RULES AND RELATED MATTERS

U.S. SECURITIES AND EXCHANGE COMMISSION

TIME FOR COMMENTS RELATING TO ISSUERS THAT REPORT TO MULTIPLE FEDERAL AGENCIES EXTENDED

On September 3 the SEC invited public comments on proposed amendments to Rules 13a-13, 14a-3, 14c-3, and 15d-13 and the proposed revocation of Rule 13b-1 and annual report Form 12-K under the Securities Exchange Act of 1934. If adopted, these amendments would require that those registrants who currently file copies of their reports submitted to the Interstate Commerce Commission, Federal Power Commission, Federal Communications Commission, and Civil Aeronautics Board as exhibits to annual report Form 12-K and in lieu of the information specified in quarterly report Form 10-Q instead file reports in full compliance with annual report Form 10-K and quarterly report Form 10-Q and the regulations governing such reports. (34-12769) The time for submitting comments would have expired October 15, but the Commission has extended the comment period to November 15, 1976. (Rel. 34-12892)

COMMISSION ANNOUNCEMENTS

COMMISSION AUTHORIZES ORDER OF PRIVATE INVESTIGATION OF TANDY CORP.

In connection with the lifting of the trading halt in both the Tandy Corp. stock on the NYSE and the options on that stock traded on the AMEX, the Commission announced that it had authorized an order of private investigation concerning possible insider trading and/or manipulation in the stock and listed options of Tandy Corp. In this regard the Commission believes that brokers and dealers should take special care to determine that customers trading in Tandy stock or options or exercising stock options were not in possession of material non-public information. In addition, it should be noted that Tandy's exchange offer must be filed with the Commission. (Rel. 34-12893)

ADVISORY COMMITTEE ON REPLACEMENT COST IMPLEMENTATION MEETING CANCELLED

The SEC Advisory Committee on Replacement Cost Implementation meeting scheduled to be held on October 28 at the SEC, 500 North Capitol Street, Washington, D.C. has been cancelled. The next meeting is scheduled for December 6, 1976.

TRADING SUSPENSIONS

TRADING SUSPENDED IN DECAIR CORPORATION

The SEC announced the single ten-day suspension of exchange and over-the-counter trading in the securities of Decair Corporation, Spring Valley, New York, for the period beginning on October 14 and terminating at midnight (EDT) on October 23, 1976.

The Commission ordered the suspension at the request of the company because of the lack of accurate and adequate public information about the company's financial condition. The Commission understands that Decair's outside Certified Public Accountants have withdrawn their opinion as to the financial statements filed with the Commission for the company's fiscal year ended September 30, 1974 and that Decair's annual report on Form 10-K for fiscal year ended September 30, 1975 was filed with the Commission without financial statements. (Rel. 34-12891)

ADDITIONAL ACTION ON ONE TRADING SUSPENSION

The SEC has announced the suspension of exchange and over-the-counter trading in the securities of Diversified Industries Inc. for the further ten-day period October 17 - 26, inclusive.
