The notice required by BAAQMD Regulation 2-6-415 was sent on December 16, 2004. The purpose of the reopening is to address deficiencies identified by the EPA on October 8, 2004, incorporate changes in applicable requirements authorized in Authorities to Construct, address issues raised in the refinery's appeal to the December 16, 2004 permit, and address some refinery comments.

The District is inviting public comment on the changes to proposed permit. The notice inviting written public comment will be published in the Contra Costa Times. The final date for comments is May 24, 2005. This permit will be sent to EPA for review after the public comment period and any response to public comments.

Enclosed for your information are copies of the proposed permit, the public notice, the evaluation report/statement of basis. If you have any questions regarding this project, please call Steve A. Hill, Permit Evaluation Manager, at (415) 749-4673, fax (415) 749-5030.

Sincerely,
