<b>Missouri</b>	The State has submitted a Section 1115 family planning demonstration and SCHIP SPA that will replace the State's comprehensive Section 1115 waiver. The SPA has been approved and the Family Planning demonstration is undergoing review. The State's current Section 1115 demonstration that will expire on September 30, 2007, will be replaced by these two programs. Until expiration, the existing demonstration is under the lead of DSDW and will be under the lead of DSCHI upon approval. Renewal alters State's premiums structure for children with family incomes greater than 150% of the FPL. It reformulates the premiums based on the changed income formula for access to affordable employee sponsored health care insurance and the premium level structure for the Missouri Consolidated Health Plans.	7/11/06 Subsumed into 1115 Renewal/ Extension on 1/12/07.
