Registration of Mobile Services **Used in the Healing Arts and Veterinary Medicine**

In addition to the requirements of 25 TAC §289.226(e) and (f) or 25 TAC §289.232(h)(2), as applicable, each applicant shall apply for and receive authorization for mobile services before beginning mobile service operation. The following shall be submitted.

- (a) An established main location where the machine(s), records, etc., will be maintained for inspection.
- (b) A sketch or description of the normal configuration of each x-ray unit's use, including the operator's position and any ancillary personnel's location during exposures. If a mobile van is used with a fixed unit inside, furnish the floor plan indicating protective shielding and the operator's location.
- (c) Each application for mobile services used in the healing arts shall submit a current copy of the applicant's Operating and Safety Procedures regarding radiological practices for protection of patients, operators, employees, and the general public.
