56.1 Do I need to submit information on drug control programs?

You must submit information for all drug control programs identified by the Office of National Drug Control Policy (ONDCP) as part of the National Drug Control budget (see ONDCP Circular, “Budget Formulation,” dated May, 2002).

Drug control programs are programs, policies, and activities undertaken by National Drug Control Program agencies pursuant to the responsibilities of such agencies under the National Drug Control Strategy (see [21 USC 1701\(6\)](#)). These programs:

- Enforce drug control laws;
- Discourage the use of drugs; or
- Treat individuals for substance abuse.

56.2 What materials must I provide?

For each bureau in your agency that is included in the National Drug Control Budget, you must submit a copy of the “Drug Control Budget Resource Summary” prepared by your agency for ONDCP, as required by that Office’s Circular, “Budget Formulation.”

You must submit revised materials, reflecting final budget decisions, promptly after such decisions have been made (see section [100.1](#)).

Include the date of preparation and the name and telephone number of an individual responsible for answering questions on the information provided. OMB may also require additional information, such as the effects on your drug control budget of actions by the House and Senate Appropriations Committees and Subcommittees.
