future for Texans victimized by violent crime. This report outlines the efforts by our grantees to create safer communities, brighter futures for victims, and our efforts to support them crossing the bridge from victim to survivor.

Sincerely,

Don Clemmer

Deputy Attorney General for Criminal Justice

# EXECUTIVE SUMMARY

In cooperation with the Texas Legislature, the Office of the Attorney General (OAG) provides support to victims of crime through grants and contracts to local and statewide victim assistance programs. Victim services such as crisis intervention, hotlines, shelters, assistance with Crime Victims' Compensation applications, advocacy, education, and other victim-related services are available as a result of these partnerships.

The Texas Code of Criminal Procedure, Article 56.541, authorizes the OAG to use monies appropriated from the Compensation to Victims of Crime Fund for grants and contracts supporting victim related services or assistance. The OAG administers the following eight victim assistance grant programs as authorized by the Legislature:

- Other Victim Assistance Grants (OVAG)
- Victim Coordinator and Liaison Grants (VCLG)
- Sexual Assault Prevention & Crisis Services Program (SAPCS)
- Statewide Victim Notification System (Texas VINE)
- Court Appointed Special Advocates (CASA)
- Children's Advocacy Centers (CAC)
- Crime Victim Civil Legal Services Grants (CVCLS)
- Sexual Assault Services Program Grant (TAASA)

In Fiscal Year 2004, the OAG awarded \$33,716,168 to organizations that provide vital victim services in the state of Texas. In addition, the OAG used a total of \$2,092,091 (5.8%) in administrative costs for the oversight and administration of funds appropriated in the Victims Assistance Strategy. These direct and indirect administrative costs include salaries, travel, operating expenses and the costs associated with audit and monitoring activities performed by CPA firms to ensure compliance with state and federal guidelines.

# OTHER VICTIM ASSISTANCE GRANTS

A MADD Metroplex Chapter advocate assisted the mother of a DWI crash victim who was killed in Dallas County. The mother was from another state and could only afford to come to the trial alone. The advocate accompanied her to court each day, shielded her from contact with the defendant in the courthouse, and explained the different phases and rulings of the court process. At the completion of the trial, the mother sent a letter to the advocate expressing her appreciation for the support and information she received throughout the process.

- · direct victim services;
- victim services training;
- · victim assistance public awareness;

- other support for victim services as determined by the OAG.

Applications are carefully evaluated and scored by a team of internal OAG staff. Scoring is based on information provided by the applicants including a description of project activities, project objectives, and budget.

# **AWARDS**

For FY 2004, the OAG awarded 204 grants totaling \$9,939,852

#### **SUMMARY OF REPORTS & EFFECTIVENESS**

OVAG-funded programs served 52,919 victims of crime. These victims received 56,330 hours of counseling and 43,128 advocacy services. Additionally, victims received assistance with applying for compensation in 11,866 instances and 71,929 units of information about victims' rights and community resources.

# VICTIM COORDINATOR & LIAISON GRANTS

A woman was severely beaten and strangled by her live-in fiancé. She called 9-1-1 and then received crisis intervention from the Crime Victim Liaison. The liaison noticed how fearful the woman was of a potential backlash from her fiancé for calling the police. To address the victim's safety concerns, the crime victim liaison helped her file and receive temporary and permanent protective orders. She also assisted her with the Crime Victims' Compensation (GVC) application to receive relocation assistance. A week later, the woman stopped at the police station to thank the liaison for her help. She stated that she had not been harassed or threatened by her abuser since.

#### **THE PURPOSE**

Victim Coordinator and Liaison Grants (VCLG) support statutorily required coordinator/liaison positions in local law enforcement agencies and prosecutors' offices.

# **GUIDELINES FOR SELECTION**

The VCLG program rules and regulations are set forth in the Texas Administrative Code, Title I, Part 3, Chapter 60. The OAG uses a competitive application process to award VCLG funds for the provision of direct services to victims of crime.

