Issue 73-128
(SEC Docket, Vol. 2, No. 3 - July 17)

July 3, 1973

RULE PROPOSALS AND ADOPTIONS

AMENDMENTS TO FORM BD PROPOSED. The SEC has announced certain proposed amendments to Form BD, the form of application for registration as a broker-dealer or amendment to such application. The purpose of the proposed amendments would be to add a new Paragraph (k) to Item 16 and to make certain technical changes. Paragraph 16(k) would inquire whether the broker-dealer or any of certain associated persons has ever been an officer, director, general partner, ten percent shareholder or controlling person of a broker or dealer for whom a trustee has been appointed under the SIPC Act. Under Section 10(b) of the SIPC Act the Commission may by order bar or suspend for any period such persons after notice and opportunity for hearing if the Commission finds it to be in the public interest. The purpose of the amendment to Item 16 would be to detect an attempt on the part of culpable persons to effect a re-entry so that the Commission could initiate a proceeding to determine whether any remedial action would be appropriate.

In addition, the technical changes would be for the purpose of obtaining additional data from broker-dealers or updating wording which has become obsolete. (Rel. 34-10262)

COMMISSION ANNOUNCEMENTS

COMMENTS INVITED ON NASD PROPOSED TAX SHELTER RULES. The SEC announced that it is requesting public comment on proposed rules now being considered for adoption by the National Association of Securities Dealers, Inc. (NASD) which would establish a system of regulation in connection with the distribution by NASD members of securities of tax sheltered programs. The NASD rule proposals would prescribe standards concerning, among other things: investment suitability of such programs; review of sales literature; organization and offering expenses; expertise of program sponsors; rights of program participants; minimum program net worth and public sales; and possible conflicts of interest of sponsors and managers.

The NASD published for comment on May 9, 1972 proposals which were substantially similar to the present proposals. The Commission has decided to supplement and update the NASD's publication by requesting all persons interested in this matter (including those who submitted comments to the NASD last May) to submit their views directly to the Commission. While it welcomes public comments on the specifics of the NASD proposals, the Commission has expressed particular interest in receiving comments respecting various policy questions relating to the appropriateness of NASD regulatory action in certain areas, the need for and content of a possible legislative program respecting tax shelters and the appropriate allocation of regulatory responsibility between the Commission and the self-regulatory authorities.

Commentators are requested to submit their views or other information, in writing (with two copies), prior to August 15, 1973, to the Office of the Secretary, Securities and Exchange Commission, 500 North Capitol Street, Washington, D.C. 20549. All communications should refer to File No. 4-168. (Rel. 34-10260)

TRADING SUSPENDED IN CHRIS MCGUIRE, INC. SECURITIES. The SEC has announced the suspension of over-the-counter trading in the securities of Chris McGuire, Inc., located in Augusta, Georgia for a ten-day period commencing July 2 and terminating at midnight on July 11, 1973.

The Commission initiated the suspension because the company failed to comply with the reporting provisions of the Exchange Act resulting in the lack of current and accurate information available to the public. (Rel. 34-10264)

DECISIONS IN ADMINISTRATIVE PROCEEDING

EMLING BARRED. The SEC has issued an order barring Richard F. Emling of Hartland, Wisconsin from association with any broker-dealer. Emling previously served as an officer and director of a registered broker-dealer.

The sanction was based on findings that in 1970-71 Emling charged excessive prices in sales of the common stocks of North Atlantic Corporation and Scots Inn Management Co. and aided and abetted violations of net capital, credit, record-keeping and reporting requirements. In addition it was found that he failed to exercise reasonable supervision.

Emling failed to answer the charges against him and was deemed in default. (Rel. 34-10239)

NASD SANCTIONS AGAINST STERLING D. AND MILO E. MALLORY MODIFIED. The SEC has issued an order on the application of Sterling D. and Milo E. Mallory, Birmingham, Ala., respectively president and vice-president of First Investment Savings Corporation, formerly a member of the National Association of Securities Dealers, Inc. (NASD), for review of disciplinary action taken against them by the NASD. The order reduced the sanction of bar from association with any NASD member imposed against S. Mallory to a one-year suspension from such association with a provision that thereafter he may be so associated in a non-supervisory capacity only upon showing to the NASD he will be adequately supervised. The order upheld the censure imposed against M. Mallory but reduced to 30 days the 90-day suspension of his registration and set aside the \$1,000 fine also imposed against him.

The Commission sustained the NASD's findings of violations by the applicants of the NASD's Rules of Fair Practice in that they were responsible for their firm's net capital deficiencies at various dates between March 1970 and May 1971 and that S. Mallory, for approximately 1 year, purchased securities through his account with the firm using a credit improperly obtained by the sale to the firm of bonds which he failed to deliver.

The Commission, however, set aside the NASD's findings that S. Mallory initiated the above bond sale as a bogus securities transaction to improve the firm's net capital position, and, in reducing the sanctions imposed, noted further that M. Mallory, who functioned only as a salesman at the firm, had not learned of his brother's failure to deliver the bonds until ten months after such failure occurred. (Rel. 34-10244)

COURT ENFORCEMENT ACTIONS

IRWIN AND GERALD RUDNET SENTENCED. The SEC New York Regional Office announced that on June 25 Irwin and Gerald Rudnet were each given a one year suspended sentence and placed on one year's probation by Judge Irving Ben Cooper of the Federal court in New York following the entry of pleas of guilty to one count of a conspiracy to violate and one count of a substantive violation of the antifraud provisions of the Securities Exchange Act of 1934. The Rudnets had been charged with using bribes in connection with a stock loan scheme to alleviate the worsening financial condition of the brokerage firm of which they were principals. (LR-5955)

HOLDING COMPANY ACT RELEASES

AMERICAN NATURAL GAS. The SEC has issued an order granting the request of American Natural Gas Company, a registered holding company, for an exception from the competitive bidding requirements in connection with the proposed sale of all of the outstanding common stock of Central Indiana Gas Company, Inc., a wholly-owned gas utility subsidiary. Alternatively, American Natural is willing to consider the sale by Central Indiana of its business and assets, and the assumption of its liabilities by the purchaser(s), followed by the liquidation and dissolution of Central Indiana. American Natural states that exception from the competitive bidding requirements would afford it flexibility to obtain the best terms for the disposition of its interest in Central Indiana. (Rel. 35-18019)

ALABAMA POWER COMPANY. The SEC today issued a notice giving interested persons until July 26 to request a hearing on a proposal of Alabama Power Company, Birmingham subsidiary of The Southern Company, to issue and sell up to \$100,000,000 of first mortgage bonds at

competitive bidding. Alabama will use the net proceeds, together with other funds to finance its 1973 construction program (estimated at \$364,710,000), to pay short-term promissory notes, and other lawful purposes. (Rel. 35-18020)

INVESTMENT COMPANY ACT RELEASES

MASSACHUSETTS BAY INCOME SHARES. The SEC has issued a notice giving interested persons until July 27 to request a hearing on a proposal to declare on its own motion that Massachusetts Bay Income Shares, of Boston, Massachusetts, has ceased to be an investment company. (Rel. IC-7886)
