## ADMINISTRATIVE PROCEEDINGS

---

### ERIC BRYEN BARRED

The Commission instituted public proceedings against Eric Bryen (Bryen), corporate financial officer of Great Lakes Equities Co. (GLE), a Farmington Hills, Michigan broker-dealer. Bryen is also a practicing attorney. The Order finds that on February 22, 1991, Bryen was permanently enjoined from violating and/or aiding and abetting violations of the antifraud and net capital provisions. In connection with the underlying injunctive action, on September 4, 1990, after a trial on the merits, the District Court found that, during 1988 and 1989, Bryen engaged in a scheme to defraud purchasers of the securities of GAT Stables-I, Inc., Contach Industries, Inc. and MSE Cable Systems, Inc. Specifically, the Court found that Bryen caused material misrepresentations to be made concerning: the financial condition, the value of assets, the value of the securities, the risks attendant in trading and the anticipated increase in the price of the securities and caused these securities to be sold at prices which included excessive markups that were as high as 200% or more. Further, the Court found that Bryen operated GLE in violation of the net capital rule. The Order permanently bars Bryen from association with any regulated entity. See, [SEC v. Great Lakes Equities Co., et al., E.D. Mich., 89-CV-70601-DT] (Rel. 34-28975)

### JACK RINGER BARRED

The Chicago Regional Office announced that on March 15, the Commission entered an Order Instituting Proceedings, Making Findings and Imposing Remedial Sanctions against Jack Ringer, formerly an associated person of a registered broker-dealer in New York.

The Order instituted proceedings against Ringer and found that Ringer was convicted on November 8, 1989 of one count of conspiracy, six counts of mail fraud and six counts of securities fraud in connection with the manipulation of the stock of European Auto Classics, Ltd. from 1979 to in or about 1982. The Order permanently bars Ringer from association with any broker, dealer, municipal securities dealer, investment company or investment adviser. Ringer consented to the entry of the Commission's Order. (Rel. 34-28976)

### PROPOSED RULE CHANGE

The National Association of Securities Dealers filed a proposed rule amendment (SR-NASD-91-9) under Rule 19b-4 of the Securities Exchange Act to amend Sections 13(a), 39(a) and 41(e) of the NASD Code of Arbitration Procedure. The proposed amendments would eliminate the existing requirement of customer demand or written consent of the parties before application of simplified procedures. Additionally, the amendments would require party service of amended pleadings and require that the name of counsel and the type of security or product in controversy be made additional items for inclusion in all arbitration awards. The amendments are intended to improve the existing arbitration procedure and to bring it into conformity with current practices. Publication of the proposal is expected in the Federal Register during the week of March 25. (Rel. 34-28993)