Applications are carefully evaluated and scored by a team of internal OAG staff. Scoring is based on information provided by the applicants including a description of project activities, project objectives and budget.

#### **AWARDS**

For FY 2004, the OAG awarded 66 grants totaling \$2,307,728. These grants went to:

- 47 Prosecutor's Offices
- 12 Police Departments
- 7 Sheriff's Offices

# **SUMMARY OF REPORTS & EFFECTIVENESS**

VCLG funded programs served 23,937 victims of crime. These victims received 4,600 crisis intervention services and 15,244 advocacy services. # SEXUAL ASSAULT PREVENTION AND CRISIS SERVICES

"Your program helped me conquer my fears, learn to express myself, and know that I am not alone. Thank you for helping me when

I needed it most." - Letter from a sexual assault survivor to Family Crisis Center Inc., in Harlingen

#### **THE PURPOSE**

The purpose of the Sexual Assault Prevention and Crisis Services (SAPCS) program is to support and enhance local and statewide programs that address the problem of sexual assault through direct services, training and education. SAPCS also certifies Sexual Assault Nurse Examiners (SANE) and training programs that prepare volunteers to provide direct services to sexual assault survivors. In addition, SAPCS coordinates the creation and distribution of the pseudonym form and the evidence collection protocol for sexual assault forensic evidence collection. This program also receives federal funds for sexual assault prevention, education and some direct services.

#### **GUIDELINES FOR SELECTION**

The SAPCS program rules and regulations are set forth in the Texas Administrative Code, Title I, Part 3, Chapter 62. To be eligible for SAPCS funding, applicants must be a 501(c)3 (nonprofit) organization or governmental entity that offers the required basic services for at least nine months prior to receiving funding. These basic services are:

- · 24-hour hotline;
- · crisis intervention;
- accompaniment to medical facilities and law enforcement and prosecutor offices;
- · public education;
- · professional training; and
- · volunteer training.

Sexual assault programs are evaluated annually and those in good standing are re-funded each biennium. Each program receives a base award of \$50,000. The remaining funds are distributed based on need as demonstrated by service levels. As funds are available, new programs are funded through a competitive application process. Applications are scored based on geographic area served, demonstrated need for services, and stability of the organization. Priority is given to unserved and underserved areas of the state.

## **AWARDS**

For FY 2004, the OAG awarded 81 contracts totaling \$8,508,680:

- Seventy-six contracts for services by local sexual assault programs across the state;
- One contract with the Texas Association Against Sexual Assault (TAASA) to provide statewide training and technical assistance to local programs, sexual assault prevention and for a statewide public awareness campaign; and
- Four contracts for Sexual Assault Nurse Examiner (SANE) trainers.

## **SUMMARY OF REPORTS & EFFECTIVENESS**

FY 2004, SAPCS funded four new local sexual assault programs and seventy-two established programs. These sexual assault centers reported providing services to 21,447 survivors in 225 counties.

Specialized sexual assault services like those offered at The Family Place in Dallas make a difference in the lives of survivors of sexual assault. A report on outcomes from its incest recovery program indicates that survivors report an increase in their ability to feel safe, secure and emotionally stable; an increase in their ability to take care of their own needs; an increase in their ability to set boundaries with others; and an increase in their ability to handle life.

These programs also presented 6,902 community education sessions, 9,429 structured education sessions and 1,186 professional education sessions to a total of 744,597 participants.

#### SEXUAL ASSAULT SERVICES

# **AUDIT & OVERSIGHT ACTIVITIES**

To achieve 100 percent audit/oversight, all programs undergo one or more of the following procedures:

- On-site program monitoring by OAG staff;
- Financial and programmatic monitoring by external CPA firms using agreed-upon procedures;
- Desk reviews of annual audited financial statements by the OAG Internal Audit Division; and/or
- Monthly monitoring of performance reports, invoices, financial status reports and contract amendments.

