Dear Mr. Whiteside:

This is to inform you that the District intends to reopen your Title V permit, pursuant to the authority under 2-6-415.4.

The reopening will address EPA's order of March 15, 2005 in response to a petition from Citizens for a Better Environment.

We will also take this opportunity to include any corrections or other cleanup items that have previously been identified, time permitting.

This reopening will be subject to public review and comment and EPA review.

Please contact me if you have any questions.

Sincerely yours,
