With few exceptions, you have the right to request and be informed about information that the State of Texas collects about you. You are entitled to receive and review the information upon request. You also have the right to ask the state agency to correct any information that is determined to be incorrect. See <http://www.dshs.state.tx.us> for more information on Privacy Notification. (Reference: Governor Code, Section 552.021, 552.023, 559.003 and 559.004)

Tan solo por unas cuantas excepciones, usted tiene el derecho de solicitar y de ser informado sobre la información que el Estado de Texas reúne sobre usted. A usted se le debe conceder el derecho de recibir y revisar la información al requerirla. Usted también tiene el derecho de pedir que la agencia estatal corrija cualquier información que se ha determinado sea incorrecta. Dirijase a <http://www.dshs.state.tx.us> para más información sobre la Notificación sobre privacidad. (Referencia: Government Code, sección 552.021, 552.023, 559.003 y 559.004.)

IMPORTANT INFORMATION

- Effective January 1, 2005, the term of all certifications is two years for initial and renewal applicants.
- An accreditation is required to offer training courses for the purposes of meeting certification requirements in accordance with the §295.201-§295.220 of the Texas Environmental Lead Reduction Rules.
- You may pay for your accreditation online at <http://www.TexasOnline.com> and mail a copy of your online receipt and required supplemental application documentation to the address provided on the other side of this application. You may also mail in your fee along with the accreditation application and required supplemental documentation to the same address for processing.
- Applications will not be approved until all required application documentation has been reviewed and verified.
- An accreditation that has expired for one year or more may not be renewed. The training provider may obtain a new accreditation by complying with the requirements for obtaining a new accreditation.
- If your accreditation certificate has been lost or stolen, you must submit an Application for Replacement along with the appropriate fee of \$20.

The appropriate fee and the following documentation are required for certification in accordance with §295.207 of the Texas Environmental Lead Reduction Rules:

Certification Fees: *(two-year term)*

- INITIAL/RENEWAL:
 Certification Fee: \$600.00 Subscription Fee: \$10.00 Total Cost: \$610.00
- EXPIRED FOR 90 DAYS OR LESS: *(1.5 times the base certification fee)*
 Certification fee: \$900.00 Subscription Fee: \$10.00 Total Cost: \$910.00
- EXPIRED FOR MORE THAN 90 DAYS BUT LESS THAN ONE YEAR: *(2 times the base certification fee)*
 Certification fee: \$1200.00 Subscription Fee: \$10.00 Total Cost: \$1210.00

Requirements for an Initial Certification:

- The required certification fee (See fees above.)
- A copy of applicant's training course completion certificate from a Department-accredited training provider for the initial 24-hour Lead Inspector training course AND the 16-hour Lead Risk Assessor training course
- A copy of your examination results showing proof of passing the department's Lead Risk Assessor examination with at least a 70% passing grade within 6 months of completing the initial 24-hour Lead Inspector course AND 16-hour Lead Risk Assessor course

Also, at least one of the following criteria must be met and verification documentation provided:

- Bachelor's degree and one year of experience in a related field (e.g. lead, asbestos, public health, environmental remediation work, or building construction trades) §295.207(b)(3)(A)
- An associate's degree and two years of experience in a related field (e.g. lead, asbestos, public health, environmental remediation work, or building construction trades) §295.207(b)(3)(B)]
- A high school diploma (or equivalent), plus at least three years of experience in a related field (e.g. lead, asbestos, public health, environmental remediation work, or building construction trades) §295.207(b)(3)(C)
- Certification as an industrial hygienist, an engineer, a public health nurse, a professional registered sanitarian, a certified safety professional, a registered architect or an environmental scientist §295.207(b)(1)(C)(iv)

Requirements for Renewing a Certification:

- The required certification fee (See fees above.)
- A copy of applicant's training certificate from a Department- accredited training provider for the 8-hour Lead Inspector refresher training course and the 8-hour Lead Risk assessor training course completed no sooner than 180 days prior to the expiration date of the certification

Suggested Format for Documenting Work Experience

Dates <i>(from – to)</i>	Job Title Field of Work Duties Performed	Name of supervisor, title, & phone number of individual that can verify experience
Employer		
Location