#### **ADDITIONAL ACTIVITIES & PROJECTS**

SAPCS contracted with four experienced, certified SANEs in FY 2004 to deliver SANE training across the state. This strategy provided flexibility to meet the needs of communities and nurses seeking certification. Eleven training seminars were offered to 95 registered nurses. In Texas, 194 RNs are currently certified to perform sexual assault exams, 69 of whom were newly certified in FY 2004.

# STATEWIDE VICTIM NOTIFICATION SYSTEM

# TEXAS VINE

750,247 INCOMING CALLS · 20,686 CONFIRMED NOTIFICATION CALLS

**26,806 NEW VICTIMS REGISTERED FOR NOTIFICATION** 

#### **THE PURPOSE**

Notification of major events in the criminal justice system is one of the most basic rights afforded to crime victims in Texas. The purpose of the Statewide Victim Notification System is to implement an automated system that allows victims of crime to access information and receive notification about changes in offender status and court events twenty-four hours a day. Texas VINE (Victim Information and Notification Everyday) provides crime victims with this information via a toll-free number. County jail and court database information from participating counties is networked into a central database. As directed by the Legislature, the OAG facilitates the notification program by offering assistance in establishing contracts between the counties and the central database company.

#### **GUIDELINES FOR SELECTION**

The Office of the Attorney General (OAG) certified Appriss, Inc. through an open bid process as the sole vendor for counties contracting with the OAG to implement the Texas VINE program. Counties are granted contracts based on a number of factors including fund availability, county interest in participation, county size and projected usage.

#### **AWARDS**

For FY 2004, the OAG awarded 83 contracts totaling \$2,941,005

#### **SUMMARY OF REPORTS & EFFECTIVENESS**

Since the inception of Texas VINE, 125 counties have contracted for participation. Each county operates its own Texas VINE system. Therefore, the contracted counties are at various stages of implementation. Sixty-two counties are at full implementation, with information available from both jails and courts while 31 have information for jails only at this time. The remaining 32 are under contract and working toward implementation.

Two assessment surveys to measure effectiveness are under development. First, the OAG is working with Appriss, Inc. to implement a satisfaction survey for all incoming information calls and outgoing notification calls. Second, a survey is being developed for the county administrators to report their level of success in accessing accurate information during their monthly test calls.

# **AUDIT & OVERSIGHT ACTIVITIES**

To ensure proper functioning and documentation of the contracts, the OAG utilizes the following audit and oversight activities:

- Monthly monitoring of invoices for reimbursement;
- Reimbursement to grantee based on milestone completion by Appriss, Inc. and the grantee;
- · On-site program monitoring; and
- Review of utilization data provided by Appriss, Inc.

In compliance with their contract, the local administrators of each county test the Texas VINE system monthly by attempting to access information on eight random offenders.

# COURT APPOINTED SPECIAL ADVOCATES

Voices for Children, Inc. in Bryan, TX helped a child who was abandoned at the hospital with numerous medical problems. The CASA involved

found relatives in another state and coordinated a courtesy home study performed by the local CASA in California. Because of CASA's

assistance, the child was placed with a relative in about six weeks, rather than the year it would normally take to make such a placement.

#### **THE PURPOSE**

The purpose of the Court Appointed Special Advocates (CASA) grant is to develop and support local CASA programs. CASAs provide court-appointed volunteers to advocate for the best interest of abused children involved in the legal and welfare systems.

#### **GUIDELINES FOR SELECTION**

The Office of the Attorney General (OAG) is legislatively directed to contract with a statewide organization with expertise in the dynamics of child abuse and neglect and with experience in operating volunteer advocate programs that provide training, technical assistance and evaluation services. The designated funds are awarded to Texas CASA, Inc. Texas CASA, Inc. then contracts with local Court Appointed Special Advocates programs to provide direct services. Texas Family Code, Chapter 264, Subchapter G details eligibility criteria for a local CASA program to receive funds from Texas CASA, Inc. and contract award requirements. Applicants must be a 501(c)3 (nonprofit) organization operating an advocate program that:

- uses volunteers appointed by the court to provide for the needs of abused or neglected children;
- provides services that encourage permanent placements for abused and neglected children;
- has provided court-appointed advocacy services for at least two years;
- provides court-appointed advocacy services to at least 10 children each month;
- · has demonstrated local judicial support; and
- has demonstrated fiscal support from the community.

