Fingerprinting: Effective January 1, 2007, anyone who must provide fingerprints to the Texas Department of Insurance (TDI) must pay an additional \$34.25 fingerprint processing fee. The new fee is required under Commissioner's Order number 06-1077 that adopts amended 28 TAC §1.501 and new §§1.503 – 1.509. The complete text of the rule may be accessed at: <http://www.tdi.state.tx.us/rules/2006/1003-059.html>. The \$34.25 processing fee will pay for criminal history background checks by both the Texas Department of Public Safety (DPS) and the Federal Bureau of Investigation (FBI). The \$34.25 is in addition to the \$9.95 fingerprint collection fee charged by the companies that take electronic fingerprints for the State of Texas and any other license or application fees.

In addition to the new fee, the process of having fingerprints taken and attaching the fingerprint cards to the application has changed to implement electronic fingerprinting through approved vendors as authorized under the rule. Electronic fingerprinting is fast and accurate, and in most cases will avoid potential delays in the processing of your submission. The general process effective January 1, 2007, is:

- 1 Print and complete the FAST Pass form from TDI's website,** <http://www.tdi.state.tx.us/forms/agents.html>. You will need information from the FAST Pass when you make your fingerprint appointment.
- 2 Schedule an appointment to be fingerprinted.** Pursuant to DPS requirements on the vendor, you will be photographed as part of the fingerprint process. You must pay the \$34.25 fee plus a \$9.95 fingerprint collection fee (\$44.20 total) to the vendor in a manner that is acceptable to that vendor.

All fingerprint appointments will be made by DPS' vendor, L-1 Identity Solutions (formerly IBT or Identix Identification Services). The vendor has 60+ Texas fingerprint locations, including the Prometric testing centers which administer the TDI agent/adjuster licensing examinations. Schedule at <http://www.ibtfingerprint.com> or call toll-free 1-888-467-2080 (8 a.m - 5 p.m. CST).

- 3 Arrive at your scheduled appointment with your FAST Pass.** After your fingerprints and photograph are taken, the technician will give you a receipt stating that you were fingerprinted. Do not throw away the receipt. You will not get a printed fingerprint card. Your fingerprints will be sent electronically to DPS and the FBI.

4 Attach a copy of your fingerprint receipt to your application. You will be sending the receipt copy instead of sending a paper fingerprint card. Keep the original receipt for your records.

Exception to Electronic Fingerprinting

Non-resident public insurance adjuster applicants may continue to submit paper fingerprint cards even after January 1, 2007, because electronic fingerprinting for TDI may be available only at sites located in Texas. Non-residents, however, may contact L-1 Identity Solutions (formerly IBT or Identix Identification Services) to determine if it has local fingerprinting facilities that can process fingerprints for TDI electronically. Also, resident applicants may submit a paper fingerprint card; however, paper fingerprints may substantially delay the processing of these applications both due to longer processing times and because it will increase the likelihood that the fingerprint will be rejected by DPS or FBI and require a reprint. Additionally, beginning January 1, 2007, all fingerprints captured on paper cards must be captured by a criminal law enforcement agency. Persons submitting paper cards should mail the application to the address given on the application along with the paper fingerprint card and a **\$34.25 check or money order payable to DPS**. The \$34.25 fee applies to all applications submitted to TDI on or after January 1, 2007. TDI will forward the fee payment and the fingerprint card to DPS.

NOTICE: Applications received after January 1, 2007, with an original fingerprint card without the required \$34.25 check or money order payable to DPS will be returned to the applicant unprocessed.
