

The Art Center of Corpus Christi

2ND Saturday Art Market

Attention Artists!

Come join us every 2nd Saturday of each month. Set up a booth and sell your works to the public! We will provide the space you provide the product. What a wonderful combination to create a profitable environment for everyone! We plan to make this an event to attend!

All artists' works must be original-no mold made items or printed patterns, transfers, decals, or designs may be used.

Artists must be Art Center Members. If you are not, please contact us to join!

Set up is from 9AM - 10AM. At 10AM, set up must be complete and vendor vehicles must be moved across the street to the bank parking lot to make way for customer parking.

You will be permitted to tear down your booth at 4PM when the Art Market closes.

Booths must be reserved. Reserve your space early for the best locations. Courtyard booths that have been reserved will remain the same. Inside spaces will be rotated.

Booths may be moved inside if bad weather occurs.

Booth rental is \$25. The Art Center will provide a table and two chairs. These are on a first come first serve basis so reserve yours early. You may use any special displays of your own as well.

For further information contact the Art Center at 884-6406 or email us info@artcentercc.org
