## INSTRUCTIONS THE CERTIFICATE OF ADEQUACY (COA) APPLICATION

The following instructions for individual line items are provided to assist in completing the Application for a Certificate of Adequacy (COA). If you have any questions or need assistance in completing the Application, please contact the U.S. Coast Guard Captain of the Port (COTP) for your area. A list of definitions, which you may find helpful in completing the Application, is provided in 33 Code of Federal Regulations Part 158 (33 CFR 158).

- 1.A. Indicate terminal if you are applying as a single terminal or indicate port if you are applying as a group of terminals. Do not mark "COTP Designated Port" unless you have a letter from the COTP with such a designation. COTP designation of a facility or an area as a port is for unusual situations. If you have a question as to whether COTP designation as a port applies to your situation, contact the COTP for your area.
  
- 1.C. (1) For a terminal, enter the company or corporation name. For a port, enter the company, corporation, port authority, or organization by which the group of terminals is legally known.
  
- 1.C.(3) Enter the name of a person authorized to act in behalf of the terminal or port.
  
- 1.C.(5) For a terminal, enter the company or corporation name. For a port, enter the company, corporation, port authority, or organization of which the person in charge is a member.
  
- 1.D.(1) Those applying as terminals do not have to complete this section, since the information is the same as in 1.C. Ports are to provide this information for each of the terminals indicated in 1.B.
  
- 2.A.(1) Enter the company or corporation name of the reception facility.
  
- 2.A.(5) Check as many of the types of reception facilities as may be used.