# **AWARDS**

For FY 2004, the OAG awarded one contract to Texas CASA, Inc. for \$3,144,900. Texas CASA, Inc. then awarded 54 contracts totaling \$2,640,000 to local CASA programs. The balance of the award was used by Texas CASA, Inc. for administrative costs to oversee and support the local CASA programs.

## **SUMMARY OF REPORTS & EFFECTIVENESS**

For FY 2004, Texas CASA, Inc. reported providing services to 16,669 children in 181 counties. These services were provided by 4,260 volunteers. This represents an 8.8% increase in children served and an 8% increase in volunteers providing services. 8,423 of the children were male and 8,246 were female.

- 16,139 reports were provided to the courts on the progress and well-being of children in state care.
- 1,680 volunteers were trained at local programs to provide advocacy services to children in state care.
- 5,012 people received in-service training at local programs.

Child Advocates, Inc., the CASA program serving Harris County, issued a report comparing children and families with CASAs to children only served by Child Protective Services (CPS). This study found that children with a CASA have fewer placement changes than those solely served by CPS. These children also have greater self-esteem, can control deviant behavior, have a positive attitude toward

the future, value achievement, and work well with others. Mothers supported by a CASA, when compared with those only served by CPS, were offered and completed more counseling services, psychiatric evaluation, drug and alchohol counseling, and GED education. More fathers supported by a CASA were offered and completed those same services than fathers served by CPS alone.

#### **AUDIT & OVERSIGHT ACTIVITIES**

To ensure accountability for these funds, the following audit and oversight activities were utilized:

- The Internal Audit Division of the OAG performed desk reviews of each local program's annual audited financial statements.
- Texas CASA, Inc. made 35 on-site quality assurance reviews in FY 2004. These reviews include an assessment of the volunteer program, service provision and organizational stability.

# AGES OF CHILDREN SERVED BY LOCAL CASA PROGRAMS

## **ADDITIONAL ACTIVITIES & PROJECTS**

**Public Awareness** - The Lone Star Proud for Kids License Plates are both a fundraiser and public awareness tool for Texas CASA, Inc. Over 3,000 applications for these license plates were received this year.

**Training** - Texas CASA, Inc. provided technical assistance and training to fifteen local CASAs. The Board of Directors for seven local CASAs received training specifically on developing the skills and resources necessary for successful organization management.

**Expansion -** Five communities are in the process of program creation. Four existing programs are in the process of expanding their service areas.

# CHILDREN'S ADVOCACY CENTERS

"It's been really hard for us and my little brothers, but I know we'll all be okay now. I just want you to know that I wish all kids that had bad things happen to

them had people like you to go to and to talk to so their lives could get better and they could be happy again. Like me. Thank you for listening to me and for

helping me and for helping my mom. I hope someday when I grow up I can help kids like you do." ~ Letter to CAC from a 12 year-old sexual abuse victim.

# SERVICES TO ADULTS & CHILDREN

22,995 FORENSIC INTERVIEWS · 20,660 CASES REVIEWED · 17,059 MENTAL HEALTH SERVICES

**1,978 CRIME VICTIM'S COMPENSATION ASSISTANCE** 

#### **THE PURPOSE**

The purpose of the Children's Advocacy Centers (CAC) grant program is to develop and support local child advocacy centers that offer a coordinated, multi-disciplinary response to cases of suspected child abuse.

#### **GUIDELINES FOR SELECTION**

The Office of the Attorney General (OAG) is legislatively directed to contract with a statewide organization that has expertise in the establishment and operation of children's advocacy center programs. The designated funds are awarded to Children's Advocacy Centers of Texas, Inc. (CACTX). CACTX then contracts with local CAC programs to provide direct services. Texas Family Code, Chapter 264, Subchapter E, directs CACTX to contract with eligible centers to enhance existing services of the local CAC programs. The eligibility requirements for a local CAC program to receive funds from CACTX include:

- a signed memorandum of understanding with the local parties that investigate or prosecute child abuse cases or deliver services to child abuse victims;
- · a multidisciplinary team that holds regularly scheduled case reviews;
- · a method of statistical information gathering;
- · an in-house volunteer program; and
- other rules pertaining to the management of contracts.

