COMMISSION ANNOUNCEMENTS

REPORT OF INVESTIGATION CONCERNING MERRILL LYNCH, PIERCE, FENNER & SMITH, INC.

The Commission has published a report of investigation pursuant to Section 21(a) of the Securities Exchange Act of 1934 with respect to the activities of Merrill Lynch, Pierce, Fenner & Smith, Inc. in connection with its execution of trades according to the instructions of a registered investment adviser. Merrill Lynch consented to the issuance of the Report and to certain undertakings set forth therein and solely for the purpose of the Report, admitted the facts as stated. Merrill Lynch neither admitted nor denied the Report's conclusion.

The Report presents questions concerning the responsibilities of broker-dealers to individual customers whose accounts are managed by investment advisers. It suggests that continued execution of an adviser's orders where a broker-dealer has knowledge of improprieties in an investment adviser's handling of accounts may subject the broker-dealer to liability for aiding and abetting a violation of the securities laws if the adviser is in fact a primary violator of same provision of those laws. (Rel. 34-19070)

STAFF ACCOUNTING BULLETIN NO. 48

The Commission has issued Staff Accounting Bulletin No. 48 which reflects the staff's long-standing position that when a company acquires assets from promoters and shareholders in exchange for stock prior to or at the time of its initial public offering such assets should generally be recorded at the cost to the promoter or shareholder. ADMINISTRATIVE PROCEEDINGS

ROBERT N. RANDALL CITED

Public administrative proceedings have been issued under the Securities Exchange Act of 1934 against Robert N. Randall of Stamford, Connecticut, formerly associated with and employed by broker-dealers registered pursuant to Section 15(b) of the Securities Exchange Act of 1934 and members of the National Association of Securities Dealers, Inc., in the capacities of registered representative, branch manager and vice-president. The Order for Proceedings alleges that Randall willfully violated the registration and antifraud provisions of the Securities Act of 1933 and the Exchange Act in the offer and sale of securities, namely, investment contracts and promissory notes representing interests in multi-family housing projects. The Order also alleges that Randall pled guilty to criminal violations of the antifraud provisions of the Exchange Act on June 15, 1981, before the U.S. District Court for the District of Connecticut.

Specifically, the Order alleges that during the period from on or about March 16, 1978 through July 1, 1979, Randall, in the offer and sale of the above-referenced securities, (1) offered and sold such securities without having a registration statement filed or in effect and without an exemption from registration being available, and (2) induced public investors to purchase such securities by making false and misleading statements of material facts and omitting to state material facts necessary in order to make statements made, in light of the circumstances under which they were made, not misleading. The false and misleading statements of material facts and the material omissions were alleged to include, among other things, Randall's familiarity with the business of federal financing of mortgages

through HUD, the substantial personal profit which he anticipated through the use of investors' proceeds, his personal financial condition, and that he could not meet his personal guarantee assuring the return of the principal investment if called upon to do so.

A hearing will be scheduled to determine whether the allegations against Randall are true, and, if so, to decide what, if any, remedial action is necessary in the public interest. (Rel. 34-19079)
