ADMINISTRATIVE PROCEEDINGS

PROCEEDINGS INSTITUTED AGAINST THE CHARTER COMPANY

The Commission issued an Order Instituting Proceedings under Section 15(c)(4) of the Securities Exchange Act of 1934 and Findings and Order respecting The Charter Company. The Commission found that Charter: materially failed to comply with Section 13(a) of the Exchange Act and the rules on its annual and quarterly reports from 1981 through 1983; inappropriately accounted for the sale of its Single Premium Deferred Annuities (SPDAs) by recognizing a certain percentage of future expected profits at the time of sale of SPDAs, instead of recognizing income as actually earned in subsequent accounting periods; and should have disclosed, in its Management Discussion and Analysis contained in its Annual Report on Form 10-K for the fiscal year ended December 31, 1981, that as a result of certain developments in 1981, it was anticipated that the future profitability of SPDAs issued prior to 1981 would be substantially reduced. The Commission ordered Charter to comply with the reporting requirements of Section 13(a).

Simultaneous with the issuance of the Order, the Commission accepted Charter's Offer of Settlement, in which it consented to the Order without admitting or denying the findings or statements in the Order. (Rel. 34-21647)

EDWARD DAVIS BARRED IN DRYSDALE MATTER

The Commission barred Edward Davis from association with a broker, dealer, municipal securities dealer, investment adviser or investment company. The sanction was imposed in settled administrative proceedings, based upon Davis' recent Drysdale-related conviction for conspiracy to commit federal securities fraud and other violations.

Davis, of Staten Island, New York, was head cashier of the now defunct Drysdale Securities Corporation (DSC) when that entity was a registered broker-dealer and member of the New York Stock Exchange. From February 1 to May 17, 1982, Davis was cashier of Drysdale Government Securities, Inc. (DGSI), the government securities dealer run by David Heuwetter that collapsed on May 17, 1982, causing losses of about \$290 million to two large New York City banks. Davis' participation in the massive Drysdale fraud consisted primarily of falsifying and altering the books and records of his employers and illegally obtaining funds used to float Heuwetter's government trading at DSC and later DGSI. (Rel. 34-21607)

JOSEPH V. OSSORIO BARRED IN DRYSDALE MATTER

The Commission barred Joseph V. Ossorio from association with a broker, dealer, municipal securities dealer, investment adviser or investment company. The sanction was imposed in settled administrative proceedings, based upon Ossorio's recent Drysdale-related convictions for federal securities fraud and state grand larceny and fraud, as well as his having been enjoined, by consent, from violations of the antifraud provisions of the securities laws and from aiding and abetting violations of the broker-dealer recordkeeping requirements.

Ossorio, of Greenwich, Connecticut, is now serving an eight-year federal sentence with which his state sentence runs concurrently. He was formerly Chairman of the Board of Directors and a principal owner of Drysdale Securities Corp., which suspended operations in July 1982, shortly after Drysdale Government Securities, Inc. failed. Drysdale Government, created by Ossorio and his confederates to assume Drysdale Securities' government securities business, failed at a cost to major New York City banks of about \$290 million. (Rel. 34-21608)

UNLISTED TRADING GRANTED

Orders have been issued granting the application of the following stock exchanges for unlisted trading privileges in the common stock of the specified number of issues which are listed and registered on one or more other national securities exchange and are reported in the consolidated transaction reporting system: The Philadelphia Stock Exchange - two issues. (Rel. 34-21641); and The Cincinnati Stock Exchange - one issue. (Rel. 34-21642)

SELF-REGULATORY ORGANIZATIONS

APPROVAL OF PROPOSED RULE CHANGE

The Commission approved a proposed rule change filed under Rule 19b-4 by the New York Stock Exchange, Inc. (SR-NYSE-84-34) which will amend the NYSE regulatory oversight fee imposed under NYSE Rule 129 by increasing the charge to its members and member organizations for regulatory oversight services from \$0.26 to \$0.35 per \$1,000 of gross revenues as reported in the member's FOCUS report. (Rel. 34-21643)
