DSHS/Mental Health and Substance Abuse Information Center Policies

Hours and location:

The Information Center is open between 8:30 a.m. and 5:00 p.m. Monday through Friday. While we handle many of our requests via mail, e-mail and phone, we welcome walk-in patrons. Our physical location is at 909 W. 45th St., Building 1, Room 121, on the SE corner of North Lamar and 45th St. in Austin. Building 1 is a low red brick structure, and it is labeled Texas Health and Human Services, 4405 N. Lamar above the west doors, which are not a public entrance. Enter the building on the east or south sides. We are in Suite 121 on the south end of the building. Our mailing address is Information Center/ Mental Health and Substance Abuse/ Texas Dept. of State Health Services/ 909 W. 45th St, Mail Code 2083/ Austin, TX 78751. We observe all national holidays, and have reduced staffing on state holidays.

Customers:

We circulate materials and distribute informational literature to people residing in Texas. Anyone within the state wishing to borrow materials from our collection may complete a Patron Registration form on our web site at <http://www.dshs.state.tx.us/sa/salibrary.shtm>, or call (866) 378-8440 x5802 for more information. If you fill out the registration form in hard copy you may fax it to us at 512-206-5704 or mail it to our office.

Loan Period for Library Materials:

The Information Center will loan out books and videos (with the exception of reference materials, serial publications, government documents and curriculum materials which are restricted to library use only) to anyone who has registered with us. All materials are loaned for a period of two weeks (with one additional week offered to cover the mailing of materials to patrons located outside of Austin) and must be returned either in person or through a traceable mail delivery system at the end of the loan period. Materials may be renewed over the phone for an additional period if another patron is not waiting for that item.

Limits:

New patrons are limited to one item for their first request, two for their second, and up to five thereafter if their account is in good standing. All patrons are limited to one new item per request. New items are marked in the catalog with a star symbol (☆). Most materials ship within seven (7) business days.

Responsibilities:

Patrons are responsible for the timely return of all borrowed items in the condition in which they were received, and are financially responsible to the State for lost or damaged materials.

Clearinghouse Materials:

We provide samples to our walk-in customers and to anyone else who requests a sample via fax, e-mail, or phone. Since the items we stock vary from day to day (as this is largely dependent upon periodic shipments received from other governmental sources), it is not practical at this time to produce a catalog of our distribution items. We're happy to work with you on the phone, via e-mail or in person to locate resources to meet your needs. We also provide materials and support to the Prevention Resource Centers located throughout the state. Requests for larger quantities of materials should be directed to these centers by calling (888) PRC-TEXX.

Questions:

If you have questions about these policies or our resources in general, please contact us at (866) 378-8440 x5802 or litcenter@dshs.state.tx.us.
