Subscription renewal information is in the mail...

Revised subscription materials have been sent by separate mail to all *DPN* subscribers and to individuals whose subscription requests were received recently. The mailing includes the revised subscription form, information on the new service fees for print copies, and eligibility guidelines for complimentary services. To continue to receive your *DPN* issues without interruption, be sure to complete the **revised** subscription form and return it **no later than March 31, 1997**. We apologize for any inconvenience this requirement may cause those who recently subscribed using the old forms.

If you have not received these materials by February 1, please contact the *DPN* office at the above address or by calling (512) 458-7677.

Reminder:

The electronic version of *DPN* will continue to be available free of charge to everyone on the *World Wide Web* at <http://www.tdh.state.tx.us/phpep/dpnhome.htm>. All *DPN* issues for the past two years are readily available, and new issues are usually available at least a week before the print copies are mailed.
