IMPORTANT INFORMATION

- Effective January 1, 2005, the term of all certifications is two years for initial and renewal applicants.
- A certification is required for lead-related activities in accordance with the §295.201-§295.220 of the Texas Environmental Lead Reduction Rules.
- You may pay for your certification online at <http://www.TexasOnline.com> and mail a copy of your online receipt and required supplemental application documentation to the address provided on the other side of this application. You may also mail in your fee along with the certification application and required supplemental documentation to the same address for processing.
- Applications will not be approved until all required application documentation has been reviewed and verified.
- A certification that has expired for one year or more may not be renewed. The person may obtain a new certification by complying with the requirements including the examination for obtaining a new certification.
- If your Lead Abatement Supervisor certification certificate and/or identification card has been lost or stolen, you must submit an Application for Replacement along with the appropriate fee of \$20 for each replacement credential requested.

The appropriate fee and the following documentation are required for certification in accordance with §295.208 of the Texas Environmental Lead Reduction Rules:

Certification Fees: (two-year term)
