

# 2008 U.S.-AFRICA INFRASTRUCTURE CONFERENCE

# Connecting the Continent

OCTOBER 6-8, 2008 | GRAND HYATT | WASHINGTON, D C

**The Corporate Council on Africa invites you to its third annual U.S. - Africa Infrastructure Conference. This year's conference will focus on Information Communication Technology (ICT), Transportation, Energy, and Security.**

### **Participants will:**

- Obtain information on infrastructure development opportunities throughout Africa
- Network with key African and U.S. private sector and government representatives, including investors, capitol market experts, infrastructure providers, and investment bankers
- Explore new business opportunities by identifying specific growth areas and projects
- Discover the latest financing options and instruments available
- Meet potential partners

### **Plenary sessions & workshops will address:**

- Public-private partnerships
- Risk mitigation: financial, legal, and political
- Project financing
- Secure banking and data transmission
- Joint ventures and strategic alliances
- ICT infrastructure development
- Ports and airports
- Maritime security
- Potable water
- Safe skies and airport security
- Roads, rail, and bridges
- Logistics and distribution
- Supply chains and food security
- Energy , electric grids, lighting
- Oil and Gas

### **Workshop panelists will include:**

African ministers of telecommunication, infrastructure, and energy; decision makers from leading U.S. infrastructure and financial companies; multilateral development institutions such as the World Bank and the African Development Bank; and senior U.S. government officials. Most importantly, these sessions will include proven strategies and solutions for your company to succeed on the continent.
