EMS Certification/Licensure Downgrade Statement

All information given on this application is considered public record, with the exception of social security number\*.

EMS rules allow you to voluntarily change your EMS certification/licensure to a lower level. You may downgrade the level of your current certification/licensure for the duration of this period or you may choose to renew your certification/licensure at a lower level. In either case, you must submit this form with the renewal application and fee, if not exempt. The required fee is the full fee amount for the lower certification as listed on the renewal application form. See renewal application form for correct fee amount.