#### **AWARDS**

For FY 2004, the OAG awarded one contract to Children's Advocacy Centers of Texas, Inc. for \$3,999,003. CACTX then awarded 58 contracts totaling \$3,459,130 to local CAC programs. The balance of the award was used by Children's Advocacy Centers of Texas for administrative costs to oversee and support the local CAC programs.

# **SUMMARY OF REPORTS & EFFECTIVENESS**

In FY 2004, CACTX served 138 counties through funding to 58 local programs. An additional 80 counties received a variety of courtesy services. These local CACs provided services to 19,450 children, an increase of 8% from last year. Of these, 32% were male and 68% were female. CACTX reports the following benefits to the children and families they serve:

- · Children are subjected to fewer interviews;
- · Medical exams are performed by specialized professionals;
- · Investigations and prosecutions are resolved more quickly; and
- Children and families are offered therapeutic services from specialized professionals.

#### **AUDIT & OVERSIGHT ACTIVITIES**

To ensure accountability for these funds the following audit and oversight activities were utilized:

- OAG program staff reviewed and approved the budget and all budget amendments, and reviewed and analyzed the performance reports submitted by CAC of Texas. These reports encompass all of the local programs funded through this contract.
- CACTX performed on-site monitoring visits to 29 established programs.
   Technical assistance visits were made to each of the six programs newly funded in FY 2004.
- CAC of Texas reviewed the statistical reports submitted by the local programs every quarter. All budgets and requests for reimbursement were closely reviewed for approval.

# AGES OF CHILDREN SERVED BY LOCAL CAC PROGRAMS

## **ADDITIONAL ACTIVITIES & PROJECTS**

Expansion - During FY 2004, six new children's advocacy center programs were established, serving a total of nine previously unserved counties. The counties served by these new programs include Grayson, Guadalupe, Brazoria, Uvalde, Medina, Real, Hunt, Liberty and Chambers. Also, two existing centers expanded official services to include Yoakum County and Jasper County.

# CRIME VICTIM CIVIL LEGAL SERVICES GRANTS

When a child's mother was wounded and permanently disabled as the result of a drive-by shooting, the child's father sought help from Texas Rural Legal Aid (TRLA). Because he was a truck driver, he was unable to get time off from work to enroll the child in school. TRLA assisted him in obtaining the power of attorney to allow the child's grandmother to enroll her. TRLA also provided assistance in filing an application for Crime Victims' Compensation for counseling for his daughter, who witnessed the shooting.

#### **THE PURPOSE**

The Crime Victims Civil Legal Services Grants were authorized by the Legislature to increase the availability of free and affordable civil legal services for victims of crime, such as protective orders, housing, disability benefits and other legal services.

#### **GUIDELINES FOR SELECTION**

The Office of the Attorney General (OAG) entered into an interagency contract with the Texas Supreme Court to administer the Legal Services Grants. The Texas Supreme Court contracts with the Texas Equal Access to Justice Foundation (TEAJF) to handle the administrative management of these funds. The requirements for selecting recipient programs are set forth in the order of the Court establishing TEAJF as the administrator of these funds. To be eligible to apply for these funds, a program must:

- be a 501(c)3 (nonprofit) organization;
- provide victim-related civil legal services to victims, immediate family members of victims or claimants;
- provide services based on persons meeting certain income eligibility requirements;
- · maintain open records;
- · conduct open meetings; and
- be in compliance with other policies adopted by the Court and Foundation.

