

Fall 2007 Open Enrollment Mobile Office Tour (MOT) Calendar

This fall, the “Working Together for Better Health” Medicare Bus Tour will visit communities across the nation, bringing together Medicare representatives to work with community partners, city and state leaders and advocates on the ground. Together, they will educate people with Medicare on the tools and resources available during Open Enrollment to choose the Medicare plan that fits their lives.

Listed below is a calendar for the MOT. It shows the date, the CMS Regional Office that is involved for the specific date and the event locations.
