COMMUNITY INPUT NEEDED FOR SECTOR DEVELOPMENT PLAN

Bernalillo County Commissioner Teresa L. Cordova and the Zoning, Building and Planning Department will be hosting the first Mountain View Sector Development Plan meeting on **Tuesday, March 8, 2005 beginning at 6:00 pm. The meeting will be held at the Mountain View Community Center.**

“The Zoning, Building and Planning Department is currently updating and revising several sections of the County Code,” says Commissioner Cordova. “The Mountain View Sector Development will include significant input from advisory committees consisting of local residents and businesses and the plan will address the diverse land use and environmental mix of this residential/industrial area. I encourage South Valley residents to get involved in this process and help develop the future use of our community.”