TEAJF awards these funds to eligible local programs through a competitive grant application process. TEAJF staff carefully evaluates applicants on their history with TEAJF, including compliance and on-site evaluations, and makes program selection recommendations to the Board of Directors. The Board reviews these recommendations and considers such factors as ability to provide proposed services, underserved populations or areas of the state, and the potential for duplication of services. New applicants make oral presentations to the TEAJF Board of Directors on the organization and the services it proposes to provide. The Board allocates 15% of the funding for projects serving unique or statewide needs. The remainder is allocated into three regions of the state based on the poverty population.

#### **AWARDS**

For FY 2004, the OAG awarded one contract to the Supreme Court of Texas for \$2,500,000. The Texas Equal Access to Justice Foundation, which administers this progam for the Court, then awarded 26 grants totaling \$2,412,500 for crime victim civil legal services in Texas. The balance of the award was used by TEAJF for administrative costs to oversee and support the local legal service programs. These programs include:

- · Four grants for statewide services; and
- · Twenty-two grants for local services.

# **SUMMARY OF REPORTS & EFFECTIVENESS**

In FY 2004, local and statewide programs served 6,516 victims of crime in 203 counties. This is a 9.1% increase in victims served over FY 2003.

#### **AUDIT AND OVERSIGHT ACTIVITIES**

To achieve 100% audit/oversight, all grantees received one or more of the following by TEAJF staff:

- · On-site program monitoring;
- Review of quarterly fiscal and programmatic activity reports;
- · Review of annual audit; and/or
- Review of an annual report of services and self-assessment.

#### **ADDITIONAL ACTIVITIES & PROJECTS**

Expansion - As a result of the Civil Legal Services Grants, all twenty-six grantees have created new programs or partnerships to serve victims of crime or enhance current services. These funds have strengthened collaborative efforts between the network of Legal Aid providers and victim service agencies. Populations that are now receiving help because of these grants include parents whose children have been abducted to a foreign country, ethnic populations that are typically underserved, and victims of abuse that could not afford legal representation.

# SEXUAL ASSAULT SERVICES PROGRAM GRANT

#### **PURPOSE**

The purpose of the Sexual Assault Services Program Grant is to provide program development, technical assistance and training to local sexual assault programs. The grant also provides statewide training for service providers, law enforcement agencies and other victim services groups.

#### **GUIDELINES FOR SELECTION**

These funds are awarded by the Office of the Attorney General (OAG) via contract with the Texas Association Against Sexual Assault (TAASA), a statewide organization with expertise in the dynamics of sexual assault and abuse. The OAG is statutorily authorized by Chapter 420, Texas Government Code, Section 420.006 to fund special projects that improve services to survivors of sexual assault. The SAPCS program rules and regulations set forth in Texas Administrative Code, Part 3, Chapter 62, govern such special projects.

#### **AWARDS**

For FY 2004, the OAG awarded one contract to the Texas Association Against Sexual Assault totaling \$375,000. TAASA provides statewide training, technical assistance and written materials to support local programs.

# **SUMMARY OF REPORTS & EFFECTIVENESS**

TAASA provides training to sexual assault programs, victim services and other professionals and community members. This training supports the stability of sexual assault programs by addressing the essential functions of providing sexual assault services and increasing the skills and knowledge of other professionals about sexual assault.

# **AUDIT & OVERSIGHT ACTIVITIES**

To ensure accountability for these funds, the following audit and oversight activities were utilized:

- OAG program staff monitored monthly invoices and financial status reports;
- OAG program staff approved the budget and any budget amendments, and reviewed and analyzed monthly performance reports; and
- An annual audit was performed by an external CPA firm. By state audit standards, this organization was considered to be a low risk program.

## **ADDITIONAL ACTIVITIES & PROJECTS**

FY 2004 activities focused on diversity and included the following:

- Translated TAASA Web site into Spanish
- Sponsored a Statewide Diversity Task Force to address the needs of the diverse survivors of sexual assault in Texas
- Created a diversity manual on providing culturally competent services
- Created a training component on working with male survivors of sexual assault
- Created a guide for clergy on working with survivors and created a brochure for victims that addresses spirituality questions after a victimization.
