Ordering Instructions for Texas WIC Materials and Forms

The Texas WIC program uses two warehouses to store and distribute WIC materials: the Department of State Health Services Warehouse and the WIC Warehouse. Two locations are necessary because of the large volume of materials produced by the Texas WIC program. Procedures are similar but, unfortunately, the order forms and some procedures are different. The appropriate order form is specified beside the graphic of the material.

- A copy of the WIC Materials Order Form is on page 7, and can also be downloaded from http://www.dshs.state.tx.us/wichd/gi/pdf/materials.pdf
- A copy of the AG-30 form is on page 3 of this catalog, or download the form from

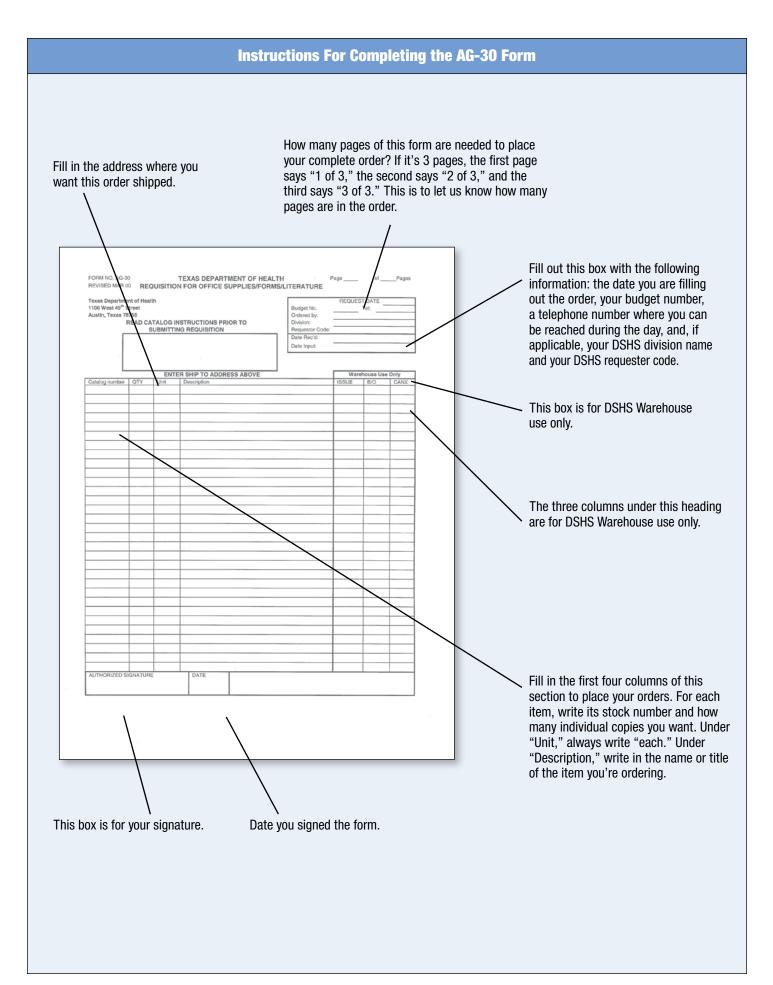

http://webds.dshs.state.tx.us/mamd/litcat/pdf/ag-30.pdf

Please use the form specified for each piece of material ordered, or your order may be delayed or sent back for correction.

Tips On Ordering Publications:

ALWAYS order the following items on the WIC Order Form: Lessons, Videos, Fact Sheets, Posters, Publications and all items that have a stock number that starts with 13-06. When you order online always have your WIC order form by your computer. When ordering materials that don't allow a quantity to be entered, place these items on the WIC order form and fax your order form to (512) 458-7445 (these items are stored at the WIC warehouse).

	To Order From the WIC Warehouse:		To Order From the DSHS Warehouse:

AG-30 Order Schedules for Regions

When ordering forms or materials from the DSHS Warehouse using the AG-30 form, please order a two-months' supply, if storage permits. Only one individual should order per using activity. These policies do not apply to ordering from the WIC Warehouse using the Texas WIC Materials Order Form.

Please order only once a month, using the following schedule:

Order at this time	Public Health Region
First week of month	Regions 1, 2, 3 (Lubbock, Canyon, Arlington, Abilene, Wichita Falls areas)
Second week of month	Regions 4, 5, 6 (Tyler, Houston, Beaumont areas)
Third week of month	Regions 7, 8, 11 (Temple, Austin, San Antonio, Uvalde, Harlingen, Corpus Christi areas)
Fourth week of month	Regions 9, 10 (El Paso, Midland, San Angelo areas)

NOTE: Ordering outside the schedule for your area may delay the processing of your order. If it is necessary, contact the warehouse manager about your special scheduling needs.

Policies

DSHS literature is available to anyone, upon request, in the state of Texas with the following policies being enforced:

- Online orders will be limited to a **maximum of 40** different items to make sure that the DSHS Warehouse can meet the demands and delivery schedule for the volume of orders received.
- The DSHS Warehouse asks that you make every attempt to **limit your submission of orders to once a month** to make sure that the warehouse can meet the demands and delivery schedule of the volume of orders received. If you submit an order more than once within a month's time, the system will automatically route your order to the DSHS Warehouse for review. In these instances, please supply adequate justification in your **Customer Comments** when you submit your order.
- Because of the high volume of requests for some items, some constraints must be placed on available quantities. Those items with a limit on the quantity that may be ordered will have to say so on the **Catalog Search Results and Select Items to Order or Download** page.
- When ordering forms in large quantities for special programs or for seasonal mailouts, please allow a **minimum** of 60 days' notice to ensure timely shipment.
- Please note that material bearing the DSHS logo may be reproduced locally, at the user's expense, in any quantity you desire.
- Private-sector requests for out-of-stock items will be **canceled**. Notification of cancellation will be sent and reflected on-line via this Web site's **Order Inquiry** / **Update** feature. Please resubmit the request 60 days from the receipt of notification.
- Items that specify that they are professional in content are available to **professionals** only. These include teachers, physicians, dentists, registered dietitians, registered nurses, veterinarians, engineers, etc. Please denote your professional status when ordering these items or **the request will not be honored**.
- Please direct any questions concerning your order to the publications coordinator, Nutrition Services Section
